

Lynas Rare Earths to acquire Meteoric Resources

Lynas Rare Earths Ltd (ASX: LYC, OTCQX: LYSDY, LYSCF) (“Lynas”) and Meteoric Resources Limited (ASX:MEI, OTCQB: METOF) (“Meteoric”) are pleased to announce that they have entered into a binding Scheme Implementation Deed (“SID”) under which it is proposed that Lynas will acquire 100% of the shares in Meteoric by way of a Court-approved scheme of arrangement under Part 5.1 of the Corporations Act 2001 (Cth) (“Scheme”).

The transaction brings Meteoric’s flagship Caldeira Rare Earth Project (“Caldeira”) and Brazilian expertise together with Lynas’ existing industry leading operations.

Transaction Summary

- All-share consideration from Lynas is highly compelling and mutually beneficial:
 - Complements Lynas’ existing operations in Western Australia and Malaysia;
 - Diversifies and adds resource for Lynas through Meteoric’s Caldeira, the largest known ionic clay JORC rare earth oxide (“REO”) Mineral Resource outside China¹ containing both light and heavy rare earth elements. The Project has a completed definitive feasibility study (“DFS”)² and is located in the world class mining jurisdiction of Minas Gerais, Brazil; and
 - Meteoric shareholders benefit from a significant control premium and unlocking of Caldeira’s value through Lynas’ strong balance sheet and proven experience in developing and operating rare earth projects, while also receiving immediate exposure to the only commercial producer and supplier of light and heavy rare earth oxides outside of China. Lynas’ ownership also brings opportunities to develop downstream processing in Brazil.
- Transaction supports Lynas’ *Towards 2030* growth pillar to ‘add resource and scale’ and is expected to be accretive to Lynas across a range of key metrics including net asset value (“NAV”), Mineral Resources and Ore Reserves and future feedstock capacity of NdPr and DyTb^{1, 2, 3, 4}.
- Caldeira has the potential to make a significant contribution to Lynas by:
 - Diversifying Lynas’ resource base from one to two tier-1 resource bodies, one hard rock and one ionic clay;
 - Contributing an estimated 802kt of NdPr oxides and 41kt of DyTb oxides within Meteoric’s reported Mineral Resources¹;
 - Increasing Lynas’ reported Measured and Indicated TREO Mineral Resources by approximately 79% and reported Ore Reserve by approximately 26%^{1, 3} on a pro forma arithmetic basis;
 - Adding the potential for an average annual production of approximately 3,862 tonnes of NdPr and 127 tonnes of DyTb over Caldeira’s life-of-mine, based on Meteoric’s DFS production target², at a competitive cost base;
 - Potential to integrate into Lynas’ existing and industry leading downstream operations in Malaysia, complementing the Lynas Advanced Materials Plant in Kuantan; and
 - Affording the potential to develop downstream processing in Brazil, a supportive and well established mining jurisdiction.
- Following implementation, Lynas intends to work with Meteoric’s existing team to advance development of Caldeira. Lynas values the deep in-country experience and relationships which the Meteoric team brings.
- The exchange ratio of 0.0207 Lynas shares per Meteoric share implies an equity deal value of A\$968m on a fully diluted and 60-day Lynas VWAP basis⁵. The exchange ratio also implies:

¹ Refer to Meteoric’s ASX announcement “Measured Resources Grow 246% to 128Mt” released on 9 July 2026 for Meteoric’s Mineral Resource and Ore Reserves. 802kt of NdPr and 41kt of DyTb refer to Measured, Indicated and Inferred Mineral Resource. Increase in Mineral Resource expressed on a Measured and Indicated basis.

 - A\$0.316 per Meteoric share, being a 64.2% premium to Meteoric's 60-day VWAP of A\$0.193⁸.
- The Meteoric Board has unanimously recommended the Scheme in the absence of a Superior Proposal (as defined in the SID) emerging and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Meteoric shareholders.
 - All of the directors of Meteoric's Board (who together hold 2.6% of Meteoric's ordinary shares outstanding) have confirmed their intention to vote in favour of the Scheme, subject to those same qualifications.
 - Tolga Kumova, Meteoric's largest shareholder, and his associated entities, which together currently hold approximately 6.7% of Meteoric's issued shares⁹, have confirmed their intention to vote all Meteoric shares held or controlled by them at the time of the Scheme Meeting in favour of the Scheme in the absence of a Superior Proposal emerging and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Meteoric shareholders.

Commenting on the Scheme, Lynas Rare Earths' Board Chair, Prof John Humphrey, said:

"Lynas is very pleased with the potential to bring together the Caldeira deposit which is the largest known ionic clay rare earth Mineral Resource outside China reported in accordance with the JORC Code, and Lynas' high grade Mt Weld deposit and leading rare earth operations. This will deliver on our Towards 2030 growth objective of adding resource and scale. Expanding our operations into a new country will help Lynas maintain its leading position in the global rare earths supply chain and meet increased customer demand for rare earth materials."

"Brazil is a well-established and supportive mining jurisdiction and its rare earth reserves are the largest outside China. We have enjoyed getting to know Andrew and his team and congratulate Meteoric on their achievements to date, including extensive knowledge of the ore body and ionic clays, the integration of sustainability initiatives into project design, and the completion of a technically robust DFS. With Lynas' proven expertise and strong balance sheet, we will continue this excellent work with the local team, the Government of Brazil and local communities to achieve the Project's full potential," Prof John Humphrey continued.

"We look forward to welcoming Meteoric's shareholders to the Lynas share register and continuing to build value for all shareholders."

Meteoric Executive Chair, Dr Andrew Tunks, added:

"I am very proud that the work of our team has attracted a partner of Lynas Rare Earths' calibre to Caldeira. This project has been progressed with an intensive focus on the fundamentals: drilling, geological understanding, metallurgical recoveries and test work, including from our own pilot plant. That discipline is why Caldeira stands where it does today: an orebody that is high grade, highly recoverable, low in capital intensity, low in operating cost, and highly scalable. Meteoric has a great team of people who have developed significant intellectual property on this ionic clay project."

"We have worked hand in hand with our host communities, Indigenous stakeholders, and government at the municipal, state and federal levels. As part of this transaction, Lynas has engaged directly with the Federal Government and BNDES to ensure no delay in the development of Caldeira."

"The efforts of the Meteoric team have culminated in Lynas, one of the world's leading rare earths companies, validating the quality of the Project through the proposed transaction, which will allow our shareholders to gain access to Lynas' skills and capabilities. Through this process, I have built a strong relationship with John Humphrey and the Lynas senior leadership team, and have the greatest confidence in Lynas' ability to deliver. Lynas brings technical expertise, global credibility and balance sheet strength to fast-track the development of Caldeira. Together we see a long future leading the development and industrialisation of the rare earths industry in Brazil."

Strategic Rationale

The Scheme is expected to deliver significant value for Lynas shareholders including:

- Delivers on Lynas' Towards 2030 'add resource and scale' growth pillar, diversifying Lynas from one high quality and high-

grade Mineral Resource to two;

- Combines Lynas' world-class Mt Weld deposit and technical know-how with Meteoric's Brazilian expertise and the world's largest known ionic clay rare earth Mineral Resource outside China reported in accordance with the JORC Code;
- Accretive across a range of key metrics including NAV, Mineral Resources and Ore Reserves, and adds future feedstock capacity of NdPr and DyTb1·2·3;
- Located in the attractive mining jurisdiction of Minas Gerais, Brazil, with government support and regulatory framework to develop the local rare earth industry; and
- All-share transaction structure maintains Lynas' strong net cash and liquidity position and ensures it remains well capitalised to fund the development of Caldeira as well as other growth initiatives.

The benefits of the Scheme to Meteoric shareholders include:

- Immediate upside through the delivery of an attractive premium to recent trading prices in Meteoric;
- Ongoing exposure to the development of Caldeira through holding shares in Lynas, with Meteoric shareholders representing ~5.9% of the pro forma entity on a fully diluted basis;
- Development of Caldeira significantly derisked and value unlocked given access to:
 - Lynas' strong balance sheet with A\$1.2bn cash and short term deposits¹⁰ on hand;
 - Lynas' proven experience as a producer with ongoing cashflows to support the development of Caldeira and other potential opportunities including downstream processing to add further value in Brazil; and
 - Lynas' extensive technical expertise in rare earths processing, project development skills and operating and marketing capabilities, which will complement Meteoric's existing senior management team and Caldeira expertise;
- Material diversification and broader benefits from exchanging Meteoric shares for Lynas shares, including:
 - Enhanced market positioning and inclusion in relevant ASX and global indices;
 - Larger free float, significantly increased liquidity with A\$106m of shares traded daily¹¹ and enhanced access to capital markets, with Lynas being an ASX-50 company;
- Exposure to Lynas' rare earth mining and processing expertise, including the potential to develop downstream processing in Brazil, leveraging Lynas' capability as the only commercial producer of separated light and heavy rare earth oxides outside of China.

