

## Increase in Debt Facility

On 19 August 2024 Metgasco Ltd (ASX: MEL) (**Metgasco** or **Company**) secured an \$880,000 debt funding agreement (**Loan Agreement**) with Glennon Small Companies. (Refer MEL ASX release 19 August 2024). The Loan Agreement contemplated the ability to increase the facility amount on the same debt terms.

Metgasco wishes to advise that the debt consideration under the Loan Agreement has been increased by \$2,000,000, to a total of \$2,880,000. (**Revised Loan Agreement**). The total debt being provided by Glennon to Metgasco will be \$4.88m following completion (inclusive of the \$2m debt agreed in March 2023), with the blended interest rate on the combined Glennon loan facilities being 15.9%, with the vast bulk of the debt being unsecured. The additional funds made available under the Revised Loan Agreement will be used to settle two existing short term loans of \$500,000 each entered into during April 2024, to finalise the tie-in of the Odin-2 well and for general working capital purposes.

In line with the Loan Agreement, the additional funding made available under the Revised Loan Agreement will have interest capitalised, with repayment only to be made as revenue is earned, creating flexibility for the Company to manage any unforeseen issues with production.

### A summary of the key terms of the Revised Loan Agreement are as follows:

Security	The loan is unsecured
Interest Rate	20% -Interest to be capitalised and only paid from revenue.
Maturity Date	31 December 2025.

As advised on 19 August 2024, Metgasco also entered a royalty agreement with Glennon Small Companies to pay 12.5% of revenue earned, following repayment of the loan. This option was viewed as superior to further dilutive capital raisings and does not come into effect until the loans are repaid in full.

Glennon Small Companies is a company associated with Director Michael Glennon (appointed 19 August 2024).

The Board, excluding Mr Glennon, consider the increase in the debt facility as being in the best interest of the Company to help facilitate short term funding needs and wishes to thank Mr Glennon for his support.
