This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the General Meeting to be held at **11:00am** (AEST) on **Thursday 5 May 2022** as a **virtual meeting**.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

Full details of the business to be considered at the General Meeting are set out below.

Resolutions

Issue of Convertible Notes

Resolution 1 – Approval of the Issue of Convertible Notes

Background

On 5 April 2022, the Company announced a capital raising comprising a placement (“**Placement**”) to raise A\$1,499,999.94 and an offer of equity securities in the form of fully paid, unsecured, unsubordinated notes which are convertible into fully paid ordinary shares in the Company (“**Convertible Notes**”) to raise A\$8,000,001 (the Placement and the Convertible Notes, collectively the “**Offer**”).

This Resolution seeks Shareholder approval to issue and allot 35,555,560 Convertible Notes to the Noteholders.

The Company notes that the Convertible Notes will not be issued until Shareholder approval has been obtained for the purposes of ASX Listing Rule 7.1 as proposed by this Resolution.

The effect of this Resolution is for Shareholders to approve the issue of these Convertible Notes to fall within an exception to ASX Listing Rule 7.1, which will allow the Company to issue these without using the Company’s 15% capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company’s Shareholders under Listing Rule 7.1 will not use up the Company’s 15% limit and therefore does not reduce the Company’s capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to approve the issue of the Convertible Notes under and for the purposes of Listing Rule 7.1.

If this Resolution is passed, the issue of the Convertible Notes will be excluded in calculating the Company’s 15% limit in Listing Rule 7.1 to issue equity securities without Shareholder approval

over the 12 month period following the date on which the Convertible Notes are issued.

If this Resolution is not passed, the Company will not be able proceed with the issue of Convertible Notes.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) The Convertible Notes will be issued to the Noteholders.
- (b) The maximum number of Convertible Notes to be issued is 35,555,560.
- (c) The conversion price for each Convertible Note is A\$0.225 and the maximum number of Shares that can be issued on conversion of the Convertible Notes is 35,555,560 Shares.
- (d) The Convertible Notes will be:
 - 1) Fully paid, unsecured, unsubordinated and issued at an issue price of A\$0.225 per Note;
 - 2) Scheduled to pay a semi-annual fixed rate interest coupon;
 - 3) Redeemable by PYR for face value on the Maturity date, or semi-annually after the 2-year anniversary of the Notes; and
 - 4) Convertible semi-annually at the election of the Noteholder, by giving PYR at least 20 days' notice prior to coupon payment date.

The full terms of the Convertible Notes are set out in Annexure A of this Notice of Meeting.

- (e) The Convertible Notes will be issued by the Company within 3 months of Shareholder approval being obtained (or otherwise, as determined by the ASX in the exercise of their discretion).
- (f) The Convertible Notes will be offered at an issue price of A\$0.225 per Convertible Note, to raise A\$8,000,001
- (g) Funds raised from the issue of the Convertible Notes will be used by the Company to facilitate the transition to the Warehouse Facility in addition to working capital and further investments in the business that will allow for future growth of the Company. Together with the funds raised from the issue of Placement Shares, the funds raised from the issue of the Convertible Notes will be allocated as follows:

Use of Funds	Approx. allocation
Working Capital & Growth	\$2.3
Warehouse establishment & transition costs	\$4.9
Restricted & unencumbered cash requirements, and liquidity reserves	\$2.3
TOTAL	\$9.5 million

- (h) The Convertible Notes will be issued under a deed poll entered into by the Company in favour of each Noteholder. The material terms of the deed poll are set out in Annexure A of this Notice.

The table below shows the potential effect of the conversion of the Convertible Notes into Shares at the conversion price. The table is based on the following assumptions:

- the Convertible Notes are all converted in full; and

- the number of Shares on issue at the time of conversion is 89,100,980 and no other shares are issued prior to conversion.

Conversion Price	Number of Shares issued on conversion	Dilution to Shareholders
\$0.225	35,555,560	39.9%

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution.

Issue of Placement Shares

Resolution 2 – Approval of the Issue of Placement Shares

Background

On 5 April 2022, the Company announced a Placement offer of 8,333,333 Shares to strategic investor Fincap Australia Pty Ltd ("**Fincap**") at a price of A\$0.18 per Share.