Investment in Brazil

Lynas' acquisition of Meteoric is aligned with Brazilian government objectives to develop a sustainable rare earth industry. Lynas was established as a responsible rare earths producer and supplier of separated rare earth materials and has proven operational experience and technical expertise across two continents as well as a strong balance sheet to further advance the project's development.

Lynas' decision to invest in Meteoric and its Caldeira Project in Brazil demonstrates the importance of Brazil's rare earth industry to domestic and global rare earth supply chains. Lynas expects capital expenditure for the development of the Project to be over US\$500m¹².

Lynas will undertake studies on the potential for additional downstream processing in Brazil, in line with Brazil's economic and sustainability objectives.

Funding

The all-share Scheme consideration maintains Lynas' strong existing balance sheet and liquidity position to ensure it remains well capitalised to fund its growth strategy, including the future development of Caldeira as well as other *Towards 2030* growth initiatives.

In connection with the Scheme, Lynas has agreed to provide Meteoric with an interim funding facility of up to A\$110m to fund the continued development of the Caldeira Project, transaction and implementation costs and Meteoric's working capital requirements during the Scheme process ("Loan Facility").

An initial tranche of A\$35 million is to be made available following execution of the SID, with the remaining funding to be made

¹⁰ As of 30 June 2026. Refer to ASX announcement "Appendix 4E and 2026 Annual Report" released on 26 August 2026.

¹¹ 12-month average daily traded volume of ~6 million shares as at 30 September 2026.

available subject to satisfaction of certain conditions. The Loan Facility is unsecured. Timing of repayment of the facility will be a function of the circumstances in which the Scheme process concludes. The parties expect to enter into definitive facility documentation regarding the further tranche of funding shortly after execution of the SID. Further details of the Loan Facility will be included in the Scheme Booklet.

Meteoric Resources Board and Voting Intention

The Board of Meteoric unanimously supports the Scheme and has unanimously recommended that Meteoric shareholders vote in favour of the Scheme, in the absence of a Superior Proposal emerging and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Meteoric shareholders. Subject to those same qualifications, each member of the Meteoric Board (representing 2.6% of Meteoric's ordinary shares outstanding) intends to vote all Meteoric shares held or controlled by them in favour of the Scheme.

Tolga Kumova, Meteoric's largest shareholder, and his associated entities, which together currently hold approximately 6.7% of Meteoric's ordinary shares outstanding, have confirmed their intention to vote all Meteoric shares held or controlled by them at the time of the Scheme Meeting in favour of the Scheme, in the absence of a Superior Proposal emerging and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Meteoric shareholders. Tolga Kumova and his associated entities have reserved the right to sell, transfer, dispose of, lend or otherwise deal with any Meteoric shares before the Scheme Meeting. Accordingly, the number of Meteoric shares held or controlled by them at the Scheme Meeting may differ from their current holding. Any shares held or controlled by them at the Scheme Meeting will be voted in accordance with the voting intention described above.

Overview of the Scheme

Under the terms of the Scheme, Lynas will acquire 100% of the issued shares in Meteoric at a fixed exchange ratio of 0.0207 new Lynas shares for each Meteoric share. Upon implementation of the Scheme, Meteoric shareholders will own approximately ~5.9% of all issued Lynas shares on a fully diluted basis. Meteoric and Lynas have agreed principles for the treatment of Meteoric's outstanding options, performance rights and other rights to acquire Meteoric shares. Those securities and rights will be dealt with in accordance with their terms, the SID and as otherwise agreed by Meteoric and Lynas so that, following implementation, they will not entitle their holders to acquire Meteoric shares or dilute Lynas' ownership of Meteoric.

The Scheme is subject to certain conditions, including:

- an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Meteoric shareholders;
- customary conditions, including receipt of regulatory approvals (including approval by the Brazilian National Council for the Industrialisation of Critical and Strategic Minerals for the change in control in Meteoric)¹³ and no material adverse change or prescribed events occurring in respect of either Lynas or Meteoric;
- approval by Meteoric shareholders at a meeting of shareholders to vote on the Scheme ("Scheme Meeting"). For the Scheme to proceed, the resolutions at the Scheme Meeting must be approved by at least 75% of all votes cast by Meteoric shareholders and a majority by number of all Meteoric shareholders present and voting (in person or by proxy) at the Scheme Meeting; and
- the requisite Court approvals.

The SID contains customary exclusivity obligations, including "no shop, no talk" provisions, notification obligations and a matching right regime in the event any Superior Proposal emerges for Meteoric. The SID also details circumstances under which a break fee may be required to be paid by both parties. Full details of the terms and conditions of Scheme are set out in the SID, a copy of which is attached as Appendix A to this announcement.

Indicative timetable

Meteoric intends to dispatch a Scheme Booklet containing further information in relation to the Scheme to Meteoric shareholders in December 2026.

The Scheme Meeting is expected to be held in January 2027 and, if approved by Meteoric shareholders and the Court, and the relevant Brazilian regulatory approval is obtained, the Scheme is expected to be implemented by March 2027.

These are indicative timelines only and subject to change. Lynas and Meteoric will keep the market informed of any material developments relating to the Scheme in accordance with their respective continuous disclosure requirements.

Amendment to Togni Agreement

In addition to the Scheme, Meteoric also announces that it has agreed an amendment to its arrangements with Togni S/A –

¹³ Law No.15,506/2026 was recently introduced in Brazil and requires approval for transactions involving a change in control of certain companies holding mining rights related to critical and strategic minerals.

Materiais Refratários (“Togni”) relating to the Caldeira Project (“Togni Agreement”). The Togni Agreement was originally announced to ASX on 16 December 2022, with definitive terms announced to ASX on 13 March 2023. It was most recently amended as announced to ASX on 29 April 2026. Under the Togni Agreement, Togni S/A – Materiais Refratários provides Meteoric with the exclusive right to explore, develop and mine rare earth materials at Caldeira. Under the previous terms of the Togni Agreement, if extraction, processing and production at Caldeira had not commenced by April 2031, Togni was able to terminate the arrangements. The amendment extends this period by two years, to April 2033.¹⁴

- (c) **(conduct of approval process)** Clauses 3.4(g)(ii), 3.4(h) and 3.4(j)(ii) apply to the conduct of obtaining the Brazilian Change of Control Approval mutatis mutandis.
- (d) **(conditions imposed by a Brazilian Regulatory Authority)** The Bidder:
 - (i) must take all actions reasonably necessary to obtain the Brazilian Change of Control Approval, including accepting and complying with any condition imposed by a Brazilian Regulatory Authority that is not a Materially Burdensome Condition and must not take, or omit to take, any action which causes a condition to become, or be treated as, a Materially Burdensome Condition; and
 - (ii) is not required to accept any Materially Burdensome Condition, provided that the Bidder bears the onus of establishing, acting reasonably and in good faith, that a condition proposed or imposed by a Brazilian Regulatory Authority constitutes a Materially Burdensome Condition and providing the Target, on request, with reasonable supporting analysis and information relevant to the Bidder's assessment that a condition imposed by a Brazilian Regulatory Authority is a Materially Burdensome Condition.

- (e) **(consultation as to conditions imposed)** If a Brazilian Regulatory Authority proposes a Materially Burdensome Condition, the parties must consult in good faith regarding whether:

- (i) the condition should be accepted;
- (ii) the condition may be modified, removed or narrowed; or
- (iii) alternative arrangements may be implemented to address the concerns of the relevant Brazilian Regulatory Authority,

and the Bidder must continue to use best endeavours to obtain the Brazilian Change of Control Approval unless and until it becomes apparent that the approval will only be granted subject to a Materially Burdensome Condition. For the avoidance of doubt, nothing in this clause 3.3(e) requires the Bidder to accept a Materially Burdensome Condition.

- (f) **(End Date Extension)**

- (i) If:
 - (A) a Brazilian Change of Control Approval is required; and
 - (B) the Brazilian Change of Control Approval has not been obtained by the End Date,

then the End Date may be extended by three months by agreement between the parties.

- (ii) Neither party may withhold or delay its agreement to any initial extension of the End Date if requested by the other party under paragraph (i) unless that party establishes, acting reasonably and in good faith, that the Brazilian Change of Control Approval is not reasonably likely to be obtained (without a Materially Burdensome Condition). That party must provide the other party, on request, with reasonable supporting analysis and information relevant to that assessment.

- (g) **(failure to obtain)** If:

- (i) a Brazilian Regulatory Authority finally refuses to grant the Brazilian Change of Control Approval;
- (ii) the Brazilian Change of Control Approval has not been obtained by the End Date; or
- (iii) the Brazilian Change of Control Approval will only be granted subject to a Materially Burdensome Condition and the parties have not agreed alternative arrangements addressing the relevant Brazilian Regulatory Authority's concerns by the End Date,

either party may terminate this document by written notice to the other.

