# Strategic Direction

JCurve Solutions has embarked on a sustained period of business growth aiming to increase revenues, diversify market offerings, expand geographical territories and invest in our people to increase the value provided to customers and achieve an order of magnitude lift in long term shareholder value.

This strategic direction has seen a strong improvement in the financial profitability and financial stability over the past 24 months with the Company achieving significant growth in revenue (27%) and operating cash flows (234%) while our market capitalisation has increased by 700% (\*).

The Company's three core stated strategic priorities (investing to grow the ERP Business, maximising value from the TEMS business and diversification) remained at the forefront of our operational and strategic initiatives in FY2018 and solid progress was made for each.
