PERTH, AUSTRALIA 28 MARCH 2019: Peppermint Innovation Ltd (**ASX: PIL**) ("Peppermint" or "the Company") wishes to advise shareholders today advised that funding support from one of its strategic partners has been delayed.

On 1 March 2019, Peppermint advised that PEGG Capital Limited ("PEGG Capital") would fill a \$1.5m placement agreed by Smidge Digital Unit Trust ("Smidge") and announced on 30 October 2018. The \$1.5million placement for 60 million shares at 2.5 cents per share was to be completed by 31 March 2019.

PEGG Capital, a 600 million Euro Malta-based investment company, has advised Peppermint that unexpected delays in its business registration process in Malta will delay its financial commitment to the company by "no later than 30 April 2019".

The delays have been outside of PEGG Capital's control and have been in the ordinary course of business.

"We expect to be in a position to transfer our funds to Peppermint no later than 30 April 2019.

"We are highly encouraged by the progress and pickup in the commercial operations of Peppermint over the last six months and believe strongly in the growth trajectory of the Company.

"PEGG Capital looks forward to providing further, ongoing support to the Company and I welcome the opportunity to work with the Board to assist Peppermint with the next stage of the Company's growth."

"Peppermint is at a really exciting stage of growth with the Pilot launch of our Bizmoto Delivers program scheduled for 5 April, the ongoing build-up of our Bizmoto agent network which now has more than 11,800 registered agents, and a dedicated Social Media marketing campaign having just launched with an up and coming Social Media influencer in the Philippines (see www.bizmoto.com.ph).