3.4 Regulatory Approval matters

- (a) Where any Regulatory Approval is required, without limiting clause 3.2, each party:
 - (i) **(applying for Regulatory Approvals)** must promptly, and in any event within 7 Business Days apply for all relevant Regulatory Approvals for which it is responsible (and pay any applicable fee or filing charge) and provide each other party with a copy of those applications (provided that any commercially sensitive information may be redacted from the copy provided);
 - (ii) **(Regulatory Approvals process)** must:
 - (A) take all steps it is responsible for as part of the Regulatory Approval process; and
 - (B) provide all reasonable assistance to the party responsible for any Regulatory Approval,including responding to requests for information at the earliest practicable time;
- (b) **(keep informed)** keep the other party reasonably informed in a timely manner of progress in relation to each relevant Regulatory Approval (including in relation to any material matters raised by, or conditions or other arrangements proposed or imposed by, or to, any Regulatory Authority in relation to the Regulatory Approval);
- (c) **(representation)** has the right to be represented and make submissions at any meeting with any Regulatory Authority relating to a Regulatory Approval; and
- (d) **(consultation)** must consult with the other party in advance in relation to all communications (whether written or oral, and whether direct or via a Representative) with any Regulatory Authority relating to any Regulatory Approval and:
 - (i) provide the other party with drafts of any material written communications to be sent to a Regulatory Authority and make any amendments as the other party reasonably requires; and
 - (ii) provide copies of any material written communications sent to or received from a Regulatory Authority to the other party promptly upon despatch or receipt (as the case may be),

in each case to the extent it is reasonable to do so.

3.5 Waiver of Conditions Precedent

- (a) A Condition Precedent may only be waived in writing by the party or parties entitled to the benefit of that Condition Precedent as noted in clause 3.1 and will be effective only to the extent specifically set out in that waiver.
- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.5 may do so in its absolute discretion.

- (c) If either the Target or the Bidder waives the breach or non-fulfilment of a Condition Precedent in accordance with this clause 3.5, then:
 - (i) subject to clause 3.5(c)(ii), that waiver precludes that party from suing the other for any breach of this document arising as a result of the breach or non-fulfilment of that Condition Precedent or arising from the same event which gave rise to the breach or non-fulfilment of that Condition Precedent; but
 - (ii) if the waiver of the Condition Precedent is itself conditional and the other party:
 - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.5(c)(i); or
 - (B) does not accept the condition, the Condition Precedent has not been waived.
- (d) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:
 - (i) a waiver of a breach or non-fulfilment of any other Condition Precedent arising from the same event; or
 - (ii) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.6 Notices in relation to Conditions Precedent

Each party must:

- (a) **(notice of satisfaction)** promptly notify the other of satisfaction of a Condition Precedent and must keep the other informed of any material development of which it becomes aware that may lead to the breach or non-fulfilment of a Condition Precedent;
- (b) **(notice of failure)** immediately give written notice to the other of a breach or non-fulfilment of a Condition Precedent, or of any event which will prevent the Condition Precedent being satisfied; and
- (c) **(notice of waiver)** upon receipt of a notice given under clause 3.6(b), give written notice to the other party as soon as possible (and in any event before 5.00pm on the day before the Second Court Date) as to whether or not it waives the breach or non-fulfilment of any Condition Precedent resulting from the occurrence of that event, specifying the Condition Precedent in question.

Failure to provide a notice required under this clause 3.6 will not give rise to the failure of a Condition Precedent or any right to terminate this document.

3.7 Consultation on failure of Condition Precedent

If:

- (a) there is a breach or non-fulfilment of a Condition Precedent which is not waived in accordance with this document by the time or date specified in this document for the satisfaction of the Condition Precedent;
- (b) there is an act, failure to act or occurrence which will prevent a Condition Precedent being satisfied by the time or date specified in this document

for the satisfaction of the Condition Precedent (and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this document); or

- (c) the Scheme has not become Effective by the End Date,

the parties must consult in good faith with a view to determine whether:

- (d) the Scheme may proceed by way of alternative means or methods;
- (e) to extend the relevant time for satisfaction of the Condition Precedent or to adjourn or change the date of an application to the Court; or
- (f) to extend the End Date.

3.8 Failure to agree

If the parties are unable to reach agreement under clause 3.7 within 5 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date):

- (a) subject to clause 3.8(b), either party may terminate this document (and that termination will be in accordance with clause 13.1(e)(ii)); or
- (b) if a Condition Precedent may be waived and exists for the benefit of one party only, that party only may waive that Condition Precedent or terminate this document (and that termination will be in accordance with clause 13.1(e)(iii)),

in each case before 8.00am on the Second Court Date.

A party will not be entitled to terminate this document under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this document by that party or a deliberate act or omission of that party.

3.9 Scheme voted down because of the Headcount Test

- (a) If the Scheme is not approved by the Target Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and either party considers, acting reasonably, that Share Splitting or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied then the Target must:
- (b) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
- (c) make such submissions to the Court and file such evidence as counsel engaged by the Target to represent it in Court proceedings related to the Scheme, in consultation with the Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

4 Outline of Scheme

4.1 Scheme

- (a) the Target must propose a scheme of arrangement under which:
- (b) all the Target Shares held by Scheme Participants at the Record Date will be transferred to the Bidder; and
- (c) each Scheme Participant will be entitled to receive the Scheme Consideration.

4.2 Scheme Consideration

Subject to and in accordance with this document and the Scheme, each Scheme Participant is entitled to receive the Scheme Consideration in respect of each Target Share held by that Scheme Participant.

4.3 Provision of Scheme Consideration

Subject to this document and the Scheme, the Bidder undertakes to the Target (in its own right and separately as trustee or nominee of each Scheme Participant) that, in consideration of the transfer to the Bidder of each Target Share held by a Scheme Participant, the Bidder will, on the Implementation Date:

- (a) accept that transfer; and
- (b) provide or procure the provision of the Scheme Consideration to each Scheme Participant in accordance with this document and the Scheme.

4.4 Provision of the Target Share information

- (a) In order to facilitate the provision of the Scheme Consideration, the Target must provide, or procure the provision of, to the Bidder or a nominee of the Bidder a complete copy of the Target Register as at the Record Date (which must include the name, registered address and registered holding of each Scheme Participant as at the Record Date), no later than one Business Day after the Record Date.
- (b) The details and information to be provided under clause 4.4(a) must be provided in such form as the Bidder or its nominee may reasonably require.

4.5 Fractional entitlements

- (a) If the number of the Target Shares held by a Scheme Participant at the Record Date is such that the aggregate entitlement of the Scheme Participant to Scheme Consideration comprising New Bidder Shares includes a fractional entitlement to a New Bidder Share, the entitlement will be rounded as follows:
 - (i) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New Bidder Shares; and
 - (ii) if the fractional entitlement is equal to or more than 0.5, it will be rounded up to the nearest whole number of New Bidder Shares.
- (b) If the Bidder and the Target are of the opinion (acting reasonably) that 2 or more Scheme Participants (each of whom holds a number of the Target Shares which results in rounding in accordance with

clause 4.5(a)) have, before the Record Date for the Scheme, been party to Share Splitting in an attempt to obtain unfair advantage by reference to that rounding, if requested by the Bidder, the Target must give notice to those Scheme Participants:

- (i) setting out their names and registered addresses as shown in the Register;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the Target Shares held by all of them.
- (c) After the notice has been given, the Scheme Participant specifically identified in the notice as the deemed holder of the specified Target Shares will, for the purpose of the provisions of the Scheme, be taken to hold all of those Target Shares and each of the other Scheme Participants whose names and registered addresses are set out in the notice will, for the purposes of the provisions of the Scheme, be taken to hold no Target Shares. The Bidder, in complying with the provisions of the Scheme relating to it in respect of the Scheme Participant specifically identified in the notice as the deemed holder of all the specified Target Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Participants named in the notice under the terms of the Scheme.

4.6 Ineligible Foreign Shareholders and other ineligible Scheme Participants

- (a) Where an Ineligible Foreign Shareholder or other ineligible Scheme Participant would otherwise be entitled to receive New Bidder Shares as Scheme Consideration pursuant to clause 4.3, the Bidder has no obligation to issue any New Bidder Shares to the Ineligible Foreign Shareholder or ineligible Scheme Participant, and instead the Bidder must instead issue to a nominee appointed by the Bidder any New Bidder Shares to which an Ineligible Foreign Shareholder or other ineligible Scheme Participant would otherwise be entitled in accordance with the terms of the Scheme.
- (b) The Bidder must appoint the nominee on terms reasonably acceptable to the Target at least 5 Business Days before the date of the Scheme Meeting.

4.7 New Bidder Shares to rank equally

The Bidder covenants in favour of the Target (in its own right and separately as trustee or nominee of each Scheme Participant) that:

- (a) all New Bidder Shares issued as Scheme Consideration pursuant to clause 4.3 will, upon their issue:
 - (i) rank equally in all respects with all other Bidder Shares then on issue and be entitled to participate in and receive any dividends, any distribution of capital and any other entitlements accruing in respect of the Bidder Shares after the Implementation Date;
 - (ii) be fully paid and free from Encumbrance; and
- (b) it will do everything reasonably necessary to ensure the New Bidder Shares issued under the Scheme will be listed for quotation on the official list of ASX on or before the Business Day after the Effective Date,

initially on a deferred settlement basis and, with effect from no later than the second Business Day following the Implementation Date, on an ordinary (T+2) settlement basis.

