EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions. Shareholders should read the Explanatory Statement in full. The Explanatory Statement forms part of the accompanying Notice of Meeting and should be read with the Notice of Meeting.

The information contained in the Explanatory Statement has been prepared by the Company and is the responsibility of the Company. Other than the information set out in this Explanatory Statement, the Directors believe that there is no other information that could reasonably be required by Shareholders to consider Resolutions 1 to 8 (inclusive).

FINANCIAL STATEMENTS AND REPORTS

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2019, together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on the financial report. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the management of the Company.

The Chair will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- (i) the conduct of the audit;
- (ii) the preparation and content of the independent audit report;
- (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (iv) the independence of the Auditor in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.gsml.com.au in the "Investors" section.

1. RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

1.1 Background

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2019.

The Remuneration Report is set out in the Company's 2019 Annual Report, and is also available on the Company's website www.gsml.com.au.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

1.2 Voting consequences

If at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting (**Spill Resolution**) at the second annual general meeting.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene an extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the Directors of the Company who were in office when the Directors' report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, other than the managing director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved will be the Directors of the Company.

1.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

1.4 Voting

Shareholders appointing a proxy for Resolution 1 should note that a voting exclusion statement has been included for the purposes of Resolution 1 on the terms set out in the notice.

The proxy voting exclusions for this resolution are set out in tabular form below:

Proxy	Directed	Undirected
Key Management Personnel ¹	Voted	Not voted ³
Chairperson ²	Voted	Voted at discretion of Proxy ⁴
Other	Voted	Voted at discretion of Proxy

Notes:

- 1 Refers to Key Management Personnel (other than the Chairperson) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.
 - 2 Refers to the Chairperson (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).
 - 3 Undirected proxies granted to Key Management Personnel persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
-

- 4 The Proxy Appointment Form notes it is the Chairperson's intention to vote all undirected proxies in favour of all Resolutions, and the appointment expressly authorises the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

2. RESOLUTION 2: RATIFICATION OF ISSUE OF SHARES TO INVESTORS

2.1 Background

This resolution seeks ratification and approval by Shareholders for the issue of 8,333,333 Shares (at an issue price of \$0.03 (3.0 cents)) each to a sophisticated investor introduced to the Company by John Terpu under a placement to raise gross proceeds of \$250,000. The issue of Shares occurred on 22 March 2019. The issue occurred under the Company's Listing Rule 7.1 capacity.

Listing Rule 7.1 provides, in summary, that a listed company may not issue Equity Securities in any 12-month period which exceeds 15% of the number of issued securities of the company held at the beginning of the 12-month period, except with the prior approval of shareholders of the company in a general meeting, unless an exception in Listing Rule 7.2 applies.

However, Listing Rule 7.4 provides that an issue of Equity Securities made without shareholder approval under Listing Rule 7.1 is treated as having been made with shareholder approval if:

- the issue did not breach the 15% threshold set by Listing Rule 7.1; and
- holders of ordinary securities subsequently approve it.

The issue of the 8,333,333 Shares did not result in the Company breaching the 15% limit referred to in Listing Rule 7.1. The issue of the Shares does not therefore depend upon Shareholders passing Resolution 2.

Resolution 2 seeks approval and ratification of the issue of 8,333,333 Shares on 22 March 2019 under Listing Rule 7.4 in order to restore the Company's maximum discretionary power to issue further Equity Securities within the 15% limit during the next 12 months.

2.2 Listing Rule Disclosure

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the issue of the Shares the subject of Resolution 2:

- (i) 8,333,333 Shares were issued.
- (ii) The Shares were issued for \$0.03 (3.0 cents) each.
- (iii) The Shares were issued as fully paid ordinary shares ranking equally with existing Shares.
- (iv) The Shares were issued to a sophisticated investor in Hong Kong who participated in the placement announced 22 March 2019. The investor was not a related party of the Company.
- (v) The funds raised have been or will be applied to Exploration at the Company's North Queensland Projects and working capital, including corporate costs to manage the exploration program.

A voting exclusion statement has been included for the purposes of Resolution 2.

Resolution 2 is an ordinary resolution.

The Board unanimously recommends that Shareholders vote in favour of Resolution 2.

