

## BAGOÉ ACCIDENT UPDATE

Perseus Mining Limited (ASX/TSX: PRU) regrets to advise that, following the announcement of a fatal offsite vehicle accident that occurred last Thursday 15 January near our Bagoé Gold Mine in Côte d'Ivoire, another occupant in that vehicle, also an employee of our contractor company Binkadi, who was receiving care in hospital, has passed away. The other passengers in the vehicle sustained minor injuries and have been released from hospital.

We extend our deepest sympathies to Mr Vakaramoko Sangare's family. Both Perseus and Binkadi are providing support to the family through this very difficult time. Perseus is also offering support to our entire team at the Sissingué complex as they come to terms with this tragic event.

Perseus is continuing the investigation into the accident and is working closely with the relevant Ivorian authorities.
