EXPLANATORY STATEMENT

Receipt and Consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2021 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders.

You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9258 2100, and you may request that this occurs on a standing basis for future years. Alternatively, you may access the annual report at the Company's website: <https://salterbrothersemergingcompanies.com.au> or via the Company's announcement platform on ASX. Except for as set out in Resolution 1, no Resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2021 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must stand for re-election.

The Company was incorporated on 18 December 2020 and has not previously held an Annual General Meeting, therefore a spill resolution will not under any circumstances be required for the Meeting.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as described in the Remuneration Report), and that each Director (or any closely related party of a Director) is excluded from voting their shares on Resolution 1 (as described in the "Voting Exclusion Statements" section above), the Directors unanimously recommend that shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

Resolutions 2(a), 2(b) and 2(c): Re-election of Directors of the Company

Background

The Constitution of the Company requires that at the close of every Annual General Meeting a number of the Directors must retire from office (being the greater of the number determined by the Directors, required for compliance with the ASX listing rules or two Directors) and will be eligible for re-election at the Meeting. Further, the Listing Rules require that a director must not hold office past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

Resolution 3: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting ("**10% Placement Facility**") at which the approval for such additional capacity is approved by special resolution of Shareholders. The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The Company has not previously obtained shareholder approval for the 10% placement facility at it was incorporated on 18 December 2020 and first admitted to the Official List of the ASX on 16 June 2021.

If shareholders do not approve Resolution 3 then the Company will not be able to issue Equity Securities under the 10% Placement Facility for which approval is sought at the Meeting.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues to actively seek to enhance the value of its assets and new investments. Should the Company utilise the 10% Placement Facility, it intends to use the funds for investment activities, or to meet additional working capital requirements.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has one class of quoted securities on issue, being Fully Paid Ordinary Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of fully paid ordinary shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):

- (A) plus the number of fully paid ordinary shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (B) plus the number of fully paid ordinary shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;

- (C) plus the number of fully paid ordinary shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of any other fully paid ordinary shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
- (E) plus the number of partly paid ordinary shares that became fully paid in the relevant period;
- (F) less the number of fully paid ordinary shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in:

- (i) if the Company has been admitted to the official list for 12 months or more (being 16 June 2022 or later), the 12 month period immediately preceding the date of the issue or agreement; or
- (ii) if the Company has been admitted to the official list for less than 12 months (being before 16 June 2022), the period from 16 June 2021 to the date immediately preceding the date of the issue or agreement,

where the issue or agreement to issue has not been subsequently approved by the Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) Nature and Consideration for issue and Minimum Issue Price

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the relevant Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting after the Annual General meeting at which the approval is obtained;
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be valid commences on the date of the Annual General Meeting at which the approval is obtained, being 19 November 2021, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 19 November 2021 if shareholders approve Resolution 3;
 - (ii) the time and date of the Company's next annual general meeting after the Annual General meeting at which the approval is obtained;
 - (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the relevant Equity Securities; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 (for cash consideration only) may be used by the Company include:
 - (i) consideration for the acquisition(s) of new assets and investments, including the expenses associated with such acquisition(s) (provided the Equity Securities are issued for cash); and
 - (ii) continued expenditure on the Company's current investment activities and/or general working capital.
- (d) If this resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 18 October 2021 ("**Current Share Price**") and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.40 50% decrease in Current Share Price	\$0.80 Current Share Price	\$1.60 100% increase in Current Share Price
Current Variable A 94,392,046 Shares	10% Voting Dilution	9,439,205 Shares		
	Funds raised	\$3,775,682	\$7,551,364	\$15,102,727
50% increase in current Variable A 141,588,069 Shares	10% Voting Dilution	14,158,807 Shares		
	Funds raised	\$5,663,523	\$11,327,046	\$22,654,091
100% increase in current Variable A 188,784,092 Shares	10% Voting Dilution	18,878,409 Shares		
	Funds raised	\$7,551,364	\$15,102,727	\$30,205,455

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares or other convertible securities are converted to Shares before the date of the issue of the Equity Securities.
 - The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the General Meeting.
 - The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - The Current Share Price is \$0.80 (eighty cents), being the closing price of the Shares on ASX on 18 October 2021.
- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new businesses, assets or investments (provided that the Equity Securities are issued for cash consideration).

Equity Issues over the Last 12 Months – Listing Rule 7.3A.6

Due to the forward looking nature of the approval, the allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

The Company has not previously obtained shareholder approval under ASX Listing Rule 7.1A and accordingly the Company has not previously issued any Equity Securities under ASX Listing Rule 7.1A.

At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. Accordingly, no existing Shareholder's votes will therefore be excluded and there is no voting exclusion for Resolution 3 in this Notice.

Board Recommendation

The Board believes that Resolution 3 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution. The Chairperson of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