3. RESOLUTION 3: RATIFICATION OF ISSUE OF SHARES TO INVESTORS

3.1 Background

This resolution seeks ratification and approval by Shareholders for the issue of 3,333,333 Shares (at an issue price of \$0.03 (3.0 cents)) each to sophisticated investors introduced to the Company by John Terpu under a placement to raise gross proceeds of \$100,000. The issue of Shares occurred on 1 May 2019. The Shares were issued pursuant to Listing Rule 7.1.

Listing Rule 7.1 provides, in summary, that a listed company may not issue Equity Securities in any 12-month period which exceeds 15% of the number of issued securities of the company held at the beginning of the 12-month period, except with the prior approval of shareholders of the company in a general meeting, unless an exception in Listing Rule 7.2 applies.

However, Listing Rule 7.4 provides that an issue of Equity Securities made without shareholder approval under Listing Rule 7.1 is treated as having been made with shareholder approval if:

- the issue did not breach the 15% threshold set by Listing Rule 7.1; and
- holders of ordinary securities subsequently approve it.

The issue of the 3,333,333 Shares did not result in the Company breaching the 15% limit referred to in Listing Rule 7.1. The issue of the Shares does not therefore depend upon Shareholders passing Resolution 3.

Resolution 3 seeks approval and ratification of the issue of 3,333,333 Shares on 1 May 2019 under Listing Rule 7.4 in order to restore the Company's maximum discretionary power to issue further Equity Securities within the 15% limit during the next 12 months.

3.2 Listing Rule Disclosure

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the issue of the Shares the subject of Resolution 3:

- (i) 3,333,333 Shares were issued.
- (ii) The Shares were issued for \$0.03 (3.0 cents) each.
- (iii) The Shares were issued as fully paid ordinary shares ranking equally with existing Shares.
- (iv) The Shares were issued to sophisticated investors in Australia, introduced to the Company by John Terpu, who participated in the placement announced 30 April 2019. None of whom are related parties of the Company.
- (v) The funds raised have been or will be applied to Exploration at the Company's North Queensland Projects and working capital, including corporate costs to manage the exploration program.

A voting exclusion statement has been included for the purposes of Resolution 3.

Resolution 3 is an ordinary resolution.

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

4. RESOLUTIONS 4(A) AND 4(B): RATIFICATION OF ISSUE OF SECURITIES TO INVESTORS

4.1 Background

This resolution seeks ratification and approval by Shareholders for the issue of 27,000,000 Shares (at an issue price of \$0.045 (4.5 cents)) and 27,000,000 Listed Options (at an issue price of \$0.01 (1.0 cents)) each to sophisticated and institutional investors introduced to the Company by Bell Potter Securities to raise gross proceeds of \$1.485m. The issue of Shares and Listed Options was announced on the 21 October 2019 and is set to occur on or around the 24 October 2019.

The Issue of Shares and Listed Options to investors was structured as follows:

Listing Rule	Security	Number Issued	\$	Amount Raised (before costs)
LR7.1A	Fully Paid Ordinary Shares	27,000,000	\$ 0.045	\$ 1,215,000
LR 7.1	Listed Options	27,000,000	\$ 0.010	\$ 270,000
				\$ 1,485,000

27,000,000 Listed Options were issued under the Company's LR7.1 capacity.

The Listed Options issued have an exercise price of \$0.05 per Option expiring 4 September 2022.

Listing Rule 7.1 provides, in summary, that a listed company may not issue Equity Securities in any 12-month period which exceeds 15% of the number of issued securities of the company held at the beginning of the 12-month period, except with the prior approval of shareholders of the company in a general meeting, unless an exception in Listing Rule 7.2 applies.

However, Listing Rule 7.4 provides that an issue of Equity Securities made without shareholder approval under Listing Rule 7.1 is treated as having been made with shareholder approval if:

- the issue did not breach the 15% threshold set by Listing Rule 7.1; and
- holders of ordinary securities subsequently approve it.

The issue of the Listed Options did not result in the Company breaching the 15% limit referred to in Listing Rule 7.1. The issue of the Listed Options does not therefore depend upon Shareholders passing Resolution 4.