4.8 Outstanding Share Rights

- (a) The Target must use best endeavours to procure that, before the Record Date, all Outstanding Share Rights are dealt with such that as at the Record Date there are no Outstanding Share Rights on issue, whether by:
 - (i) agreement with the relevant holder(s) to a modification of the underlying agreement so that the relevant entitlement is settled by the issue of ordinary shares of the Bidder (in substitution for Target Shares);
 - (ii) cash settlement in accordance with the terms of issue or on terms agreed with the relevant holder(s);
 - (iii) accelerated vesting and conversion into Target Shares in accordance with the terms of issue of the relevant Outstanding Share Rights or on terms agreed with the relevant holders; or
 - (iv) any other treatment agreed between the Bidder and the Target, acting reasonably and having regard to the tax and Corporations Act implications for the relevant parties,

in each case, other than where the Target is, as at the date of this document, contractually obliged to adopt a certain treatment of the Outstanding Performance Rights, on terms acceptable to the Bidder (acting reasonably).

- (b) The Target's obligation under this clause 4.8 is limited to using best endeavours, and a failure to procure the agreement of a third party to a modification described in this clause does not constitute a breach of this document by the Target or a deliberate act or omission of the Target for the purposes of the Target Prescribed Event definition or otherwise.

4.9 Australian Tax roll-over

- (a) The Bidder acknowledges that each Scheme Participant who is an Australian resident shareholder who holds the Target Shares on capital account is expected to seek roll-over relief under subdivision 124-M of the Tax Act, to the extent permitted under the Tax Act.
- (b) The Bidder agrees to use all reasonable steps to provide the Target with such assistance and information as may reasonably be requested by the Target for the purposes of obtaining from the ATO a Class Ruling in a form reasonably acceptable to the Target in relation to scrip-for-scrip roll-over relief under subdivision 124-M of the Tax Act.
- (c) The Bidder undertakes that it will not make a choice to deny roll-over relief to the Scheme Participants under subsection 124-795(4) of the Tax Act.

4.10 No amendment to the Scheme without consent

The Target must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of the Bidder (not to be unreasonably withheld, conditioned or delayed).

5 Implementation

5.1 General obligations

- (a) The Target and the Bidder must each:
 - (i) use all best endeavours and commit necessary resources (including management and corporate relations resources and the resources of external advisers); and
 - (ii) procure that its officers and advisers work in good faith and in a timely and co-operative fashion with the other party (including by attending meetings and by providing information),in each case, to produce the Scheme Booklet and implement the Scheme as soon as reasonably practicable and in accordance with the Timetable.
- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 5.1(a) to the extent that such failure is due to circumstances and matters outside of that party's control, acting reasonably (including any delays caused by a Regulatory Authority), or due to the Target taking or omitting to take any action in response to a Competing Transaction as permitted by this document.
- (c) Each party must keep the other party informed about its progress against the Timetable and notify each other party if it believes that any of the dates in the Timetable are not achievable, as soon as reasonably practicable after forming that belief.
- (d) To the extent that any of the dates or timeframes set out in the Timetable become unachievable due to matters outside of a party's control, the Bidder and the Target will consult in good faith to agree to any necessary extension to ensure such matters are completed within the shortest practicable timeframe.

5.4 Scheme Booklet responsibility statement

The responsibility statement to appear in the Scheme Booklet, in a form to be agreed by the parties, will contain words to the effect of:

- (a) the Target has prepared, and is responsible for, the content of the Scheme Booklet other than, to the maximum extent permitted by law, the Bidder Information, the Independent Expert's Report or any other report or letter issued to the Target by a third party and that the Bidder and its directors and officers do not assume any responsibility for the accuracy or completeness of the sections of the Scheme Booklet that the Target has prepared and has responsibility for; and
- (b) the Bidder has prepared, and is responsible for, the Bidder Information in the Scheme Booklet (and no other part of the Scheme Booklet) and that the Target and its directors and officers do not assume any responsibility for the accuracy or completeness of the sections of the Scheme Booklet that the Bidder has prepared and has responsibility for.

5.5 Disagreement on content of Scheme Booklet

If the Bidder and the Target disagree on the form or content of the Scheme Booklet, they must consult in good faith to try to settle an agreed form of the Scheme Booklet. If complete agreement is not reached after reasonable consultation, then:

- (a) if the disagreement relates to the form or content of the Bidder Information contained in the Scheme Booklet, the Bidder will, acting in good faith, decide the final form or content of the disputed part of the Bidder Information; and
- (b) if the disagreement relates to the form or content of any other part of the Scheme Booklet, the Target Board will, acting in good faith, decide the final form or content of the disputed part of the Scheme Booklet.

- (a) appropriate verification processes have been undertaken in respect of the relevant the Bidder Information or the Target Information (as applicable); and
- (b) the Bidder Information or the Target Information (as applicable) in the Scheme Booklet does not contain any statement that is false or misleading in any material respect, including because of any material omission from that statement,

prior to lodgement of the Regulator's Draft (or any supplementary Regulator's Draft) with ASIC, filing the Scheme Booklet (or any supplementary Scheme Booklet) with the Court and/or dispatching the Scheme Booklet (or any supplementary Scheme Booklet) to the Target Shareholders.

5.7 Conduct of Court proceeding

The Target and the Bidder are entitled to separate representation at all Court proceedings relating to the Scheme. This document does not give the Target or the Bidder any right or power to give undertakings to the Court for or on behalf of the other party without that party's prior written consent. The Target and the Bidder must give all undertakings to the Court in all Court proceedings which are reasonably required to obtain Court approval and confirmation of the Scheme as contemplated by this document.

5.8 Appeal process

If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, the Bidder and the Target must appeal the Court's decision to the fullest extent possible except to the extent that:

- (a) the parties agree otherwise; or
- (b) an independent senior counsel of the Victorian bar advises that, in their opinion, an appeal would have no reasonable prospect of success before the End Date,

in which case either party may terminate this document in accordance with clause 13.1(e)(iv).

5.9 No partnership or joint venture

Subject to this document, nothing in this clause requires either party to act at the direction of the other. The business of each party will continue to operate independently from the other until the Implementation Date. The parties agree that nothing in this document constitutes the relationship of a partnership or a joint venture between the parties.

6 Target Board recommendation

6.1 Target Board recommendation

- (a) The Target represents and warrants to the Bidder that, as at the date of this document, each member of the Target Board has confirmed that:

in each case, subject to the exceptions in clause 6.1(b).

- (b) The Target must use its best endeavours to procure that no member of the Target Board adversely changes, withdraws, qualifies or modifies their Recommendation or Voting Intention in respect of the Scheme, unless:
 - (i) the Target has received a Superior Proposal and after the procedure in clause 9.8 has been complied with the Target Board has determined in good faith and acting reasonably having received advice from its external counsel specialising in corporate law that by virtue of the fiduciary or statutory duties of members of the Target Board they are required to change, modify, qualify or withdraw their recommendation;
 - (ii) the Independent Expert's Report concludes, or is amended or updated in writing so as to conclude, that the Scheme is not in the best interests of the Target Shareholders; or
 - (iii) the Court or ASIC requires or reasonably requests that the relevant member of the Target Board abstains from making a recommendation.
- (c) Without limiting clause 9, if any member of the Target Board proposes to adversely change, withdraw, qualify or modify their Recommendation or Voting Intention in respect of the Scheme or otherwise make a public statement indicating that they no longer support the Scheme or support or endorse a Competing Transaction in each case in accordance with this clause 6.1(b)(iii):
 - (i) the Target must notify the Bidder in writing as soon as practicable; and
 - (ii) the parties must consult in good faith for 2 Business Days after the date on which the notification in sub clause 6.1(c)(i) is given to consider and determine whether the Recommendation in place at the time can be maintained. That Recommendation

cannot be withdrawn or changed in accordance with clause 6.1(b) until the end of the consultation period.

For the purposes of this clause 6.1, qualifications and explanations contained in the Scheme Booklet in relation to a recommendation to vote in favour of the Scheme to the effect that the recommendation is made subject to the qualifications set out in clause 6.1(b) will not, in and of itself, be regarded as a failure to make or a withdrawal of a recommendation in favour of the Scheme by a Target Director.

6.2 No action statement

Despite anything to the contrary in this clause 6, a statement made by the Target, the Target Board or any member of the Target Board, to the effect that no action should be taken by the Target Shareholders pending the assessment of a Competing Transaction by the Target or the completion of the procedure in clause 9.8 will not, in and of itself, contravene clause 6.1.

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the Bidder Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 7.3 limits the Target's rights to terminate this document under clause 13.1.

