**About Intiger Group Limited**

The business of **Intiger Group Limited (ASX: IAM)**, was founded by experienced investment banking and financial services executive Mark Fisher and operates an Australian software development house dedicated to supporting professional Financial Planners to meet the needs of their clients. Intiger does this by reducing the back office and operational costs within the Australian financial planning industry. Working with Australian Financial Services Licensees and their advisers, the Intiger Group has developed and launched proprietary software platform BOOM2, which has been designed to digitise and automate core components of the financial planning process including the production of automated statements of advice. BOOM2 also tracks key performance indicators of a financial planning practice and delivers oversight and control to both licensees and financial planning practices nationally.