Resolutions 4(a) and (b) seeks approval and ratification of the issue of 27,000,000 Listed Options announced 21 October 2019 and issued on or around the 24 October 2019 under Listing Rule 7.4 in order to restore the Company's maximum discretionary power to issue further Equity Securities within the 15% limit during the next 12 months.

- (ii) 27,000,000 Shares were issued at an issue price of \$0.045 (4.5 cents) per share.
- (iii) The Listed Options were issued on the same terms and conditions with existing Listed Options. The Listed Options are exercisable at \$0.05 per Listed Option each on or before 4 September 2022.
- (iv) The Listed Options were issued to institutional and sophisticated investors in Australia and Hong Kong, as introduced to the Company by Bell Potter Securities. None of whom are related parties of the Company.
- (v) The funds raised have been or will be applied to Exploration at the Company's Cox's Find Gold Project, Edinburgh Park Project and working capital, including corporate costs to manage the exploration programs.

A voting exclusion statement has been included for the purposes of Resolutions 4(a) and 4(b).

The Board unanimously recommends that Shareholders vote in favour of Resolutions 4(a) and 4(b).

5. RESOLUTION 5 – ELECTION OF DIRECTOR – MS KATHLEEN BOZANIC

5.1 Purpose of resolution

Ms Kathleen Bozanic joined the Board on 26 April 2018 and has subsequently been re-elected on 2 November 2018.

6. RESOLUTION 6 –APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

6.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

If Shareholders approve Resolution 6, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 6.2 below).

The effect of Resolution 6 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under ASX Listing Rule 7.1.

Resolution 6 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 6 for it to be passed.

6.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$19,501,589 based on the number of Shares on issue as at 23 October 2019 and the closing price of Shares (\$0.064) on the ASX on the trading day prior to 23 October 2019.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has two classes of Equity Securities on issue, being the Shares (ASX Code: GSN) and Listed Options (ASX Code: GSNOA).

Based on the number of Shares and Listed Options on issue at the date of this Notice, the Company will have 331,712,338* Shares and 110,588,449* Listed Options on issue and therefore, subject to Shareholder approval being obtained, 34,441,234 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities, that formula is:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under ASX Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
- (iv) less the number of Shares cancelled in the previous 12 months.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

* Refer to the disclosure in table 6.3(c) below.

6.3 Technical information required by ASX Listing Rule 7.3A

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in Section 6.3(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Annual General Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid) (**10% Placement Capacity Period**).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

If Resolution 6 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted.

The table below shows:

- (i) the dilution of existing Shareholders upon the issue of the maximum number of Equity Securities under the 10% Placement Capacity calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.
- (ii) the voting dilution impact where the number of Shares on issue (Variable A in the formula) increases by 50% and 100%; and
- (iii) the economic dilution where the issue price of Shares issued under the 10% Placement Capacity is halved or doubled.
- (iv) the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

Number of Shares on Issue	Dilution						
	Issue Price (per Share)	\$0.03 50% decrease in Issue Price		\$ 0.059 Issue Price		\$0.09 50% increase in Issue Price

	Funds raised	1,957,103	\$	3,914,206	\$	5,871,308	\$

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of these securities that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or the issue of these Securities that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are 331,712,338 Shares on issue as at the as at the close of trade on 23 October 2019. This includes 27,000,000 fully paid ordinary shares to be issued on or around 24 October 2019. Refer to ASX announcement made 21 October 2019.
2. The issue price is the closing price of the Shares (\$0.059) on the ASX as at the close of trade on 23 October 2019.
3. No Listed Options are exercised before the date of the issue of the Equity Securities.
4. The Company issues the maximum possible number of Shares and Listed Options under the 10% Placement Capacity.
5. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2, Shareholder approval or with subsequent approval under ASX Listing Rule 7.1.
6. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

7. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
8. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 or ratification under Listing Rule 7.4.
9. The issue of Equity Securities under the 10% Placement Capacity consists of either Shares or Listed Options as disclosed in the table.
10. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Equity Securities may be issued:
 - (A) at a price that is at a discount to the market price for those Shares or Listed Options on the date of issue of those Equity Securities;
 - (B) as consideration (or part thereof) for the acquisition of a new asset, both of which may have an effect on the amount of funds raised by the issue of Equity Securities under the 10% Placement Capacity.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's West Australian and North Queensland Projects, project administration and general working capital; or
- (ii) as non-cash consideration for the acquisition of new resources assets and investments, and in such circumstances the Company will comply with the minimum issue price limitation under Listing Rule 7.1A.3 in relation to such issue and will release a valuation of the non-cash consideration to the market as required by Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties (or their Associates) of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issued of Equity Securities;
- (vi) prevailing market conditions; and
- (vii) advice from corporate, financial and broking advisers (if applicable).

