EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the *Corporations Act*, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.southharzpotash.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The *Corporations Act* requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were more than 25%. Accordingly, the Spill Resolution will be relevant for this Meeting if at least 25% of the votes cast on this Resolution are voted against adoption of the Remuneration Report. Refer to Resolution 2 and Section 3 for further information.

3. RESOLUTION 2 – SPILL RESOLUTION

If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw Resolution 2.

3.1 General

The *Corporations Act* requirements for this Resolution to be put to vote are set out in Section 2.2.

The effect of this Resolution being passed is the Company will be required to hold another meeting of Shareholders within 90 days of the date of this Meeting (**Spill Meeting**) and the Vacating Directors will cease to hold office immediately before the end of the Spill Meeting. The business of the Spill Meeting will be to put to vote resolutions to appoint persons to offices vacated by the Vacating Directors.

In the event a Spill Meeting is required a separate notice of meeting will be distributed to Shareholders with details about those persons who will seek election as directors of the Company at the Spill Meeting.

3.2 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the voting restrictions applying to Resolution 1 apply in the same manner to this Resolution.

The value of the Incentive Options was calculated using a Black & Scholes Option Pricing Model with the exercise price set as a 75% premium to the current share price as at 15 September 2023.

The pricing methodology is set out in Schedule 1.

- (i) the Incentive Options will be issued to the Directors no later than 3 years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Incentive Options will be issued on one date;
- (j) the issue price of the Incentive Options will be nil, as such no funds will be raised from the issue of the Incentive Options (other than in respect of funds received on exercise of the Incentive Options);
- (k) the purpose of the issue of the Incentive Options is to provide a performance linked incentive component in the remuneration package for the Directors to align the interests of the Directors with those of Shareholders, to motivate and reward the performance of the Directors in their roles as Directors and to provide a cost effective way from the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Directors;

- (d) general working capital (which include the general costs associated with the management and operation of the Company's business including administration expenses, management salaries, Director fees, rent, insurance and other associated costs).

10. RESOLUTIONS 9 TO 11 – RATIFICATION OF PRIOR ISSUE OF SHARES AND OPTIONS

10.1 General

As set in Section 9.1 above, as part of the Capital Raising, the Company completed the issue of 80,496,996 Shares and 20,123,480 Options to raise \$2,414,820 under the Placement.

Resolution 9 and 10 seek Shareholder ratification for the prior issue of 80,496,996 Shares.

Resolution 11 seeks Shareholder ratification for the prior issue of 20,123,480 Options.

The issue of the Shares and Options did not breach Listing rule 7.1 at the time of issue.

10.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 16 December 2022.

The issue of the Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the Shares.

The issue of the Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the Options.

10.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares and the Options.

Resolutions 9 and Resolution 10 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

Resolution 11 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

10.4 Technical information required by Listing Rule 14.1A

If Resolution 9 and 10 are passed, the Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Shares.

If Resolution 9 and 10 are not passed, the Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Shares.

If Resolution 11 is passed, the Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Options.

If Resolution 11 is not passed, the Options will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of Equity Securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Options.

10.5 Technical information required by Listing Rule 7.5 – Shares

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolutions 9 and 10:

The recipients were identified through a bookbuild process, which involved Morgans seeking expressions of interest to participate in the Capital Raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients of the Shares were:

 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the 20,123,480 Options were issued on 10 August 2023;
- (d) the terms and conditions of the Options are set out in Schedule 4;

- (f) the purpose of the issue of the Options is to incentivise participants in the Placement; and
- (g) the Options are not being issued under an agreement.

11. RESOLUTIONS 12(A) TO 12(E) – APPROVAL FOR DIRECTOR PARTICIPATION IN THE PLACEMENT

11.1 General

As set out in Section 9.1, Resolutions 12(a) to 12(e) seek Shareholder approval for the Directors (other than Mr Cornelius) to participate in the Placement (**Director Participation**), for an aggregate of 8,166,667 Shares and 1,791,667 Options on the same terms as the Placement (together, the **Director Participation Securities**) as follows:

Should Resolution 12(a) to 12(e) be passed, the Company will receive an additional \$245,000 from the Director Participation to be applied towards the activities set out in Section 9.2.