- (iv) procure that the Target and each other Target Group Member at any time after the Implementation Date, not do anything or fail to do anything within its reasonable control which would prejudice or adversely affect the directors' and officers' insurance cover under clause 7.6(a)(ii) or any directors' and officers' run-off insurance cover placed pursuant to clause 7.6(b);
- (b) The Bidder acknowledges that notwithstanding any other provision of this document, the Target may, prior to the Implementation Date, enter into, and pay in full the premium in respect of, a directors' and officers' run-off insurance policy (**D&O Run-Off Policy**) for a period of up to 7 years on and from the Implementation Date in respect of the directors and officers and other individuals and entities (**Insured Parties**) who are insured under the existing directors' and officers' insurance policies of the Target Group and that any actions to facilitate that insurance or in connection with such insurance will not be a Target Prescribed Event or a breach of any provision of this document, provided that:
 - (i) the Target provides the Bidder draft policies and quotations prior to entering into such D&O Run-Off Policy, subject to any confidentiality restrictions applying to those policies (provided that the Target promptly uses best endeavours to request exceptions to any such confidentiality restrictions from such prospective insurers);
 - (ii) subject to clause 7.6(b)(iii), such D&O Run-Off Policy is not in respect of cover which is materially more extensive than the existing directors' and officers' insurance policies in place for the Target's directors or officers at the date of this document (other than as to the policy period);

 - (i) to pay any Break Fee payable under clause 10; and

9 Exclusivity

9.1 No existing discussions

- (b) From the date of this document, the Target will promptly enforce the terms of any confidentiality agreement entered into with a party other than the Bidder in relation to a Competing Transaction and will immediately request the return of all Confidential Information from that party and terminate their access to any confidential information on an ongoing basis. the Target agrees not to waive, and to enforce, any standstill obligations of that party, except in relation to a Competing Transaction where the Bidder has failed to provide a matching or superior proposal which satisfies clause 9.8(e).

9.5 Exceptions

Clause 9.3 and clause 9.4 do not apply to the extent that they restrict the Target or the Target Board from taking or refusing to take any action with respect to a genuine Competing Transaction (which was not solicited, invited, encouraged or initiated by the Target in contravention of clause 9.2) provided that the Target Board has determined, in good faith that:

- (a) after receiving written advice from its financial advisors (who must be reputable advisers experienced in transactions of this nature), a genuine Competing Transaction is, or could reasonably be considered to become, a Superior Proposal; and

 - (v) provides any information relating to the Target or any of its Related Bodies Corporate or any of their businesses or operations to any person in connection with or for the purposes of a current or future Competing Transaction.
- (b) A notification given under clause 9.7(a) must be accompanied by all material details of the relevant event, including (as the case may be):
 - (i) the identity of the person who made the relevant approach, inquiry, proposal, expression of interest or other attempt to initiate any discussions, negotiations or other communications referred to in 9.7(a)(i) or 9.7(a)(ii);
 - (ii) who made the relevant request for information referred to in clause 9.7(a)(iii) or to whom any information referred to in clause 9.7(a)(v) was provided;
 - (iii) the material terms and conditions (including price, form of consideration, conditions precedent, deal protection arrangements, timetable and break or reimbursement fee (if any), or any other similar material terms) of any actual, proposed or potential Competing Transaction (to the extent known by Target or any of its Representatives); and
 - (iv) the nature of the information requested and/or provided.

- (c) Subject to clause 9.4, during the Exclusivity Period, if any non-public information about the business, operations or affairs of the Target or a Target Group Member is disclosed, provided or otherwise made available to any person in connection with any actual, proposed or potential Competing Transaction which has not previously been provided or made available to Bidder (or is more extensive than the information which has been provided to Bidder), Target must promptly, and in any event within 48 hours of the provision of the information, provide to Bidder:
 - (i) in the case of written materials, a copy of; and
 - (ii) in any other case, a written statement of or reasonable access to, that non-public information.

9.8 Matching right

Without limiting clauses 9.2 and 9.3, during the Exclusivity Period, the Target must (and must procure that each of its Related Bodies Corporate):

- (a) not enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a third party, the Target, the Target's Related Bodies Corporate (or any combination of the parties) proposes or propose to undertake or give effect to an actual, proposed or potential Competing Transaction; and
- (b) use its best endeavours to procure that none of its directors change their recommendation in favour of the Scheme to publicly recommend an actual, proposed or potential Competing Transaction (or recommend against the Scheme),

unless:

- (c) the Target Board acting in good faith and in order to satisfy what the Target Board considers to be its statutory or fiduciary duties (having received written advice from its external legal advisers), determines that the Competing Transaction is a Superior Proposal;
- (d) the Target has complied with clause 9.7 and provided the Bidder with the material terms and conditions of the actual, proposed or potential Competing Transaction, including price and the identity of the third party making the actual, proposed or potential Competing Transaction;
- (e) the Target has given the Bidder at least 5 Business Days after the date of the provision of the information referred to in clause 9.8(d) to provide a superior proposal or a proposal which is no less favourable overall to the terms of the actual, proposed or potential Competing Transaction; and
- (f) the Bidder has not provided the Target with a superior proposal or a proposal which is no less favourable overall than the terms of the actual, proposed or potential Competing Transaction by the expiry of the 5 Business Day period referred to in clause 9.8(e).
- (g) The Target acknowledges and agrees that each successive modification of any actual, proposed or potential Competing Transaction will constitute a new actual, proposed or potential Competing Transaction for the purposes of the requirements under clause 9.8(e) and accordingly the Target must comply with clause 9.8(e) and clause 9.8(f) of this clause in respect of any new actual, proposed or potential Competing Transaction unless clauses 9.8(c) to 9.8(f) (inclusive) apply.

9.9 Bidder counterproposal

If the Bidder proposes to the Target, or announces amendments to the Scheme or a new proposal that constitute a matching or superior proposal to the terms of the actual, proposed or potential Competing Transaction (**Bidder Counterproposal**) by the expiry of the 5 Business Day period referred to in clause 9.8(e), the Target must procure that the Target Board considers the Bidder Counterproposal and if the Target Board, acting reasonably and in good faith, determines that the Bidder Counterproposal would provide an equivalent or superior outcome for the Target Shareholders as a whole compared with the Competing Transaction, taking into account all of the terms and conditions of the Bidder Counterproposal, then:

- (a) the Target and the Bidder must use their best endeavours to agree the amendments to this document and, if applicable, the Scheme and Deed Poll that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable; and
- (b) the Target must use its best endeavours to procure that each of the directors of the Target continues to recommend the Scheme (as modified by the Bidder Counterproposal) to the Target Shareholders.

The Target acknowledges and agrees that each successive modification of any actual, proposed or potential Competing Transaction will constitute a new actual, proposed or potential Competing Transaction for the purposes of the requirements under this clause 9.9 and accordingly the Target must comply with this clause 9.9 in respect of any new actual, proposed or potential Competing Transaction.

9.10 Legal advice

The Target acknowledges that it has received legal advice on this document and the operation of this clause.

10 Break Fee

10.1 Background

This clause has been agreed in circumstances where:

- (a) the Bidder and the Target believe that the Scheme will provide significant benefits to the Bidder, the Target and their respective shareholders, and the Bidder and the Target acknowledge that, if they enter into this document and the Scheme is subsequently not implemented, the Bidder will incur significant costs, including those set out in clause 10.5;
- (b) the Bidder requested that provision be made for the Break Fee, without which the Bidder would not have entered into this document;
- (c) both the Bidder Board and the Target Board believe that it is appropriate for both parties to agree to the payment referred to in this clause to secure the Bidder's participation in the Scheme; and
- (d) both parties have received legal advice on this document and the operation of this clause.

10.2 Payment of Break Fee

The Target agrees to pay the Break Fee to the Bidder without withholding or set off if:

- (a) **(Competing Transaction)** on or before the end of the Exclusivity Period, a Competing Transaction is announced and within 12 months of that announcement the third party who announced or made the Competing Transaction (or any of its Associates):
 - (i) completes a Competing Transaction; or
 - (ii) acquires a Relevant Interest in, or voting power of at least, 50% of the Target or otherwise acquires Control of the Target;
- (b) **(change of the Target Board recommendation)** the Bidder validly terminates this document under clause 13.1(b) where any Target Director:
 - (i) fails to make the Recommendation or give the Voting Intention;
 - (ii) approves, recommends or makes an announcement in support of a Competing Transaction, or announces an intention to do any of these acts;
 - (iii) withdraws or adversely changes, modifies or qualifies their Recommendation or Voting Intention or otherwise makes a public statement indicating that they no longer support the Scheme,

except where:

- (iv) the change of Recommendation or Voting Intention is made after the Independent Expert concludes that the Scheme is not in the best interests of the Target Shareholders, other than due to the existence of a Competing Transaction which the Independent Expert may reasonably regard to be on more favourable terms than the transaction contemplated by this document. For the avoidance of doubt, this paragraph (iv) applies (and no Break Fee is payable) where the Independent Expert's conclusion arises wholly or partly from a deterioration in the business, assets, financial position, prospects or share price of the Bidder Group, the terms of the New Bidder Shares, or any other matter relevant to the value of the Scheme Consideration, in each case whether or not that deterioration also constitutes a Bidder Material Adverse Effect or a Bidder Prescribed Event; or
- (v) the Court or ASIC requires or reasonably requests that the relevant Target Director abstains from making a recommendation on the Scheme,

provided that a statement made by the Target, the Target Board or any member of the Target Board, to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Transaction by the Target or the completion of the procedure in clause 9 will not, in and of itself, require the Target to pay the Break Fee to the Bidder;

- (c) **(Superior Proposal)** the Target validly terminates this document in accordance with clause 13.1(d); and

- (d) **(termination)** the Bidder validly terminates this document in accordance with:
 - (i) clause 13.1(c); or
 - (ii) clause 13.1(e)(i) or clause 13.1(e)(iii) and the failure to satisfy the relevant Condition Precedent resulted from a breach of this document by the Target or a deliberate act or omission of the Target (which includes for the avoidance of doubt, the occurrence of a Target Prescribed Event).

