(a) Voting by proxy

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a

Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (i) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (ii) a proxy need not be a member of the Company; and
- (iii) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

(b) Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);
- (ii) if the proxy has two or more appointments that specify different ways to vote on the resolution the proxy must not vote on a show of hands;
- (iii) if the proxy is the Chair of the meeting at which the resolution is voted on the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (iv) if the proxy is not the Chair the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

(c) Transfer of non-Chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;
- (ii) the appointed proxy is not the Chair of the meeting;
- (iii) at the meeting, a poll is duly demanded on the resolution; and
- (iv) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

3. Resolution 1 - Adoption of Remuneration Report (Non-binding resolution)

3.1 Background

Pursuant to section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the financial year ended 30 June 2024 (**Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (**Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the Company's 2024 Annual Report. The Annual Report is available on the Company's website at www.gsml.com.au.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 30 June 2024.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

3.2 Regulatory Requirements

The Corporations Act provides that Resolution 1 need only be an advisory vote of Shareholders and does not bind the Directors. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote.

In addition, sections 250U and 250V of the Corporations Act sets out a "two strikes" re-election process, pursuant to which:

- (a) if, at a subsequent annual general meeting (**Later Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted are against the adoption of that remuneration report;
- (b) at the immediately preceding annual general meeting (**Earlier Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted were against the adoption of that remuneration report; and
- (c) a resolution was not put to the vote at the Earlier Annual General Meeting under an earlier application of section 250V of the Corporations Act,

then the Company must put to vote at the Later Annual General Meeting a resolution, requiring Shareholders to vote on whether the Company must hold another general meeting (**Spill Meeting**) to consider the appointment of all of the Directors at the time the Directors Report was approved by the Board who must stand for re-appointment (other than the Managing Director) (**Spill Resolution**). The Spill Resolution may be passed as an ordinary resolution.

If the Spill Resolution is passed, the Spill Meeting must be held within 90 days after the Spill Resolution is passed. All of the Company's Directors who were Directors at the time when the resolution to make the Directors' Report was passed (excluding the Managing Director of the Company who may, in accordance with the Listing Rules, continue to hold office indefinitely without being re-elected to the office) cease to hold office immediately before the end the Spill Meeting and may stand for re-election at the Spill Meeting.

At the Company's 2023 annual general meeting, less than 25% of the eligible votes cast in respect of the 2023 Remuneration Report were cast against the adoption of 2023 Remuneration Report. Accordingly, a Spill Resolution will not be put to the Meeting even if 25% or more of the votes cast in respect of the 2024 Remuneration Report are against the adoption of the 2024 Remuneration Report.

3.3 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

A voting exclusion statement for Resolution 1 has been included in the Notice of Meeting preceding this Explanatory Statement.

4. Resolution 2 – Re-election of John Terpu as Director

4.1 Background

In accordance with Listing Rule 14.5 and clause 6.1(f) of the Constitution, at every annual general meeting an election of Directors must take place.

Listing Rule 14.4 prevents a Director from holding office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

In addition, the Constitution provides that at every annual general meeting, excluding any Director who is required to retire at that meeting by virtue of having been appointed to either fill a casual vacancy or as an addition to the existing Directors, one-third of the remaining Directors must retire from office as a Director.

John Terpu

For these reasons, John Terpu retires as a Director and, being eligible, offers himself for re-election as a Director in accordance with clause 6.1(i) of the Constitution.

Mr Terpu has over twenty years of commercial and management expertise gained in a broad range of business and investment activities. He has been involved in the mining and exploration industry through the acquisition and investment of a number of strategic exploration and mining projects.

Mr Terpu was a founder of Conquest Mining which discovered the Mt Carlton mine and went on to become gold major Evolution Mining. As Chairman of Emerchants Ltd, drove that company's market capitalisation from A\$1m to over A\$150m. Mr Terpu has had no other public company directorships in the previous three years.

Further details about John Terpu are set out in the Company's 2024 Annual Report which is available at www.gsml.com.au.

4.2 Voting consequences

If Shareholders do not vote in favour of Resolution 2, Mr Terpu will not be re-elected as a Director and will retire at the conclusion of the Annual General Meeting.

If Shareholders vote in favour of Resolution 2, Mr Terpu will be re-elected as a Director.

4.3 Board Recommendation

The Directors (other than Mr Terpu) unanimously recommend that Shareholders vote in favour of Resolution 2.