11.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the *Corporations Act*; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the *Corporations Act*.

A summary of Chapter 2E of the *Corporations Act* is set out in Section 6.2 above.

The issue of the Securities to the Related Parties (or their nominee(s)) constitutes giving a financial benefit and each of the Related Parties are related parties of the Company by virtue of each being a director of the Company.

In respect of Resolution 12(a), the Directors (other than Dr Koopmans who has a material personal interest in Resolution 12(a)) consider that Shareholder approval pursuant to Chapter 2E of the *Corporations Act* is not required in respect of Resolution 12(a) because the Securities will be issued on the same terms as the Securities issued under the Placement to non-related party participants and as such, the giving of the financial benefit is on arm's length terms.

In respect of Resolution 12(b), the Directors (other than Mr Luff who has a material personal interest in Resolution 12(b)) consider that Shareholder approval pursuant to Chapter 2E of the *Corporations Act* is not required in respect of Resolution 12(b) because the Securities will be issued on the same terms as the Securities issued under the Placement to non-related party participants and as such, the giving of the financial benefit is on arm's length terms.

In respect of Resolution 12(c), the Directors (other than Mr Jubber who has a material personal interest in Resolution 12(c)) consider that Shareholder approval pursuant to Chapter 2E of the *Corporations Act* is not required in respect of Resolution 12(c) because the Securities will be issued on the same terms as the Securities issued under the Placement to non-related party participants and as such, the giving of the financial benefit is on arm's length terms.

In respect of Resolution 12(d), the Directors (other than Mr da Silva who has a material personal interest in Resolution 12(d)) consider that Shareholder approval pursuant to Chapter 2E of the *Corporations Act* is not required in respect of Resolution 12(d) because the Securities will be issued on the same terms as the Securities issued under the Placement to non-related party participants and as such, the giving of the financial benefit is on arm's length terms.

In respect of Resolution 12(e), the Directors (other than Mr Farmer who has a material personal interest in Resolution 12(e)) consider that Shareholder approval pursuant to Chapter 2E of the *Corporations Act* is not required in respect of Resolution 12(e) because the Securities will be issued on the same terms as the Securities issued under the Placement to non-related party participants and as such, the giving of the financial benefit is on arm's length terms.

11.3 Listing Rule 10.11

A summary of Listing Rule 10.11 is set out in Section 6.3 above.

The Director Participation falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 12(a) to 12(e) seek the required Shareholder approval for the issue of the Securities under and for the purposes of Listing Rule 10.11.

11.4 Technical information required by Listing Rule 14.1A

If each of Resolutions 12(a) to 12(e) are passed, the Company will be able to proceed with the issue of the Securities to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Securities (because approval is being obtained under Listing Rule 10.11), the issue of the Securities will not use up any of the Company's 15% annual placement capacity.

If any of Resolutions 12(a) to 12(e) are not passed, the Company will not be able to proceed with the issue of the Securities and the Company will not raise up to \$245,000 via the Director Participation.

Resolutions 12(a) to 12(e) seek approval for individual issues and are not dependent on one another.

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolutions 12(a) to 12(e) :

12.1 General

As set out in Section 9.1, Resolution 13 seeks Shareholder approval to ratify the issue of the 5,478,790 Options to Morgans.

The issue of the Options did not breach Listing Rule 7.1 at the time of issue.

12.2 Listing Rule 7.1

A summary of Listing Rule 7.1 and 7.1A is set out in Section 10.2.

12.3 Listing Rule 7.4

The issue of the Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

Resolution 13 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

12.4 Technical information required by Listing Rule 14.1A

If is passed, the Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Options.

If Resolution 13 is not passed, the Options will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of Equity Securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Options.