10.3 No amount payable if Scheme becomes Effective

Notwithstanding the occurrence of any event in clause 10.2, if the Scheme becomes Effective:

- (a) no amount is payable by the Target under clause 10.2; and
- (b) if any amount has already been paid under clause 10.2 it must be refunded by the Bidder.

10.4 Timing of payment

- (a) A demand by the Bidder for payment of the Break Fee under clause 10.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of the Bidder into which the Target must pay the Break Fee.
- (b) the Target must pay the Break Fee to the Bidder under clause 10.2 without withholding or set off within 5 Business Days of receipt by the Target of a valid demand for payment from the Bidder under clause 10.4(a).
- (c) The demand referred to in clause 10.4(a) may only be made after the occurrence of an event referred to in clause 10.2.

10.5 Nature of payment

The Break Fee is an amount to compensate the Bidder for:

- (a) advisory costs
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of the Bidder's management from conducting the Bidder's business as usual caused by pursuing the Scheme;
- (e) reasonable opportunity costs incurred by the Bidder in pursuing the Scheme or in not pursuing alternative acquisitions or strategic initiatives

which the Bidder could have developed to further its business and objectives; and

- (f) damage to the Bidder's reputation associated with a failed transaction and the implications of that damage to the Bidder's business.

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the amount payable under clause 10.2.

10.6 Target's limitation of liability

- (a) Notwithstanding any other provision of this document but subject to clauses 10.6(b), 10.6(c) and 10.7
 - (i) the maximum aggregate liability of the Target to the Bidder under or in connection with this document including in respect of any breach or repudiation of this document will be an amount equal to the Break Fee;
 - (ii) the payment by the Target of the Break Fee represents the sole, maximum and absolute amount of liability of the Target under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by the Target in connection with this document.
- (b) Nothing in this clause affects the Bidder's right to specific performance, injunctive relief or any other remedies which would otherwise be available in equity or law as a remedy for a breach or threatened breach of this document by any party.
- (c) The limitation in clause 10.6(a) will not:
 - (i) apply in connection with a deliberate or reckless breach by the Target of clause 8 or clause 9; or
 - (ii) apply to extinguish or limit the liability of the Target for any fraud, wilful misconduct or wilful breach on the part of the Target.

10.7 Compliance with law

If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a Court that all or any part of the amount payable under clause 10.2:

- (a) is unlawful or would if performed be, unlawful;
- (b) involves a breach of the duties of the Target Board; or
- (c) constitutes unacceptable circumstances within the meaning of the Corporations Act,

then the Target's obligation to pay the applicable amount or part of the amount payable under clause 10.2 does not apply and if the Bidder has received any relevant part of the payment due under clause 10.2 it must refund it within 5 Business Days of the final determination.

The parties must not make or cause or permit to be made any application to a Court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in this clause 10.7.

11 Reverse Break Fee

11.1 Background

This clause has been agreed in circumstances where:

- (a) the Bidder and the Target believe that the Scheme will provide significant benefits to the Bidder, the Target and their respective shareholders, and the Bidder and the Target acknowledge that, if they enter into this document and the Scheme is subsequently not implemented, the Target and the Target Shareholders will incur significant costs including those set out in clause 11.5;
- (b) the Target requested that provision be made for the payment of the Reverse Break Fee, without which the Target would not have entered into this document;
- (c) both the Bidder Board and the Target Board believe that it is appropriate for both parties to agree to the payment referred to in this clause to secure the Target's participation in the Scheme; and
- (d) both parties have received legal advice on this document and the operation of this clause.

11.2 Payment of Reverse Break Fee

The Bidder agrees to pay the Reverse Break Fee to the Target without withholding or set off if:

- (a) **(material breach)** the Target validly terminates this document in accordance with clause 13.1(c);
- (b) **(failure to pay Scheme Consideration)** the Bidder does not pay the aggregate Scheme Consideration in accordance with the terms and conditions of this document, the Scheme and the Deed Poll; or
- (c) **(Brazilian Change of Control Approval)** the Scheme does not become Effective because a Brazilian Change of Control Approval:
 - (i) becomes definitively unable to be obtained or is refused; or
 - (ii) is not obtained before the End Date,

and as a consequence this document is terminated by either party in accordance with its terms.

11.3 No amount payable if Scheme becomes Effective

Notwithstanding the occurrence of any event in clause 11.2, if the Scheme becomes Effective:

- (a) no amount is payable by the Bidder under clause 11.2; and
- (b) if any amount has already been paid under clause 11.2 it must be refunded by the Target.

11.4 Timing of payment

- (a) A demand by the Target for payment of the Reverse Break Fee under clause 11.2 must:

- (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of the Target into which the Bidder must pay the Reverse Break Fee.
- (b) The Bidder must pay the Reverse Break Fee to the Target without withholding or set off within 5 Business Days of receipt by the Bidder of a valid demand for payment from the Target under clause 11.4(a).
 - (c) The demand may only be made after the occurrence of an event referred to in clause 11.2.

11.5 Nature of payment

The Reverse Break Fee is an amount to compensate the Target for:

- (a) advisory costs
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of the Target's management from conducting the Target's business as usual caused by pursuing the Scheme;
- (e) reasonable opportunity costs incurred by the Target in pursuing the Scheme or in not pursuing strategic initiatives which the Target could have developed to further its business and objectives; and
- (f) damage to the Target's reputation associated with a failed transaction and the implications of that damage to the Target's business.

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the amount payable under clause 11.2.

11.6 Bidder's limitation of liability

- (a) Notwithstanding any other provision of this document but subject to clauses 11.6(b) and 11.7:
 - (i) the maximum aggregate liability of the Bidder to the Target under or in connection with this document or the transaction of which it is a part including in respect of any breach or repudiation of this document will be an amount equal to the Reverse Break Fee; and
 - (ii) the payment by the Bidder of the Reverse Break Fee represents the sole, maximum and absolute liability of the Bidder under or in connection with this document or the transaction of which it is a part and no further damages, fees, expenses or reimbursements of any kind will be payable by the Bidder under or in connection with this document or the transaction of which it is a part.

- (i) to limit the Bidder's liability under the Deed Poll;
- (ii) to affect the Target's or a Scheme Participant's right to specific performance or injunctive relief or any other remedies which would otherwise be available in equity or law as a remedy for a breach or threatened breach of this document by any party; or
- (iii) to extinguish or limit the liability of the Bidder for any fraud, wilful misconduct or wilful breach on the part of the Bidder; or
- (iv) in connection with a deliberate or reckless breach by the Bidder of clause 8 or clause 9.

11.7 Compliance with law

If it is finally determined following the exhaustion of all reasonable avenues of appeal or review to the Takeovers Panel or a Court (or the period for lodging appeals or commencing review proceedings has expired without an appeal having been lodged or review proceedings commenced) that the obligation to pay the Reverse Break Fee (in full or in part) under clause 11.2:

- (a) is, or would be if performed, unlawful;
- (b) involves a breach of the fiduciary or statutory duties of the Bidder Board; or
- (c) constitutes unacceptable circumstances as declared by the Takeovers Panel within the meaning of the Corporations Act,

then the Bidder is not obliged to pay the applicable amount or part of the amount payable under clause 11.2 and if the Target has received any part of the payment due under clause 11.2 it must refund it within 5 Business Days of any final determination.

The parties must not make or cause or permit to be made any application to a Court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in this clause 11.7.

 - (i) paying, or procuring the payment of, the relevant amount in Australian dollars by electronic means to a bank account nominated by the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) (**Bank Account**) by an appropriate authority from the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) to the Bidder; or
 - (ii) if a Bank Account has not been nominated by the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable) in accordance with clause 6.6(e)(i):
 - (A) if an Ineligible Foreign Shareholder or an Electing Small Scheme Participant (as applicable) has, before the Record Date, made a valid election in accordance with the requirements of the Registry to receive dividend payments from the Target by electronic funds transfer to a Bank Account nominated by the Ineligible Foreign Shareholder or Electing Small Scheme Participant (as applicable), paying, or procuring the payment of, the relevant amount in Australian dollars by electronic means in accordance with that election; or
 - (B) otherwise dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian dollars to the Ineligible Foreign Shareholder or Electing Small Scheme Participant by prepaid post to their Registered Address, such cheque being drawn in the name of the Ineligible Foreign Shareholder or the Electing Small Scheme Participant (as applicable) (or in the case of joint holders, in accordance with the procedures set out in clause 6.12).
- (f) Each Ineligible Foreign Shareholder and Electing Small Scheme Participant appoints the Target as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and other notices (including any updates of those documents) that the Sale Nominee is required to provide to Ineligible Foreign Shareholders and Electing Small Scheme Participants under the Corporations Act or any other applicable law.

