Contract Awards

Atlas Iron – Mt Dove DSO Project

MACA Limited ('MACA') (ASX: MLD) is pleased to announce that it has been awarded three new contracts from Atlas Iron Limited ('Atlas') (ASX: AGO), as summarised below.

Mt Dove – Civil Package

The scope of civil works to be undertaken by MACA at Atlas' Mt Dove Iron Ore project includes the installation of permanent building infrastructure, 17km of road earthworks and pavement, sedimentation and water storage dams and provision of water and communications infrastructure.

The civil works will be carried out by MACA's joint venture company MACA Civil, of which MACA Limited has 60% ownership. The work to be undertaken pursuant to the civil package will generate revenues of approximately \$20 million over a six month period. MACA Civil expects to commence work in July 2012 and have a peak workforce of around 80 personnel.

Mt Dove DSO – Mining Services

The Mining Services to be undertaken by MACA include drilling and blasting, and loading and hauling. MACA is scheduled to commence mobilisation in September, with contract works due to start in October 2012. The total period of the engagement is approximately 15 months.

Mt Dove DSO – Crushing Services

The Crushing Services to be provided by MACA include crushing and screening of an all in product. MACA anticipates crushing will commence in November 2012 and continue over a period of 13 months. MACA will utilise an existing MACA owned crushing plant.

About MACA

MACA Limited is a mining and civil contractor with major projects throughout Australia. Employing more than 800 people, MACA offers a full range of surface mining and crushing services, and civil infrastructure services.

Commentary

These three packages have an aggregate value of \$66 million.

MACA is currently providing mining services and crushing services to Atlas at its Pardoo project and looks forward to extending the relationship to the Mt Dove project.

Operations Director, Geoff Baker said "We are delighted to have been awarded these three new contracts and we are looking forward to strengthening our long term relationship with Atlas Iron".