12.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 13

13. RESOLUTION 14 – APPROVAL TO ISSUE OPTIONS

13.1 General

Resolution 14 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of up to 8,249,984 Options (being one Option for every four Shares subscribed for and issued pursuant to the SPP).

Refer to Section 9.1 for further information with respect to the SPP.

13.2 Listing Rule 7.1 and 7.1A

A summary of Listing Rule 7.1 and 7.1A is set out in Section 10.2 above.

The proposed issue of the Options falls within exception 17 of Listing Rule 7.2. It therefore requires the approval of Shareholders under Listing Rule 7.1.

13.3 Technical information required by Listing Rule 14.1A

If Resolution 14 is passed, the Company will be able to proceed with the issue of the Options. In addition, the issue of the Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 14 is not passed, the Company will not be able to proceed with the issue of the Options and the Company may potentially consider alternate ways to incentivise the SPP participants. For the avoidance of doubt, if Resolution 14 is not passed the SPP Participants will not receive Options as part of the SPP.

Resolution 14 is independent of all Resolutions in this Notice.

Resolution 14 seeks Shareholder approval for the purpose of Listing Rule 7.1 for the issue of the Options.

13.4 Technical information required by Listing Rule 7.3

- (f) the issue price will be nil per Option as the Options will be issued free attaching to the Shares issued under the SPP. Accordingly, the Company will not receive any consideration for the issue of the Options (other than on exercise of the Options);
- (g) the purpose of the issue of the issue of the SPP Option is to incentivise SPP Participants;
- (h) the Options are being issued in accordance with the terms and conditions of the SPP; and
- (i) the Options are not being issued under, or to fund, a reverse takeover.

14. RESOLUTION 15 – RATIFICATION OF PRIOR ISSUE OF SIGN ON OPTIONS

14.1 General

The Company issued 1,000,000 Options to Seamus Cornelius on 21 August 2023 in accordance with his appointment as Director of the Company, under exception 12 of Listing Rule 10.12 (**Sign on Options**).

On 21 August 2023, Mr Seamus Cornelius was appointed as non-executive director of the Company.

14.2 ASX Listing Rule 7.1

As summarised in Section 10.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 16 December 2022.

The issue of the Sign on Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Sign on Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Sign on Options.

Resolution 15 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Sign on Options.

14.3 Information required by Listing Rule 14.1A

If Resolution 15 is passed, the Sign on Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Sign on Options.

If Resolution 15 is not passed, the Sign on Options will be included in calculating the combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Sign on Options.

14.4 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 15:

- (a) 1,000,000 Sign on Options were issued to Seamus Cornelius;

15. RESOLUTION 16– APPROVAL OF 7.1A MANDATE

15.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$23,545,710 (based on the number of Shares on issue and the closing price of Shares on the ASX on 7 September 2023).

Resolution 16 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 16 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 16 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

15.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 16:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 15.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the development of the Company's business and the acquisition of new assets or investments.

(d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 16 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate,

the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 7 September 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in ASX Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.017	\$0.033	\$0.05
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	726,875,473	72,687,547	\$1,235,688	\$2,398,689	\$3,634,377
50% increase	1,090,313,210	109,031,320	\$1,853,532	\$3,598,033	\$5,451,566
100% increase	1,453,750,946	145,375,094	\$2,471,376	\$4,797,378	\$7,268,754

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are currently 722,974,029 Shares on issue comprising:
 - 713,506,362 existing Shares as at the date of this Notice;
 - 13,369,111 Shares which will be issued if Resolution 6, Resolution 8 and 12 are passed at this Meeting; and
- The issue price set out above is the closing market price of the Shares on the ASX on 7 September 2023 (being \$0.033).
- The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

During the 12-month period preceding the date of the Meeting, being on and from 26 October 2022, the Company issued 60,000,000 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 11.3% of the total diluted number of Equity Securities on issue in the Company on 26 October 2022, which was 532,679,096. It is noted that Resolution 10 seeks ratification of the 60,000,000 Shares.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue:

3. This is a statement of current intentions as at the date of this Notice.
