Summary of the principal terms of the Performance Rights

Mr Baker has been issued one class of Performance Rights for nil cash consideration.

Each Performance Right will vest as one Share subject to the satisfaction of certain performance criteria to be determined by the Board (as described below). Until a Performance Right vests and a Share is issued, Mr Baker in his capacity as a holder of a Performance Right, does not have a legal or beneficial interest in Shares of the Company and is not entitled to receive dividends.

The Performance Rights that have been issued to Mr Baker will be subject to him remaining in continuous employment with the Company and to specified performance criteria (**Performance Criteria**) which must be satisfied over a specified period of time (**Performance Period**) before the Performance Rights can vest.

The Performance Criteria accounting for the total allocation is the Company's Total Shareholder Return (**TSR**) percentile ranking over the Performance Period relative to the TSR achieved by a Comparator Group being the S&P/ASX Small Ordinaries Accumulation Index (XSOAI) over that same period. Specifically, if the Company's TSR over the Performance Period is:

- (a) below the 50<sup>th</sup> percentile of the TSR achieved by the Comparator Group of companies, then nil Performance Rights will vest;
- (b) at the 50th percentile of the TSR achieved by the Comparator Group of companies, then 50% of the Performance Rights will vest;
- (c) between the 50th and 75th percentile of the TSR achieved by the Comparator Group of companies then between 50% and 100% of the Performance Rights will vest pro-rata; and
- (d) at or above the 75th percentile of the TSR achieved by the Comparator Group of companies, 100% of the Performance Rights will vest.

TSR means, broadly, the increase in the share price plus dividends paid, excluding franking credits and taxation, over the Performance Period.

The Performance Period is the period beginning on 1 July 2016 and ending on 30 June 2019.

In the event that the Performance Criteria are not met within the Performance Period, the Performance Rights will not vest and as a result, no new Shares will be issued.

+ See chapter 19 for defined terms.

## Appendix 3Y Change of Director's Interest Notice

---

The Board may, in its absolute discretion, determine that no Performance Rights will vest in the event that the Company's TSR over the Performance Period is negative.

However, the Board may, in its absolute discretion, determine that all or a specified number of the unvested Performance Rights vest upon the happening on any of the following events:

- (a) a takeover bid being made for securities in the Company; or
- (b) a Court orders a meeting to be held in relation to a compromise or arrangement in connection with a scheme for the reconstruction of the Company; or
- (c) a resolution is passed or an order is made for the winding up of the Company; or
- (d) any person becomes bound or entitled to acquire shares in the Company pursuant to section 414 or Chapter 6A of the Corporations Act; or
- (e) if a company obtains control of the Company as a result of a takeover bid or a proposed scheme of arrangement between the Company and its shareholders.