5. Resolution 3 – Approval of Additional 10% Placement Facility

5.1 Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued ordinary share capital through placements over a 12-month period following the entity's annual general meeting (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company is an eligible entity as at the time of this Notice of Annual General Meeting and is expected to be an eligible entity as at the time of the annual general meeting.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility.

If Resolution 3 is passed the exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 5.2(d) below). The Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the Additional 10% Placement Facility to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the annual general meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Company is seeking a mandate to issue securities under the Additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

5.2 Regulatory Requirements

In compliance with the information requirements of Listing Rule 7.3A, Shareholders are advised of the following information:

(a) Issue Period

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule 7.1A from the date of the Meeting until the earlier of the following to occur:

- (i) the date that is 12 months after the date of the Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(Additional 10% Placement Period).

The Company will only issue and allot Equity Securities during the Additional 10% Placement Period.

(b) Minimum Issue Price

Equity Securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue two classes of quoted Equity Securities, Shares and listed Options.

The issue price of Equity Securities issued under the Additional 10% Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were conducted immediately before:

- (i) the date on which the Equity Securities are issued; or
- (ii) the date on which the price of Equity Securities is agreed, provided that the issue is thereafter completed within 10 trading days.

(c) **Purpose of Issues**

The Company may seek to issue the Equity Securities to raise funds in connection with continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 3.10.3 and 7.1A.4.

(d) **Dilution**

As at the date of this Notice of Annual General Meeting, the Company has 846,583,698 Shares on issue. Accordingly, if Shareholders approve Resolution 3, the Company will have the capacity to issue approximately 84,658,370 Equity Securities under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

(A x D) – E

A = the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- (i) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17,
- (ii) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4,
- (iii) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (A) the agreement was entered into before the commencement of the relevant period; or
 - (B) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4,
- (iv) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or 7.4,
- (v) plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- (vi) less the number of fully paid ordinary securities cancelled in the relevant period;

D = 10%

E = the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4; and

“relevant period” is the 12 months immediately preceding the date of the issue or agreement.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below (in the case of listed Options, only if those listed Options are exercised). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice of Annual General Meeting.

The table also shows:

- (i) two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable "A" Number of Shares on Issue	Issue Price (per Share)	Dilution		
		\$0.01	\$0.019	\$0.038
		50% decrease in Issue Price	Issue Price	100% increase in Issue Price
846,583,698	10% Voting Dilution	84,658,369	84,658,369	84,658,369
(Current number of Shares on Issue)	Funds Raised	\$804,255	\$1,608,509	\$3,217,018
1,269,875,547	10% Voting Dilution	126,987,555	126,987,555	126,987,555
(50% increase in Shares on issue)	Funds Raised	\$1,206,382	\$2,412,764	\$4,825,527
1,693,167,396	10% Voting Dilution	169,316,740	169,316,740	169,316,740
(100% increase in Shares on issue)	Funds Raised	\$1,608,509	\$3,217,018	\$6,434,036

The table has been prepared on the following assumptions:

- (i) Variable A is 846,583,698 being the number of ordinary securities on issue at the date of this Notice of Annual General Meeting.
- (ii) The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.

- (iii) No Options (including any listed Options issued under the Additional 10% Placement Facility) or performance rights are exercised into Shares before the date of issue of the Equity Securities.
- (iv) The Company has not issued any other Equity Securities using its placement capacity under Listing Rule 7.1 or 7.1A in the 12 months preceding this Notice of Annual General Meeting.
- (v) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (vi) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (viii) The issue of Equity Securities under the Additional 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes listed Options, it is assumed that those listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (ix) The issue price is \$0.019, being the closing price of the Shares on ASX on 1 October 2024, being the last trading day before the date of this Notice of Annual General Meeting was prepared.

(e) **Allocation Policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the persons to which the Company will issue the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The persons to whom the Company will issue Equity Securities under the Additional 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or Associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the persons to whom the Company will issue Equity Securities under the 10% Placement Facility will be the vendors of the new resources, assets or investments.

(f) **Previous issues of Equity Securities under Listing Rule 7.1A**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2023 Annual General Meeting held on 22 November 2023.

