

ASX/Media Announcement

1 July 2019

PEOPLE INFRASTRUCTURE COMPLETES ACQUISITION OF TWO LEADING QLD HEALTHCARE STAFFING AGENCIES

People Infrastructure Ltd (“PPE” or “People Infrastructure”) today announced that the acquisitions of First Choice Care Pty Ltd (“First Choice”) and Carestaff Nursing Services Pty Ltd (“Carestaff”), as announced on 19 June 2019 have been completed.

For further information regarding the terms of the acquisitions, including the consideration, please refer to the People Infrastructure’s ASX announcement dated 19 June 2019.

First Choice and **Carestaff** are two of Queensland’s leading providers of nursing staff to QLD Health public hospitals, private hospitals and residential aged care operators across QLD. First Choice is the leading healthcare staffing agency in Brisbane and the Sunshine Coast (and also extends to central and north QLD). Carestaff is the leading healthcare staffing agency in the Gold Coast. The First Choice and Carestaff businesses have been operating for over 14 and 20 years respectively.

People Infrastructure (ASX: PPE) is a technology enabled workforce management company delivering innovative solutions to workforce challenges faced by Australia’s leading businesses. People Infrastructure is a diversified provider of workforce management services to various sectors including Health and Community (Hospitals, Aged Care, Disability and Youth Support), Information Technology and General Staffing (Mining, Construction, Manufacturing). People Infrastructure has a track record of successfully growing and acquiring businesses through leveraging its core workforce management technologies and capabilities.
