EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022, together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.horizongold.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – JAMES SULLIVAN

3.1 General

ASX Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

James Sullivan, who has served as a director since 9 April 2020 and was last re-elected on 12 November 2020, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr Sullivan has over 30 years' experience in commerce, providing services to the mining and allied industries. This includes over 15 years in corporate roles with ASX-listed mining and exploration companies, including the successful IPO of Kumarina Resources Limited (now Zeta) in November 2011.

Mr Sullivan is currently a non-executive director of the GME Resources Limited (ASX:GME) having stepped down as Managing Director in October 2022. Mr Sullivan has been a director of GME since 2006 including the role as Managing Director from 2006 – 2008 and 2012 - 2022.

Previous roles include Executive Director of Kumarina Resources Limited and Bligh Resources Limited, both of which held gold projects in the North Eastern Goldfields of Western Australia.

3.3 Board recommendation

The Directors (excluding Mr James Sullivan) support the re-election of Mr James Sullivan and recommend that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – PETER VENN

4.1 General

ASX Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Peter Venn, who has served as a director since 31 August 2016 and was last re-elected on 12 November 2020, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Mr Venn is a geologist with more than 32 years' resources industry experience and achievement. He has established and led highly successful teams and been closely involved in the exploration, acquisition, evaluation, and development of more than 10 mining operations, including Syama, Golden Pride, Obotan in Africa and Ravenswood, Chalice, Higginsville, Marymia and Mertondale in Australia.

His most recent managerial positions have been as Technical and Managing Director of Margosa Graphite Limited, an explorer and emerging producer of high grade vein graphite in Sri Lanka, and Chief Business Development Officer with Resolute Mining Limited, where his role included supervision of all technical aspects of exploration, resource development, feasibility, and oversight during design/construction/commissioning of a 1.5Mtpa Oxide Processing Facility at the Syama Gold Project in Mali, West Africa.

Since July 2021 Mr Venn has also been Non-executive Director of Rumble Resources Limited.

4.3 Board recommendation

The Directors (excluding Mr Venn) support the re-election of Mr Venn and recommends that Shareholders vote in favour of Resolution 3.
