VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and

- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (ie as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (ie as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - o the proxy is not recorded as attending the meeting; or
 - o the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **non-binding resolution**:

However, a person (the **voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (b) the voter is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

3. RESOLUTION 2 – SPILL RESOLUTION

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

Dated: 8 October 2024

By order of the Board

Matthew Foy

Company Secretary

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.lanthanein.com/annual-reports/>

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the Company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

The Company's Remuneration Report received a Strike at the 2023 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that this may result in the re-election of the Board pursuant to Resolution 2.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy. You must direct your proxy how to vote on this Resolution.

Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member). You *do not* need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, the Proxy Form expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.

If you appoint any other person as your proxy.

You do not need to direct your proxy how to vote on this Resolution.

2.5 Additional Information

Resolution 1 is a non-binding ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

3. RESOLUTION 2 – SPILL RESOLUTION

3.1 General

If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw this Resolution. Section 250V(1) of the Corporations Act requires Resolution 2 to be put to vote as set out in Section 2.2.

If more than 50% of Shareholders vote in favour of this Spill Resolution, the Company must convene a Spill Meeting within 90 days of this Meeting. All of the Directors who were in office when the relevant Directors' Report was approved, other than the Managing Director (if any), cease to hold office immediately before the end of the Spill Meeting. Resolutions to appoint persons to offices that will be vacated immediately before the end of the Spill Meeting will be put to the vote at the Spill Meeting.

Shareholders should be aware that the convening of a Spill Meeting will result in the Company incurring material additional expense in conducting a meeting (including legal, printing, mail out and registry costs) as well as potential disruption to its focus on core business operations as a result of management distraction, the time involved in organising such a meeting and the diversion of resources.

Moreover, Shareholders should note that there are no voting exclusions applicable to resolutions appointing Directors at any subsequent meeting of Shareholders. This would mean there is no barrier to the existing major Shareholders of the Company exercising their voting rights to reappoint the existing Directors of the Company without any changes to the composition of the Board.

In the Board's view it would be inappropriate to remove all of the non-executive Directors in the circumstances. However, the Board recognises that Shareholders can remove a Director by a majority Shareholder vote at any time for any reason.

As a public company is required to have a minimum of three directors, the Corporations Act includes a mechanism to ensure that the Company will have at least three directors (including the Managing Director (if any)) after the Spill Meeting. If at the Spill Meeting, three Directors are not appointed by ordinary resolution, the persons taken to be appointed are those with the highest percentage of votes favouring their appointment cast at the Spill Meeting on the Resolution for their appointment (even if less than half the votes cast on the Resolution were in favour of their appointment).

3.2 Additional information

Given the personal interests of all Vacating Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR BRIAN THOMAS

Clause 12.3(b) of the Constitution provides that:

There must be an election of Directors at each annual general meeting of the Company. This can be satisfied by one or more of the following so long as the maximum number of Directors under article 12.1 is not exceeded:

- (i) a person standing for election as a new Director having nominated in accordance with article 12.6;
- (ii) any Director who was appointed under article 12.7 standing for election as a Director;
- (iii) any Director who is retiring at the end of the annual general meeting due to the tenure limitation in article 12.3(a), standing for re-election; or
- (iv) if no person or Director is standing for election or re-election in accordance with paragraphs (i), (ii) or (iii), then the Director who has been a Director the longest without re-election must retire and stand for re-election. If 2 or more Directors have been a Director the longest and an equal time without re-election, then in default of agreement, the Director to retire will be determined by ballot.

This article 12.3 only applies while the Company is on the official list of ASX.

Mr Thomas was last elected as a Director on 10 November 2022. Pursuant to article 12.3(b)(iv) of the Constitution, Mr Thomas, being eligible, retires by rotation and seeks re-election.

The details of Mr Thomas' qualifications, experience and suitability as a director are available in the Company's Annual Report.

The Board (other than Mr Thomas) unanimously supports the re-election of Mr Thomas.

5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.1A provides that an Eligible Entity may seek shareholder approval by way of a special resolution passes at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity that is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes as its market capitalisation as at 1 October 2024 was approximately \$7.3 million.

Resolution 4 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Shareholders approve Resolution 4, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out below).