Listing Rule 7.3A.6 requires the Notice of Meeting to include details of the total number of Equity Securities issued under Listing Rule 7.1A.2 by the Company in the 12 months preceding the date of the Meeting and the percentage they represent of the total number of Equity Securities on issue at the commencement of that 12-month period. During that 12-month period, the Company 61,900,000 Equity Securities under Listing

Rule 7.1A which represents 8.2% of the total number of Equity Securities on issue at the commencement of that 12-month period.

Details of the Equity Securities issued in the 12-month period are outlined in Schedule 2 to this Notice of Annual General Meeting.

(g) **Voting exclusion statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of the Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under ASX Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded in accordance with the voting exclusion statement.

5.3 Board Recommendation

The Board believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Board unanimously recommends that Shareholders approve Resolution 3.

6. Resolution 4 - Increase in Maximum Number of Equity Securities to be Issued under Long Term Incentive Plan

6.1 Background

At the Company's annual general meeting on 22 November 2023, the Company obtained Shareholder approval to adopt the new "Great Southern Mining Limited Long-Term Incentive Plan" (**New Plan**). In accordance with the requirements of Listing Rule 7.2 Exception 13(b), the notice of annual general meeting for approval of the New Plan stipulated that a maximum of 50,000,000 securities would be issued under the New Plan (**Current Maximum**).

Since adoption of the New Plan in November 2023, the Company has issued a total of 28,000,000 securities thereunder. Accordingly, the maximum number of securities that may be issued under the New Plan may be met in the future. Accordingly, the Company now seeks Shareholder approval to increase the maximum number of securities to up to 80,000,000 (**New Maximum**) and issue further securities under the New Plan in accordance with the New Maximum.

6.2 Regulatory Requirements

Listing Rule 7.1 provides that, unless an exception applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves, or when aggregated with the Equity Securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 Exception 13(b) sets out an exception to Listing Rule 7.1. It provides that issues of securities under an employee incentive scheme are not included in a company's 15% limit under Listing Rule 7.1, if within three years before the date of issue, shareholders have approved the issue of securities thereunder as an exception to Listing Rule 7.1. As the Company may meet the Current Maximum, it must obtain Shareholder to be able to issue further securities under the New Plan above the Current Maximum. Accordingly, Resolution 4 seeks approval from Shareholders to issue further securities under the New Plan up to the New Maximum.

If Resolution 4 is passed, the Company will be able to issue securities up to the New Maximum under the New Plan to eligible participants over a period of three years from the date of the Meeting without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12-month period.

If Resolution 4 is not passed, the issue of further securities under the New Plan above the Current Maximum will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the securities. Accordingly, the Company will no longer be able to utilise the exception to Listing Rule 7.1 that is provided in Listing Rule 7.2 Exception 13(b).

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues securities under the New Plan to a related party or a person whose relationship with the Company or the related party, is in ASX's opinion, such that Shareholder approval should be obtained.

6.3 Technical information required by Listing Rule 7.2 Exception 13(b)

The following information is provided to Shareholders for the purpose of Listing Rule 7.2 Exception 13(b):

(a) **Summary of the material terms of the New Plan**

A summary of the material terms of the New Plan is set out in Schedule 3.

(c) **Maximum number of securities to be issued**

The revised maximum number of securities proposed to be issued under the New Plan following Shareholder approval is 80,000,000. This number is not intended to be a prediction of the actual number of Equity Securities to be issued by the Company, simply a ceiling for the purposes of Listing Rule 7.2 Exception 13(b).

(d) **Voting exclusion statement**

A voting exclusion statement for Resolution 4 is included in the Notice of Meeting preceding this Explanatory Statement.

6.4 Board Recommendation

Schedule 3 – Material terms of the Long-Term Incentive Plan

The material terms of the New Plan, under which eligible persons may be granted performance rights, Options and Shares (**Awards**) are summarised below:

- (A) (**Eligibility**): The Board may, in its absolute discretion, invite an “Eligible Person” to participate in the New Plan. An “Eligible Person” means a person that is a “primary participant” (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an associated body corporate and has been determined by the Board to be eligible to participate in the New Plan from time to time.
- (B) (**Offer**): Following determination that an Eligible Person may participate in the New Plan, the Board may make an offer to that person by an offer letter setting out the terms of the offer and any Conditions which may apply to the offer or the Awards (**Offer Letter**).
- (C) (**Issue cap**): Unless the Company is unlisted or the Company constitution provides otherwise, the Company must not make an offer of Awards for monetary consideration under the New Plan, where the total number of Shares to be issued under the New Plan (**New Plan Shares**) (or that will be issued upon conversion of convertible securities to be issued), when aggregated with the number of Plan Shares that may be issued as a result of offers made under the New Plan, at any time during the previous three year period, would exceed 5% of the total number of Shares on issue at the date of the offer.

