New Shares and attaching options will be issued to Eligible Shareholders by 11 October 2024. The Underwriting securities will be issued on or about 21 October 2024.

## NIS' Executive Chairman, Mark Connelly, commented:

"We are thankful for the support of participating shareholders and the underwriter in the Entitlement Offer, which will allow the Company to significantly ramp up its exploration programs at Mt Isa North and Carlingup.

"The Mt Isa North Copper-Uranium Project contains a number of high priority targets that we will look to progress over the coming months. At Carlingup, we are proceeding with the Program of Works application in order to allow lithium drilling at the Quarry North prospect in early 2025, subject to approvals."
