Dear Dawn

**Request for voluntary suspension**

Nzuri Copper Limited (**Company**) requests that ASX Limited place its securities in voluntary suspension and provides the following information in accordance with Listing Rule 17.2:

- A trading halt was granted to the Company on Friday, 6 October 2017 pending a response to an ASX price and volume query.
- ASX subsequently advised that it requires the Company to release the results of its feasibility study for its foundation project in the Democratic Republic of the Congo, the Kalongwe Copper-Cobalt Project, before the trading halt may be lifted. The Company anticipates that the results of the feasibility study will be positive, based on the results received to date.
- The Company anticipates that it will be in a position to announce the results of its feasibility study on or before Monday, 16 October 2017.
- The Company expects that the voluntary suspension will end by the release of the announcement referred to above.
- The Company is not aware of any reason why the requested voluntary suspension should not be granted.