Payment of the amount 'A' calculated in accordance with clause 6.6(c) to an Ineligible Foreign Shareholder or an Electing Small Scheme Participant (as applicable) in accordance with this clause 6.6 satisfies in full the rights of the Ineligible Foreign Shareholder or of the Electing Small Scheme Participant (as applicable) to Scheme Consideration and interest will not be paid on any Proceeds.

6.7 Other ineligible Scheme Shareholders

Where the issue of New Bidder Shares to which a Scheme Participant (other than an Ineligible Foreign Shareholder or an Electing Small Scheme Participant) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) the Bidder will issue the maximum possible number of New Bidder Shares to the Scheme Participant without giving rise to such a breach; and
- (b) any further New Bidder Shares to which that Scheme Participant is entitled, but the issue of which to the Scheme Participant would give rise to such a breach of law, will instead be issued to the Sale Nominee and dealt with under clause 6.6, as if:
 - (i) references to Ineligible Foreign Shareholders also included that Scheme Participant; and
 - (ii) references to Relevant Bidder Shares also included any of that Scheme Participant's New Bidder Shares that have been issued to the Sale Nominee.

6.8 Withholding

The Bidder acknowledges and agrees that it will not deduct any amounts from the payment of the Scheme Consideration or pay any amounts to the Commissioner under or on account of Subdivision 14-D of Schedule 1 to the TAA with respect to a Scheme Shareholder unless the Bidder is required by law to do so under Subdivision 14-D of Schedule 1 to the TAA (the **Withholding Amount**) in which case the Bidder will be able to take the required steps to withhold (which may include holding back sufficient Scheme Consideration to sell under the sale facility, referred to at clause 6.6, to fund the Withholding Amount).

6.9 Unclaimed monies

- (a) The Bidder may cancel a cheque issued under this clause 6 if the cheque:
 - (i) is returned to the Bidder; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Participant to the Target, the Registry or the Bidder, the Bidder must as soon as practicable reissue a cheque that was previously cancelled under 6.9(a).
- (c) The *Unclaimed Money Act 1990* (WA) will apply in relation to any Scheme Consideration or Proceeds that becomes "unclaimed money" (as defined in section 6 of the *Unclaimed Money Act 1990* (WA)), but any interest or other benefit accrued from the unclaimed Scheme Consideration or Proceeds will be for the benefit of the Bidder.

6.10 Orders of a court or Regulatory Authority

- (a) If written notice is given to the Target (or the Registry) or the Bidder (or the Bidder Registry) of an order, direction or notice made or given by a court of competent jurisdiction or by another Regulatory Authority that:

- (i) requires consideration which would otherwise be provided to a Scheme Participant in accordance with this clause 6 to instead be provided to a Regulatory Authority or other third party (either through payment of a sum or the issuance of a security), or which requires any amount to be deducted or withheld from any consideration which would otherwise be provided to a Scheme Participant in accordance with this clause 6, then the Target, the Bidder (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of, or the deduction or withholding from, that consideration in accordance with that order, direction or notice will be treated for all purposes under this Scheme as having been paid or provided to that Scheme Participant); or
- (ii) prevents consideration being provided to any particular Scheme Participant in accordance with this clause 6, or the payment or provision of such consideration is otherwise prohibited by applicable law, the Target, the Bidder shall be entitled to (as applicable):
 - (A) in the case of an Ineligible Foreign Shareholder or an Electing Small Scheme Participant (as applicable), retain an amount, in Australian dollars, equal to the relevant Ineligible Foreign Shareholder's or Electing Small Scheme Participant's (as applicable) share of the Proceeds; or
 - (B) not issue (or procure the issue of), or to issue (or procure the issue) to a trustee or nominee, such number of New Bidder Shares as that Scheme Participant would otherwise be entitled to under this clause 6,

until such time as payment or provision of the consideration in accordance with this clause 6 is permitted by that order or direction or otherwise by law.

- (b) To the extent that amounts are deducted or withheld under or in accordance with this clause 6.10, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction or withholding was made.

6.11 Status of New Bidder Shares

- (a) The Bidder covenants in favour of the Target (in its own right and on behalf of the Scheme Participants) that, subject to the Scheme becoming Effective, the New Bidder Shares required to be issued under this Scheme will, upon their issue:
 - (i) rank equally in all respects with all other Bidder Shares then on issue;
 - (ii) be duly and validly issued in accordance with applicable laws and the Bidder's constitution; and
 - (iii) be fully paid and free from any Encumbrance.
- (b) The Bidder will use its best endeavours to ensure that the New Bidder Shares issued in connection with the Scheme Consideration will commence trading on a normal settlement basis on the ASX as soon as reasonably practicable after the Implementation Date.

6.12 Joint holders

In the case of Scheme Shares held by Scheme Participants in joint names:

- (a) any New Bidder Shares to be issued under this Scheme must be issued to and registered in the names of the joint holders and entry in the Bidder Register must take place in the same order as the holders' names appear in the Target Register as at the Record Date;
- (b) any cheque required to be sent under this Scheme must be payable to the joint holders and be forwarded to the Registered Address of the holder whose name appears first in the Target Register as at the Record Date or to the joint holders; and
- (c) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of the Target, the Registered Address of the holder whose name appears first in the Target Register as at the Record Date or to the joint holders.

6.13 Quotation

The Bidder will use its best endeavours to procure that the New Bidder Shares comprising the Scheme Consideration are admitted on the ASX for quotation as soon as reasonably practicable after the Implementation Date and that certificates or holding statements for those New Bidder Shares are issued.

7 Dealings in Scheme Shares

7.1 Determination of Scheme Participants

To establish the identity of the Scheme Participants, dealings in Scheme Shares or other alterations to the Target Register will only be recognised by the Target if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Target Register as the holder of the relevant Scheme Shares on or before the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Record Date at the place where the Target Register is kept,

and, subject to clause 7.3(b), the Target must not accept for registration, nor recognise for any purpose (except a transfer to the Bidder pursuant to this Scheme and any subsequent transfer by the Bidder or its successors in title), any transfer or transmission application or other request received after such time, or received prior to such time but not in registrable or actionable form, as appropriate.

7.2 Register

The Target must register any registrable transmission applications or transfers of the Scheme Shares received in accordance with clause 7.1(b) on or before the Record Date.

7.3 No disposals after Record Date

- (a) If this Scheme becomes Effective, a Scheme Participant (and any person claiming through that Scheme Participant) must not dispose of or deal with or purport or agree to dispose of or deal with any Scheme Shares or any interest in them after the Record Date in any way except

as set out in this Scheme and any such disposal will be void and of no legal effect whatsoever, and the Target shall be entitled to disregard any such disposals or dealings.

- (b) The Target will not accept for registration or recognise for any purpose any transmission, application or transfer in respect of Scheme Shares received after the Record Date (except a transfer to the Bidder pursuant to this Scheme and any subsequent transfer by the Bidder or its successors in title).

7.4 Maintenance of Target Register

For the purpose of determining entitlements to the Scheme Consideration, the Target will maintain the Target Register in accordance with the provisions of clause 7 until the Scheme Consideration has been issued to the Scheme Participants and the Bidder has been entered in the Target Register as the holder of all the Scheme Shares. The Target Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to the Bidder contemplated in clauses 5.2 and 7.4, any statements of holding or share certificates (or equivalent document) in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of the Bidder and its successors in title). After the Record Date, each entry current on the Target Register as at the Record Date (other than entries in respect of the Bidder or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration.

7.6 Details of Scheme Participants

As soon as possible on or after the Record Date, and in any event by 5.00pm on the first Business Day after the Record Date, the Target will ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Participant, as shown in the Target Register at the Record Date, are available to the Bidder in such form as the Bidder reasonably requires.

7.7 Quotation of Target Shares

The Target must apply to ASX to suspend trading on ASX of Target Shares with effect from the close of trading on the Effective Date.

7.8 Termination of quotation of Target Shares

After this Scheme has been fully implemented, on a date determined by the Bidder, the Target will apply:

- (a) for termination of the official quotation of Target Shares on ASX; and
- (b) to have itself removed from the official list of the ASX.

8 Instructions and notifications

If not prohibited by law (and including where permitted or facilitated by relief granted by a Regulatory Authority), all instructions, notifications or elections by a Scheme Participant to the Target that are binding or deemed binding between

the Scheme Participant and the Target relating to the Target or Target Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Target Shares; and
- (c) notices or other communications from the Target (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by the Bidder in its sole discretion), by reason of this Scheme, to be made by the Scheme Participant to the Bidder and to be a binding instruction, notification or election to, and accepted by, the Bidder until that instruction, notification or election is revoked or amended in writing addressed to the Bidder at its registry.