As noted in section 7.3(d) above, the Company may issue Equity Securities under the 10% Placement Capacity as non-cash consideration for the acquisition of new resources assets and investments. In the event that the Company is successful in acquiring new resources assets or investments, it is likely that the allottees under the 10% Placement Capacity will be vendors of the new assets or investments.

Previous Approval under ASX Listing Rule 7.1A

The Company's previous approval under ASX Listing Rule 7.1A was at the Annual General Meeting of shareholders held on 2 November 2018 (**Previous Approval**).

During the 12 month period to the Annual General Meeting, being on and from 2 November 2018, the Company has issued 52,966,666* Shares and 128,137,446** Listed Options.

This represents 19% of the total number of Shares on issue at the commencement of that 12 month period. The issue of the 27,000,000 Listed Options described in Resolution 4, represented 32.3% of the Listed Options on issue prior to this Annual General Meeting.

The details of all issues of Equity Securities by the Company during the 12 months preceding the date of the Meeting is set out in Annexure A.

* Refer to the additional disclosure in table 6.3(c).

** This number includes the 17,548,997 Shortfall Options (being the entire available Shortfall Offer which was made pursuant to the Prospectus announced on 5 August 2019 and representing Entitlements not taken up by shareholders through the Entitlements Issue that closed on 28 August 2019).

6.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not determined who the Company will issue Equity Securities to under the Additional 10% Placement Capacity, other than noting that the persons to whom Shares will be issued will be determined on a case by case basis having regard to the factors outlined in paragraph 7.4(e) above. The Company has not approached, and has not yet determined to approach, any particular existing security holders or an identifiable class of existing security holders to participate in an offer under the 10% Placement Capacity, therefore no existing Shareholders will be excluded under the voting exclusion statement included in this Notice.

7. AMENDMENT TO CONSTITUTION

7.1 General

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 7 seeks the approval of Shareholders to modify the Company's Constitution by replacing the existing Article 2.6 with a new Article 2.6 as set out in Section 7.3 below.

A copy of the amended constitution is available for review by Shareholders at the office of the Company. A copy of the amended constitution can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

Resolution 7 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 7.

7.2 Proposed amendment

ASX is proposing to introduce a number of changes to the escrow regime in the Listing Rules in December 2019 to make aspects of the listing process and ongoing compliance with the Listing Rules more efficient for issuers and for ASX.

Amongst these, ASX is proposing to introduce a two-tier escrow regime where ASX can and will require certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of Appendix 9A, as is currently the case. However, for less significant holdings, ASX will instead permit entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to simply give a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions.

Accordingly, the Company is seeking Shareholder approval to amend the Constitution to meet the requirements of proposed amended Listing Rules 9 and 15.12 as follows:

Replace Article 2.6:

"2.6 Restricted Securities

- (a) *While the Company is on the official list of ASX, the Company must recognise and comply with the Listing Rules with respect to Restricted Securities.*
 - (b) *Notwithstanding the generality of article 2.6(a):*
 - (i) *a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the Restricted Securities during the escrow period applicable to the Restricted Securities except as permitted by the Listing Rules or ASX;*
 - (ii) *if the Restricted Securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored sub-register and are to have a*
-

holding lock applied for the duration of the escrow period applicable to those securities;

- (iii) the Company must refuse to acknowledge any disposal (including registering any transfer), assignment or transfer of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or the ASX;*
- (iv) a holder of Restricted Securities is not entitled to participate in any return of capital those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
- (v) if a holder of Restricted Securities breaches a Restriction Agreement or a provision of the Constitution restricting a disposal of the Restricted Securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues."*

8. RESOLUTIONS 8 – SELECTIVE REDUCTION OF CAPITAL

8.1 Background

On 14 May 2018, the Company issued 11,800,000 unquoted Options (**Adviser Options**) to Mark Barnaba AM as consideration for entering into a consultancy agreement.