The New Plan does not contain an issue cap on the number of Awards that may be issued for no monetary consideration.

- (D) (**Disclosure**): All offers of Awards under the New Plan for no monetary consideration are made pursuant to Division 1A of Part 7.12 of the Corporations Act and accordingly the Company will not issue a disclosure document for such an offer.

If the Company makes an offer to issue Awards under the New Plan for monetary consideration, the Company will comply with the disclosure requirements in Division 1A of Part 7.12 of the Corporations Act.

- (E) (**Nature of Awards**): Each option or performance right entitles the holder, to subscribe for, or be transferred, 1 Share. Any Shares acquired as an Award or pursuant to the exercise of an Award will rank equally with all existing Shares from the date of acquisition.
- (F) (**Vesting**) Awards may be subject to exercise conditions, performance hurdles or vesting conditions (**Conditions**). These Conditions must be specified in the Offer Letter to Eligible Persons. In the event that a takeover bid for the Company is declared unconditional, there is a change of control in the Company, or if a merger by way of a scheme of arrangement has been approved by a court, then the Board may determine that:
 - (1) all or a percentage of unvested options will vest and become exercisable;
 - (2) all or a percentage of performance rights will be automatically exercised; and
 - (3) any Shares issued or transferred to a holder under the New Plan that have restrictions (on their disposal, the granting of any security interests in or over, or otherwise on dealing with), will be free from any restrictions on disposal.

- (G) (**Exercise Period**): The period during which a vested Award may be exercised will commence when all Conditions have been satisfied, waived by the Board, or are deemed to have been satisfied under the rules of the New Plan and the Company has issued a vesting notification to the holder, and ends on the Expiry Date (as defined at (J)(4) below).

- (H) (**Disposal restrictions**): Awards granted under the New Plan may not be assigned, transferred, novated, encumbered with a security interest (such as a mortgage, charge, pledge, lien, encumbrance or other third party interest of any nature) over them, or otherwise disposed of by a holder, other than to a nominated party (such as an immediate family member, trustee of a trust or company) in accordance with the New Plan, unless:

- (1) the prior consent of the Board is obtained; or
- (2) such assignment or transfer occurs by force of law upon the death of a holder to the holder's legal personal representative.

- (I) **(Cashless exercise):** Option holders may, at their election, elect to pay the exercise price for an option by setting off the exercise price against the number of Shares which they are entitled to receive upon exercise of the option (**Cashless Exercise Facility**). By using the Cashless Exercise Facility, the option holder will receive Shares to the value of the surplus after the exercise price has been set off.

If an option holder elects to use the Cashless Exercise Facility, the option holder will only be issued that number of Shares (rounded down to the nearest whole number) as are equal to the value of the difference between the exercise price otherwise payable for the options and the then market value of the Shares at the time of exercise (determined as the volume weighted average price on ASX over the five trading days prior to providing a notice of exercise).

- (J) **(Lapse):** Unvested Awards will generally lapse on the earlier of:

- (1) the cessation of employment, engagement or office of the holder;
- (2) the day the Board makes a determination that all unvested Awards and vested options of the holder will lapse because, in the opinion of the Board the holder has acted fraudulently or dishonestly, or is in material breach of his or her duties or obligations to the Company;
- (3) if any applicable Conditions are not achieved by the relevant time;
- (4) if the Board determines that any applicable Conditions have not been met and cannot be met prior to the date that is 5 years from the grant date of an Award or any other date determined by the Board and as specified in the Offer (**Expiry Date**); or
- (5) the Expiry Date.

Where a holder of Awards ceases to be employed or engaged by the Company and is not a "Bad Leaver" (as that term is defined in the New Plan), and the Awards have vested, they will remain exercisable until the Awards lapse in accordance with the New Plan rules or if they have not vested, the Board will determine as soon as reasonably practicable after the date the holder ceases to be employed or engaged, how many (if any) of those holder's Awards will be deemed to have vested and exercisable.

Where a holder becomes a "Bad Leaver" (as that term is defined in the New Plan), all Awards, unvested or vested, will lapse on the date of the cessation of employment, engagement or office of that holder.
