Summary of the principal terms of the Performance Rights

Key Management Personnel (KMP) have been issued one class of Performance Rights for nil cash consideration.

Each Performance Right will vest as one Share subject to the satisfaction of certain performance criteria to be determined by the Board (as described below). Until a Performance Right vests and a Share is issued, KMP in their capacity as holders of a Performance Right, do not have a legal or beneficial interest in Shares of the Company and are not entitled to receive dividends.

The Performance Rights that have been issued to KMP will be subject to them remaining in continuous employment with the Company and to specified performance criteria (**Performance Criteria**) which must be satisfied over a specified period of time (**Performance Period**) before the Performance Rights can vest.

The first Performance Criteria accounting for 75% of the total allocation is the Company's Total Shareholder Return (**TSR**) percentile ranking over the Performance Period relative to the TSR achieved by a Comparator Group of companies within the ASX Industrials Index over that same period. Specifically, if the Company's TSR over the Performance Period is:

- (a) below the 50<sup>th</sup> percentile of the TSR achieved by the Comparator Group of companies, then nil Performance Rights will vest;
- (b) at the 50<sup>th</sup> percentile of the TSR achieved by the Comparator Group of companies, then 50% of the Performance Rights will vest;
- (c) between the 50<sup>th</sup> and 75<sup>th</sup> percentile of the TSR achieved by the Comparator Group of companies then between 50% and 100% of the Performance Rights will vest pro-rata; and
- (d) at or above the 75<sup>th</sup> percentile of the TSR achieved by the Comparator Group of companies, 100% of the Performance Rights will vest.

TSR means, broadly, the increase in the share price plus dividends paid, excluding franking credits and taxation, over the Performance Period.

The second Performance Criteria accounting for 25% of the total allocation is the Company's Earnings Per Share (**EPS**) over the vesting period. Specifically, if the compound growth in the Company's EPS over the Performance Period is:

## Appendix 3B

### New issue announcement

---

- (i) below 6% per annum – then nil Performance Rights will vest;
- (ii) equal to 6% per annum– then 50% of Performance Rights will vest;
- (iii) between 6% and 12.5% annum– then 50% - 100% of the Performance Rights will vest pro-rata; and
- (iv) equal to 12.5% or higher then 100% of Performance Rights will vest;

The Performance Period is the period beginning on 1 July 2013 and ending on 30 June 2016.

In the event that the Performance Criteria are not met within the Performance Period, the Performance Rights will not vest and as a result, no new Shares will be issued.

The Board may, in its absolute discretion, determine that no Performance Rights will vest in the event that the Company's TSR over the Performance Period is negative.

However, the Board may, in its absolute discretion, determine that all or a specified number of the unvested Performance Rights vest upon the happening on any of the following events:

- (a) a takeover bid being made for securities in the Company; or
- (b) a Court orders a meeting to be held in relation to a compromise or arrangement in connection with a scheme for the reconstruction of the Company; or
- (c) a resolution is passed or an order is made for the winding up of the Company; or
- (d) any person becomes bound or entitled to acquire shares in the Company pursuant to section 414 or Chapter 6A of the Corporations Act; or
- (e) if a company obtains control of the Company as a result of a takeover bid or a proposed scheme of arrangement between the Company and its shareholders.