On 16 October 2019, the Company announced that it had cancelled the Adviser Options, and issued 1,000,000 Shares to Mark Barnaba AM in consideration for the cancellation of the Adviser Options.

Under Listing Rule 6.23.3, a change which has the effect of cancelling an option for consideration can only be made if holders of ordinary securities approve the change. By cancelling the Adviser Options prior to seeking shareholder approval, the Company inadvertently committed a technical breach of Listing Rule 6.23.2.

To rectify the breach, the Company seeks Shareholder approval to cancel the 1,000,000 Shares issued to Mark Barnaba AM by way of a selective reduction of capital.

8.2 General

Resolution 8 seeks Shareholder approval for a selective capital reduction and cancellation of 1,000,000 Shares issued to Mark Barnaba AM. The Shares will be cancelled as the Shares were issued in technical breach of the Listing Rules.

Resolution 8 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney, or in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 8.

8.3 Sections 256B and 256C(2) of the Corporations Act

Section 256B of the Corporations Act provides that a company may reduce its share capital by cancelling the shares if the reduction:

- (a) is fair and reasonable to the company's shareholders;
-

- (b) does not materially prejudice the company's ability to pay its creditors; and
- (c) is approved by shareholders under section 256C of the Corporations Act.

To enable the Company to make the capital reduction by cancelling the Shares, section 256C(2) of the Corporations Act requires a special resolution of the Shareholders passed at a general meeting, as the capital reduction proposed for the Company is a selective reduction because the terms of the reduction will not be the same for all Shareholders, only 1,000,000 Shares will be cancelled. No votes may be cast on the Resolution by any persons whose shares are to be bought back, or by their associates.

Resolution 8 seeks Shareholder approval for a selective capital reduction and cancellation of 1,000,000 Shares issued to the Mark Barnaba AM, for total consideration of \$1.00.

A separate meeting with Mark Barnaba has been convened to be held at the later of the conclusion of this Meeting, at the same venue as the Meeting. At this meeting, a resolution will be put to Mark Barnaba pursuant to section 256C of the Corporations Act for the selective capital reduction of the Shares held by the Mark Barnaba AM.

8.4 Effect of the proposed capital reduction

The Directors believe the proposed capital reduction is fair and reasonable to Shareholders as a whole because the Shares were issued (in technical breach of Listing Rule 6.23.3) as consideration for the cancellation of the Adviser Options. Options may be cancelled without shareholder approval, provided that no consideration is issued for the cancellation. By cancelling the 1,000,000 Shares issued to Mark Barnaba AM, put in the same position they otherwise would have been in, but for the technical breach of Listing Rule 6.23.3. The Directors also believe that the proposed capital reduction will not materially prejudice the Company's ability to pay its creditors as no cash consideration was paid for the issue of the Shares. Therefore, the Directors consider it appropriate and necessary to cancel the Shares.

The Shares held by Mark Barnaba AM comprise 0.3% of the total Shares currently on issue.

There is no information known to the Company that is material to the decision on how to vote on Resolution 8 other than what has been disclosed in this Notice.

Pursuant to the Corporations Act, the Company may cancel the Shares 14 days after the lodgement of Resolution 8 (once the requisite Shareholder approvals have been received) with the ASIC.

2.2 Proxies

(a) Voting by proxy

A Proxy Form is attached to the Notice. This is to be used by Mr Mark Barnaba AM if he wishes to appoint a representative (a 'proxy') to vote in his place. Mr Mark Barnaba AM is invited and encouraged to attend the Meeting or, if he is unable to attend in person, sign and return the Proxy Form to the Company in

accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude Mr Mark Barnaba AM from attending and voting at the Meeting in person.

