Request for Trading Halt in Geopacific Resources NL Securities

The Company requests a trading halt in its securities (GPR).

The Company is in the process of raising funds through a share placement. While these discussions and transactions are proceeding, the Company believes that, in the absence of a trading halt, the market may trade on an uninformed basis.

It is expected that an announcement to end the trading halt will be made before the market opens on Wednesday 23 June 2010.

The Company is not aware of any reason why the trading halt should not be granted.

Yours faithfully

A handwritten signature in black ink, appearing to read "I. J. Pringle".