The effect of passing Resolution 4 will be to allow the Company to issue Equity Securities up to a combined limit of 25% pursuant to Listing Rules 7.1 and 7.1A without any further shareholder approval. If Resolution 4 is passed the Company will be permitted to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to a maximum of 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders entitled to vote on the Resolution must be in favour of Resolution 4 for it to be passed.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

5.2 **ASX Listing Rule 7.1A**

Listing Rule 7.3A.1: A statement of the period for which the approval will be valid.

Equity securities under the Additional Placement Capacity may be issued until the earlier of:

- the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- the time and date of the entity's next annual general meeting; or
- the time and date of the approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or 11.2.

Listing Rule 7.3A.2: A statement of the minimum price at which the equity securities may be issued under rule 7.1A.2.

Pursuant to ASX Listing Rule 7.1A.3 the issue price for each security issued under the Additional Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

Equity securities that may be issued under listing rule 7.1A will only be in an existing quoted class of securities.

Listing Rule 7.3A.3: A statement of the purposes for which the funds raised by an issue of equity securities under rule 7.1A.2 may be used.

The Company may only issue equity securities under the Additional Placement Capacity for cash consideration to raise funds for the development of the Company's existing assets, the acquisition of new assets or investments (including assets associated with such acquisition), to repay debt or to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any equity securities under the Additional Placement Capacity.

Listing Rule 7.3A.4: A statement of the risk of economic and voting dilution to existing ordinary security holders that may result from an issue of equity securities under rule 7.1A.2 including the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the approval under rule 7.1A; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Table 1 below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 on the basis of the current market price of Shares and the current number of ordinary securities quoted on ASX for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.002 50% decrease in Issue Price	\$0.003 Current Issue Price	\$0.005 50% increase in Issue Price
2,443,636,128 (Current)	10% voting dilution	244,363,612 Shares	244,363,612 Shares	244,363,612 Shares
	Funds raised	\$366,545	\$733,091	\$1,099,636
3,665,454,192 (50% increase)	10% voting dilution	366,545,419 Shares	366,545,419 Shares	366,545,419 Shares
	Funds raised	\$549,818	\$1,099,636	\$1,649,454
4,887,272,256 (100% increase)	10% voting dilution	488,727,225 Shares	488,727,225 Shares	488,727,225 Shares
	Funds raised	\$733,091	\$1,466,182	\$2,199,273

The table also shows:

- (i) two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the current market price.

The above table is based on the following assumptions:

- The number of shares on issue (Variable “A”) is calculated as 2,443,636,128 being all the fully paid ordinary shares on issue as at the date of this Notice.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The issue of equity securities under the Additional Placement Capacity includes only Shares.
- The issue price of \$0.003 was the closing price of shares on ASX 1 October 2024.

Listing Rule 7.3A.5: Details of the eligible entity’s allocation policy for issues under rule 7.1A.2.

The Company’s allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from the Company’s advisors.

As the Company has no current plans to undertake a new capital raising using its additional 10% placement capacity, the allottees under the Additional Placement Capacity have not yet been determined but if such an exercise was undertaken, allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

Listing Rule 7.3A.6: If the eligible entity has issued or agreed to issue any equity securities under rule 7.1A.2 in the 12 months preceding the date of the meeting details of such issues.

The Company previously sought and obtained shareholder approval under Listing Rule 7.1A at the immediately prior Annual General Meeting held 10 November 2022.

In accordance with Listing Rule 7.3A.6, in the 12 months preceding the date of this meeting, the Company issued 98,157,500 ordinary shares pursuant to ASX Listing Rule 7.1A.2 representing

13.5% of the total number of equity securities on issue from the commencement of the last approval of Listing Rule 7.1A.

The Equity Securities issued in the preceding 12 month period meeting pursuant to ASX Listing Rule 7.1A comprised those issues as set out in **Annexure A**.

Listing Rule 7.3A.7: If at the time of dispatching the notice the entity is proposing to make an issue of equity securities under rule 7.1A.2, a voting exclusion statement.

A voting exclusion statement has not been included in this Notice because as at the date of this Notice the Company has not approached any particular investor to participate in an issue of equity securities under the Additional Placement Capacity. No existing Shareholders' votes will therefore be excluded under the voting exclusion in the Notice. When the Company issues equity securities pursuant to the Additional Placement Capacity, it will give to ASX:

- a list of the allottees of the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- the information required by Listing Rule 3.10.5A for release to the market.

5.3 Directors' Recommendation

The Directors believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of Resolution 4.

ANNEXURE A – SUPPLEMENTARY INFORMATION FOR RESOLUTION 4

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