Please note that:

- (i) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (ii) a proxy need not be a member of the Company; and
- (iii) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

(b) Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);
- (ii) if the proxy has 2 or more appointments that specify different ways to vote on the resolution - the proxy must not vote on a show of hands;
- (iii) if the proxy is the chair of the meeting at which the resolution is voted on - the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (iv) if the proxy is not the chair - the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

(c) Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;
- (ii) the appointed proxy is not the chair of the meeting;
- (iii) at the meeting, a poll is duly demanded on the resolution; and
- (iv) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.3 Chair's voting intention

The Chair intends to exercise all available proxies in favour of the Resolution.

3. Background to Resolution

A detailed background to the Resolution is provided in the Notice of Annual General Meeting.

4. Resolution 1 - Capital reduction of Consideration Shares held by Mr Mark Barnaba AM

4.1 Background

On 14 May 2018, the Company issued 11,800,000 unquoted Options (**Adviser Options**) to Mark Barnaba AM as consideration for entering into a consultancy agreement.

On 16 October 2019, the Company announced that it had cancelled the Adviser Options, and issued 1,000,000 Shares to Mark Barnaba AM in consideration for the cancellation of the Adviser Options (**Consideration Shares**).

Under Listing Rule 6.23.3, a change which has the effect of cancelling an option for consideration can only be made if holders of ordinary securities approve the change. By cancelling the Adviser Options prior to seeking shareholder approval, the Company inadvertently committed a technical breach of Listing Rule 6.23.2.

To rectify the breach, the Company seeks Shareholder approval to cancel the 1,000,000 Shares issued to Mark Barnaba AM by way of a selective reduction of capital.

4.2 General

Resolution 1 seeks Mr Mark Barnaba AM's approval for a selective capital reduction and cancellation of 1,000,000 Consideration Shares issued to him, for total consideration of \$1.00 per person having the Consideration Shares cancelled.

Resolution 1 is a special resolution and therefore requires approval of 75% of the votes cast by Mr Mark Barnaba AM (in person, by proxy or by attorney).

4.3 Sections 256B and 256C(2) of the Corporations Act

Section 256B of the Corporations Act provides that a company may reduce its share capital by cancelling the shares if the reduction:

- (a) is fair and reasonable to the company's shareholders;

- (b) does not materially prejudice the company's ability to pay its creditors; and
- (c) is approved by shareholders under section 256C of the Corporations Act.

To enable the Company to make the capital reduction by cancelling the Consideration Shares, section 256C(2) of the Corporations Act requires a special resolution of the Shareholders passed at a general meeting as the capital reduction proposed for the Company is a selective reduction because the terms of the reduction will not be the same for all Shareholders; only 1,000,000 Consideration Shares will be cancelled (**Special Resolution**). The Special Resolution will be sought at the Annual General Meeting of the Company, immediately preceding this Meeting.

Additionally, the Company requires the reduction of capital to be approved by a special resolution passed at a meeting of the shareholders whose shares are to be cancelled. This Meeting is convened solely for this purpose.

Resolution 1 will only be put to Mr Mark Barnaba AM for approval if resolution 8 being considered by Shareholders at the Annual General Meeting is approved by the requisite majority of Shareholders. If resolution 8 is not approved by the requisite majority of Shareholders, Resolution 1 will be withdrawn.

4.4 Effect of the proposed capital reduction

The Directors believe the proposed capital reduction is fair and reasonable to Shareholders as a whole because the Shares were issued (in technical breach of Listing Rule 6.23.3) as consideration for the cancellation of the Adviser Options. Options may be cancelled without shareholder approval, provided that no consideration is issued for the cancellation. By cancelling the Consideration Shares issued to Mark Barnaba AM, Shareholders are put in the same position they otherwise would have been in, but for the technical breach of Listing Rule 6.23.3. The Directors also believe that the proposed capital reduction will not materially prejudice the Company's ability to pay its creditors as no cash consideration was paid for the issue of the Shares. Therefore, the Directors consider it appropriate and necessary to cancel the Shares.

The Consideration Shares held by Mr Mark Barnaba AM comprise 0.3% of the total Shares currently on issue.

There is no information known to the Company that is material to the decision on how to vote on Resolution 1 other than what has been disclosed in this Notice or the Notice of Annual General Meeting, which is incorporated by reference into this Notice.

Pursuant to the Corporations Act, the Company may cancel the Shares 14 days after the lodgement of Resolution 1 (once the requisite Shareholder approvals have been received) with the ASIC.