9 Notices

9.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to the Target, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at the Target's registered office or at the office of the Registry.

9.2 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Target Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

10 General

10.1 Variations, alterations and conditions

- (a) The Target may, with the prior consent of the Bidder, by its counsel or solicitor, consent on behalf of all persons concerned to any variations, alterations or conditions to this Scheme which the Court thinks fit to impose.
- (b) Each Scheme Participant agrees to any variations, alterations or conditions to this Scheme which the Target has consented to in accordance with clause 10.1(a).

10.2 Further action by the Target

The Target will execute all documents and do all things (on its own behalf and on behalf of each Scheme Participant) necessary or expedient to implement, and perform its obligations under, this Scheme.

10.3 Authority and acknowledgement

Each Scheme Participant irrevocably consents to the Target and the Bidder doing all things necessary or expedient for or incidental to the implementation of this Scheme and the transactions contemplated by it.

10.4 No liability when acting in good faith

Each Scheme Participant agrees that, without prejudice to the Target's or the Bidder's rights and obligations under the Scheme Implementation Deed, neither the Target, the Bidder, nor any of their respective officers or employees, will be liable to a Scheme Participant for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

10.5 Stamp duty

The Bidder:

- (a) must pay all stamp duty (including any fines, penalties and interest) payable in connection with this Scheme or the transactions effected by or made under the Scheme; and
- (b) indemnify each Scheme Participant against any liability arising from failure to comply with clause 10.5(a),

subject to and in accordance with clause 6 of the Deed Poll.

11 Governing law

11.1 Governing law and jurisdiction

The law in force in the place specified in the Details governs this document. The parties submit to the non-exclusive jurisdiction of the courts of that place.

Details means the section of this document headed “Details”.

Scheme means the scheme of arrangement under Part 5.1 of the Corporations Act under which all the Scheme Shares held by Scheme Participants will be transferred to the Bidder or Bidder Nominee, together with any amendment or modification made pursuant to section 411(6) of the Corporations Act to the extent they are approved in writing by the Target and the Bidder in accordance with the Scheme.

Scheme Implementation Deed means the scheme implementation deed dated 1 October 2026 between the Target and the Bidder as amended from time to time under which, amongst other things, the Target has agreed to propose this Scheme to Scheme Shareholders, and each of the Target and the Bidder has agreed to take certain steps to give effect to this Scheme.

All other words and phrases used in this document have the same meaning as given to them in the Scheme, unless otherwise stated.

1.2 General interpretation

Clause 1.2 of the Scheme applies to this document except that references to “this Scheme” are to be read as references to “this document”.

1.3 Nature of deed poll

The Bidder acknowledges that:

- (a) this document is entered into and has effect as a deed poll and may be relied on and enforced by any Scheme Participant in accordance with its terms even though the Scheme Participants are not a party to it; and
- (b) under the Scheme, each Scheme Participant irrevocably appoints the Target and each of its directors, officers and secretaries (jointly and individually) as its agent and attorney to enforce this document against the Bidder in accordance with its terms.

2 Conditions precedent and termination

2.1 Conditions precedent

The obligations of the Bidder under clause 4 are subject to the Scheme becoming Effective.

2.2 Termination

The obligations of the Bidder under this document will automatically terminate and the terms of this document will be of no further force or effect if:

- (a) the Scheme has not become Effective on or before the End Date (as extended in accordance with the Scheme Implementation Deed); or
- (b) the Scheme Implementation Deed is terminated in accordance with its terms before the Scheme becomes Effective;

unless the Target and the Bidder otherwise agree (and, if required, as approved by the Court).

2.3 Consequences of termination

If this document is terminated under clause 2.2, then, in addition and without prejudice to any other rights, powers or remedies available to Scheme Participants:

- (a) the Bidder is released from its obligations to further perform this document; and
- (b) each Scheme Participant retains the rights, powers or remedies they have against the Bidder in respect of any breach of this document which occurs before it is terminated.

3 Performance of obligations generally

Subject to clause 2, the Bidder covenants in favour of each Scheme Participant that it will be bound by the terms of the Scheme as if it were a party to the Scheme and undertakes to perform all obligations and other actions, including those obligations and actions which relate to the provision of the Scheme Consideration, and give each acknowledgement, representation and warranty (if any), attributed to it under the Scheme, subject to and in accordance with the terms of the Scheme Implementation Deed and the Scheme.

4 Scheme Consideration

4.1 Scheme Consideration

Subject to clause 2, the Bidder undertakes in favour of each Scheme Participant to observe and perform all obligations contemplated of the Bidder under the Scheme to provide, or procure the provision of, the Scheme Consideration to each Scheme Participant, in accordance with the Scheme.

4.2 New Bidder Shares to rank equally

The Bidder covenants in favour of each Scheme Participant that all New Bidder Shares issued in connection with the provision of the Scheme Consideration to each Scheme Participant or the Sale Nominee in accordance with the Scheme will, upon their issue:

- (a) rank equally in all respects with all other Bidder Shares then on issue; and
- (b) be fully paid and free from any Encumbrance.

5 Representations and warranties

The Bidder represents and warrants that:

- (a) **(status)** it has been incorporated or formed in accordance with the laws of its place of incorporation or formation, is validly existing under those laws;
- (b) **(power)** it has power to enter into this document, to comply with its obligations under it and exercise its rights under it;
- (c) **(no contravention)** its entry by it into, its compliance with its obligations and the exercise of its rights under, this document in accordance with its terms do not and will not conflict with:
 - (i) its constituent documents or cause a limitation on its powers or the powers of its directors to be exceeded;
 - (ii) any law binding on or applicable to it or its assets; or
 - (iii) any Encumbrance binding on or applicable to it;
- (d) **(authorisations)** it has in full force and effect each corporate authorisation necessary for it to enter into this document, to comply with its obligations and exercise its rights under it, and to allow them to be enforced;
- (e) **(validity of obligations)** its obligations under this document are valid and binding and are enforceable against it in accordance with its terms, subject to any necessary stamping and registration;
- (f) **(solvency)** it is not Insolvent (as defined in the Scheme Implementation Deed).

- (b) indemnifies each Scheme Participant against, and agrees to reimburse and compensate each Scheme Participant, for any liability in respect of stamp duty under clause 7(a).

All communications (other than email communications) must also be marked for the attention of the person referred to in the Details (or, if the recipient has notified otherwise, then marked for attention in the way last notified).

8.2 Delivery

- (b) sent by email to the address referred to in the Details.

If the intended recipient has notified changed contact details, then communications must be sent to the changed contact details.

8.3 When effective

Communications take effect from the time they are received or taken to be received under clause 8.4 ("When taken to be received") (whichever happens first) unless a later time is specified in the communication.

8.4 When taken to be received

whichever happens first.

8.5 Receipt outside business hours

For the purposes of this clause, the place in the definition of Business Day is taken to be the place specified in the Details as the address of the recipient and the time of receipt is the time in that place.

9 General

9.1 Variation

A provision of this document or any right created under it may not be varied, altered or otherwise amended unless:

- (a) if before the First Court Date, the variation is agreed to by the Target and the Bidder in writing (which agreement may be given or withheld without reference to or approval by any Scheme Shareholder); and
- (b) if on or after the First Court Date, the variation is agreed to by the Target and the Bidder in writing (which agreement may be given or withheld without reference to or approval by any Scheme Shareholder) and the Court indicates that the variation, alteration or amendment would not itself preclude approval of the Scheme,

in which event the Bidder must enter into a further deed poll in favour of the Scheme Participants giving effect to the variation, alteration or amendment.

9.2 Partial exercising of rights

Unless this document expressly states otherwise, if the Bidder does not exercise a right, power or remedy in connection with this document fully or at a given time, it may still exercise it later.

9.3 No waiver

- (a) The Bidder may not rely on the words or conduct of any Scheme Participant as a waiver of any right unless the waiver is in writing signed by the Scheme Participant granting the waiver. A waiver is limited to the specific instance to which it relates and to the specific purpose for which it is given.
- (b) No Scheme Participant may rely on words or conduct of the Bidder as a waiver of any right unless the waiver is in writing and signed by the Bidder. A waiver is limited to the specific instance to which it relates and to the specific purpose for which it is given.
- (c) Failure to exercise or enforce, a delay in exercising or enforcing, or the partial exercise or enforcement of any right, power or remedy provided by law or under this document by the Bidder or by any Scheme Participant will not in any way preclude, or operate as a waiver of, any exercise or enforcement, or further exercise or enforcement of, that right or any other right provided by law or under this document.

9.4 Remedies cumulative

Except as expressly provided in this document, the rights, powers and remedies in connection with this document are in addition to other rights, powers and remedies given by law independently of this document.

9.5 Assignment or other dealings

The Bidder and each Scheme Participant may not assign or otherwise deal with its rights under this document or allow any interest in them to arise or be varied without the consent of the Bidder and the Target. Any purported dealing in contravention of this clause 9.5 is invalid.

9.6 Further steps

The Bidder agrees to do all things (including executing all documents) necessary to give full effect to this document and the transactions contemplated by it.