This Resolution seeks Shareholder approval to issue and allot 8,333,333 Shares to Fincap.

The Company notes that the Placement Shares will not be issued until Shareholder approval has been obtained for the purposes of ASX Listing Rule 7.1 as proposed by this Resolution.

The effect of this Resolution is for Shareholders to approve the issue of these Placement Shares to fall within an exception to ASX Listing Rule 7.1, which will allow the Company to issue these without using the Company's 15% capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company's Shareholders under Listing Rule 7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to approve the issue of the Placement Shares under and for the purposes of Listing Rule 7.1.

If this Resolution is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 to issue equity securities without Shareholder approval over the 12 month period following the date on which the Placement Shares are issued.

As advised in the Company's ASX announcement on 5 April 2022, the proceeds from the Placement will be used to facilitate the transition to the Warehouse Facility, inclusive of one-off related costs, in addition to working capital and further investments in the business that will allow for future growth.

If this Resolution is not passed, the Company will not be able proceed with the issue of the Placement Shares.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) The Placement Shares will be issued to Fincap, a professional investor within the meaning of section 708 of the Corporations Act.
- (b) The number of Placement Shares that will be issued is 8,333,333.
- (c) The Placement Shares will be issued by the Company on the 2nd Business Day after Shareholder approval being obtained.
- (d) The Placement Shares will be issued at an issue price of A\$0.18 per Placement Share.
- (e) Funds raised from the issue of the Placement Shares will be used by the Company to facilitate the transition to the Warehouse Facility in addition to working capital and further investments in the business that will allow for future growth. Together with the funds raised from the issue of Convertible Notes, the funds raised from the issue of Placement Shares will be allocated as follows:

Use of Funds	Approx. allocation
Working Capital & Growth	\$2.3
Warehouse establishment & transition costs	\$4.9
Restricted & unencumbered cash requirements, and liquidity reserves	\$2.3
TOTAL	\$9.5 million

- (f) The Placement Shares will not be issued under any agreement and each Placement Share will rank pari passu with any ordinary shares in the Company.

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution.

Issue of Warrants

Resolution 3 – Approval of the Issue of Warrants

Background

As announced to the ASX on 5 April 2022, PYR has entered into a warehouse facility with senior lender Goldman Sachs International Bank and mezzanine lender iPartners ("**Warehouse Facility**"). In connection with the Warehouse Facility PYR plans to issue Warrants to the senior financier Goldman Sachs International Bank, in the form of options convertible into 2,714,079 Shares in the Company as of the launch date of the Offer ("**Warrants**"). This Resolution seeks Shareholder approval to issue and allot the *Warrants* to Goldman Sachs International Bank.

The effect of this Resolution is for Shareholders to approve the issue of these Warrants to fall within an exception to ASX Listing Rule 7.1, which will allow the Company to issue these without using the Company's 15% capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company's Shareholders under Listing Rule

7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to approve the issue of the Warrants under and for the purposes of Listing Rule 7.1.

If this Resolution is passed, the issue of the Warrants will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 to issue equity securities without Shareholder approval over the 12 month period following the date on which the Warrants are issued.

If this Resolution is not passed, the Company will issue the Warrants using the Company's 15% placement capacity in Listing Rule 7.1.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) The allottee is Goldman Sachs International Bank.
- (b) The number of Warrants to be issued is 2,714,079.
- (c) Each Warrant is convertible into one ordinary share in PYR and the key terms include:
 - 1) 4 year maturity;
 - 2) Exercisable at any time before the maturity date; and
 - 3) Exercise prices equals to the A\$0.1321, which is the VWAP of the Shares in the 5 trading days immediately preceding the launch date of the Offer.
- (d) The Warrants will be issued by the Company within 3 months after this General Meeting.
- (e) The Warrants will be issued for a nominal A\$10 in connection with the Warehouse Facility which provides the Company with debt funding to accelerate growth and reduce the Company's cost of funds.
- (f) The Warrants were issued under an agreement between the Company and Goldman Sachs International Bank.

The material terms of the Warrants are set out in Annexure B of this Notice

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution.
