## Crosslands Resources Limited – Temporary Suspension of Mining Operations at Jack Hills

---

MACA Limited ('MACA') (ASX: MLD) advises that it has received notice from Crosslands Resources Ltd ('Crosslands') declaring an event of force majeure. The event relates to heavy rain and regional flooding in the Murchison region and the resultant closure of the main mine access road, preventing the delivery of key supplies to the mine site.

Crosslands expects operations to be suspended for a minimum period of 14 days. MACA will provide an update to the market prior to the expiry of this period in relation to the likely timing of recommencement of operations.

For further information please contact:
