Please find attached Spark Infrastructure's announcement relating to its entry into a Scheme Implementation Deed with a consortium comprising Kohlberg Kravis Roberts & Co. L.P., Ontario Teachers' Pension Plan Board and the Public Sector Pension Investment Board.

The announcement is authorised for release by the Board of Directors of Spark Infrastructure.

General Counsel and Company Secretary

23 August 2021**SPARK INFRASTRUCTURE ENTERS INTO SCHEME IMPLEMENTATION DEED
WITH CONSORTIUM OF KKR, ONTARIO TEACHERS' AND PSP INVESTMENTS****Highlights**

- Spark Infrastructure has agreed terms of a binding offer ("the Offer") from KKR, Ontario Teachers' and PSP Investments (together "the Consortium"), in which the Consortium will acquire all of the units in the Spark Infrastructure Trust by means of a Trust Scheme and all of the loan notes issued by Spark RE by means of a Creditors' Scheme.
- The Offer (based on \$2.95 per stapled security, i.e. before payment of the interim distribution of 6.25 cents per stapled security ("cps")) values Spark Infrastructure at an equity value of \$5.2 billion and an enterprise value of \$10.1 billion.
- Spark Infrastructure securityholders¹ will receive total value of \$2.95 cash per stapled security before franking credits, plus additional consideration if the Schemes have not been implemented by 15 February 2022.
- The total value of \$2.95 cash per stapled security comprises:
 - i. cash consideration from the Consortium of approximately \$2.7675 per stapled security, plus
 - ii. Spark Infrastructure's interim distribution for 2021 of 6.25 cps², plus
 - iii. a franked special distribution expected to be approximately 12.00 cps³.
- The special distribution will be franked to the fullest extent possible, which will provide certain Spark Infrastructure securityholders⁴ who can utilise the full benefit of franking credits with an additional benefit of approximately 5.00 cps. Spark Infrastructure's interim distribution for 2021 is also expected to carry franking credits of approximately 1.5 cps.
- The Board of Directors of Spark Infrastructure unanimously recommends that Securityholders vote in favour of the Schemes at the scheme meetings, in the absence of a Superior Proposal and subject to an independent expert concluding in the independent expert's report (and continuing to conclude) that the Schemes are in the best interests of Spark Infrastructure securityholders.
- The Schemes are subject to approval by Spark Infrastructure securityholders at Scheme meetings which are expected to be held by the end of 2021.
- If the Schemes have not been implemented by 15 February 2022, Spark Infrastructure securityholders will be entitled to additional cash consideration of 1.00 cps on 15 February 2022 and approximately 1.00 cps⁵ per month thereafter, calculated daily, from that date until implementation.

¹ Subject to being on the Spark Infrastructure register on the relevant record date.

² In order to receive the interim distribution for 2021, Securityholders must have been on the register on the distribution record date of 8 July 2021. The interim distribution is payable on 15 September 2021.

³ If the Schemes are implemented after 31 December 2021, the amount of the special distribution will be adjusted for the Final Distribution for 2021.

⁴ The ability of Spark Infrastructure securityholders to benefit from franking credits depends on their individual tax circumstances, including their tax residency and marginal tax rate.

⁵ The additional cash consideration daily rate is \$0.0003333 per day for the period after 15 February 2022.

Transaction Update

Spark Infrastructure RE Limited (ACN 114 940 984) (in its capacity as responsible entity of Spark Infrastructure Trust (ARSN 116 870 725)) ("Spark Infrastructure") announces that it has entered into a Scheme Implementation Deed ("SID") with an entity owned by Kohlberg Kravis Roberts & Co. L.P. ("KKR"), on behalf of certain of its affiliate infrastructure investment funds, vehicles and entities managed and/or advised by it or its affiliates, Ontario Teachers' Pension Plan Board ("Ontario Teachers") and Public Sector Pension Investment Board ("PSP Investments"), together the Consortium.

Background

On 15 July 2021, Spark Infrastructure announced that it had received two conditional and non-binding proposals from the Consortium⁶ to acquire all of the ordinary stapled securities in Spark Infrastructure by way of a scheme. The proposals included an initial proposal ("Initial Proposal") for all cash consideration of \$2.70 per stapled security, to be reduced to the extent that Spark Infrastructure pays or declares a distribution to its Securityholders prior to the implementation of the proposed transaction, and a subsequent revised proposal ("Revised Proposal") for all cash consideration of \$2.80 per stapled security on the same basis as the Initial Proposal. Spark Infrastructure had already announced on 1 July 2021 an interim distribution for 2021 of 6.25 cps payable on 15 September 2021, hence the implied consideration under each of the Initial Proposal and the Revised Proposal was \$2.6375 per stapled security and \$2.7375 per stapled security respectively.

On 28 July 2021 Spark Infrastructure announced that it had received a further revised proposal ("Further Revised Proposal") from the Consortium for all cash consideration of \$2.95 per stapled security, to be reduced to the extent that Spark Infrastructure pays or declares a distribution to its Securityholders prior to the implementation of the proposed transaction. The implied consideration under the Further Revised Proposal was \$2.8875 per stapled security.

The Further Revised Proposal was received following the provision of limited information regarding Spark Infrastructure's business and its prospects by Spark Infrastructure to the Consortium after the signing of a Confidentiality Agreement. Following careful consideration, and consultation with its advisers, the Board of Spark Infrastructure considered that it was in the interests of Spark Infrastructure's securityholders to engage further with the Consortium, and agreed to provide the Consortium with the opportunity to conduct due diligence on a non-exclusive basis.

The Consortium has completed due diligence and Spark Infrastructure has now entered into a Scheme Implementation Deed ("SID") with the Consortium.

Overview of the Schemes

Under the SID, it is proposed that the Consortium will acquire all of the units in the Spark Infrastructure Trust by means of a Trust Scheme (the "Trust Scheme") and all of the loan notes issued by Spark RE by means of a Creditors' Scheme (the "Creditors' Scheme"), together the Schemes (the "Schemes").

If the Schemes are implemented, Spark Infrastructure securityholders can receive a total value of \$2.95 cash per stapled security, comprising cash consideration from the Consortium of approximately \$2.7675 per stapled security, Spark Infrastructure's interim distribution for 2021 of 6.25 cps⁷, plus a franked special distribution expected to be approximately 12.00 cps⁸.

⁶ On 10 August 2021 it was announced that PSP Investments had joined the previous consortium of KKR and OTPP.

⁷ In order to receive the interim distribution for 2021, Securityholders must have been on the register on the distribution record date of 8 July 2021. The interim distribution is payable on 15 September 2021.

⁸ If the Schemes are implemented after 31 December 2021, the amount of the special distribution will be adjusted for the Final Distribution for 2021.

After payment of the interim distribution for 2021 of 6.25 cps in September 2021, the total value to be paid to Spark Infrastructure securityholders under the Schemes will be \$2.8875 per stapled security which represents:

- an increase of \$0.25 per stapled security (approximately 9.5%) to the implied price offered under the Initial Proposal from the Consortium of \$2.6375 per stapled security;
- a 26% premium to the closing price of \$2.30 per stapled security on 13 July 2021, being the date prior to Spark Infrastructure's securities being placed in trading halt on 14 July 2021 pending Spark Infrastructure's announcement on 15 July 2021; and
- a 31% premium to the three month volume weighted average price ("VWAP") up to and including 13 July 2021 of \$2.20 per stapled security.

Under the SID, Spark Infrastructure is permitted to pay a special distribution expected to be approximately 12.00 cps, franked to the fullest extent possible.⁹ This will provide certain Spark Infrastructure securityholders¹⁰ who can utilise the full benefit of franking credits with an additional benefit of approximately 5.00 cps. To the extent that the special distribution is paid, the consideration to be received under the Schemes will be reduced by the cash amount of the special distribution. The quantum of the special distribution will depend upon the availability of franking credits and may be less than the amount currently expected.

Assuming the special distribution is approximately 12.00 cps fully franked, inclusive of 5.00 cps of franking credits, certain eligible Spark Infrastructure securityholders who can utilise the full benefit of available franking credits would potentially receive a total value under the Schemes of approximately \$2.9375 per security (not including the interim distribution for 2021 of 6.25 cps which is expected to also have franking credits of approximately 1.5 cps attached).

Further consideration in the event of delays

The Offer is subject to a number of conditions which may delay the intended Scheme meetings which are expected to be held by the end of 2021.

If the Schemes have not been implemented by 15 February 2022, Spark Infrastructure securityholders will be entitled to additional cash consideration of 1.00 cps on 15 February 2022 and a further \$0.0003333 per stapled security (approximately 1.00 cps per month) for every day thereafter up to the date of implementation.¹¹

Spark Infrastructure Board unanimously recommends the Schemes

The Board of Directors of Spark Infrastructure unanimously recommends that Securityholders vote in favour of the Schemes at the scheme meetings, in the absence of a Superior Proposal and subject to an independent expert concluding in the independent expert's report (and continuing to conclude) that the Schemes are in the best interests of Spark Infrastructure securityholders. Subject to the same qualifications, each Spark Infrastructure Board member intends to vote, or procure the voting of, any Spark Infrastructure stapled securities held or controlled by them in favour of the Schemes.

Spark Infrastructure Chair Doug McTaggart said: "The Spark Infrastructure Board unanimously recommends Securityholders vote in favour of the Schemes in the absence of a superior proposal and subject to the independent expert concluding and continuing to conclude that the Schemes are in the best interests of Spark Infrastructure securityholders. The Board and management have engaged

⁹ If the Schemes are implemented after 31 December 2021, the amount of the special distribution will be adjusted for the Final Distribution for 2021.

constructively with the Consortium over several months to secure additional value beyond the initial approach. The Board believes that the agreed Scheme value appropriately reflects the scarcity value of Spark Infrastructure's Tier One assets and their reliable and inflation-linked operating cashflows, our attractive pipeline of growth projects and the important future role our businesses will play in the decarbonising of Australia's electricity grid."

Spark Infrastructure Managing Director Rick Francis said: "Spark Infrastructure's businesses will continue to play a critical role in the transformation of Australia's energy sector. The investments we have made in distribution, transmission and renewables put Spark Infrastructure front and centre of Australia's low-emissions energy future. We are pleased this has been recognised in the Scheme consideration agreed with the Consortium."

The Consortium said: "We are excited to invest in Spark Infrastructure's leading portfolio of electricity networks and help to advance its mission to provide essential energy infrastructure to the millions of customers across Australia that rely on Spark Infrastructure's assets. The Consortium takes its role as a steward of critical infrastructure seriously and we look forward to working with our partners and stakeholders to support Australia's energy transition and decarbonisation efforts."

Details of the SID

The Schemes are subject to various conditions. A copy of the SID, which sets out the terms and conditions of the Schemes and associated matters, is attached to this announcement. Capitalised terms used in this section below have the meaning given to those terms in the SID.

In summary, conditions for implementation of the Schemes, include:

- approval of Australia's Foreign Investment Review Board ("FIRB");
- the Consortium obtaining foreign merger clearances;
- approval of Spark Infrastructure securityholders;
- the Independent Expert issues an Independent Expert's Report which concludes that the Schemes are in the best interests of the Spark Infrastructure securityholders;
- approval of the Creditor's Scheme by the Court;
- no Spark Infrastructure Prescribed Occurrence or Material Adverse Change occurring; and
- other customary conditions.

Under the SID, Spark Infrastructure is subject to customary exclusivity obligations, including "no shop", "no talk" (subject to customary fiduciary exceptions) and notification obligations. The SID also contains a matching right regime in respect of any Superior Proposal received by Spark Infrastructure. The SID also details circumstances under which a Reimbursement Fee of \$52 million may be payable by Spark Infrastructure to the Consortium, or a Reverse Reimbursement Fee of \$52 million may be payable by the Consortium to Spark Infrastructure, in certain circumstances.

Indicative timetable and next steps

A Scheme booklet, which will contain important information relating to the Schemes and the Scheme meetings, the reasons for the Spark Infrastructure Board recommendation, and the Independent Expert's Report, is currently expected to be sent to securityholders in Quarter 4, 2021.

The Schemes are subject to approval by Spark Infrastructure securityholders at the Scheme meetings which are currently expected to be held by the end of 2021.

Spark Infrastructure is being advised by Goldman Sachs and Herbert Smith Freehills.

Spark Infrastructure makes this statement, and will continue to keep the market informed, in accordance with its continuous disclosure obligations. In the interim, Securityholders do not need to take any action at the present time.

- (d) **ASIC/ASX Relief:** ASIC and ASX issue or provide such consents, waivers and approvals and do such other acts that are necessary to implement the Schemes and none of those consents, waivers or approvals has been withdrawn, revoked or adversely amended before 8.00am on the Second Court Date;
- (e) **Securityholder approval:**

 - (2) there is no occurrence within its control or the control of any of its Related Entities that would prevent any of the Conditions Precedent being or remaining satisfied.
- (d) Spark RE will not be in breach of its obligations under clause 3.2(a) or clause 3.2(c) to the extent that it takes an action or omits to take an action:
 - (1) as required or expressly permitted by this deed (including without limitation taking an action or omitting to take an action in response to a Competing Proposal as permitted by clause 11); or

- provided that the Consortium Sub may withhold or redact information or documents from Spark RE if and to the extent that they are either confidential to a third party or commercially sensitive and confidential to the applicant or subject to legal professional privilege in favour of the party.
- (f) Spark RE will provide the Consortium Sub with all assistance and information that it reasonably requests in connection with an application for the Regulatory Approvals to be lodged by the Consortium Sub.

3.3 Waiver of Conditions Precedent

- (a) The Conditions Precedent in clauses 3.1(a), 3.1(b), 3.1(c), 3.1(d), 3.1(e) and 3.1(g) cannot be waived.
- (b) The Conditions Precedent in clauses 3.1(i), 3.1(j) and 3.1(k) are for the sole benefit of the Consortium Sub and may only be waived by the Consortium Sub (in its absolute discretion) in writing.
- (c) The Condition Precedent in clause 3.1(f) is for the sole benefit of Spark RE and may only be waived by Spark RE (in its absolute discretion) in writing.
- (d) The Condition Precedent in clause 3.1(h) is for the benefit of both parties and may only be waived by written agreement between the Consortium Sub and Spark RE (in each case in their respective absolute discretion).
- (e) If a party waives the breach or non-satisfaction of any of the Conditions Precedent in clause 3.1, for clarity it also waives its right to sue the other party for any breach of this deed that resulted in the breach or non-satisfaction of the relevant Condition Precedent.
- (f) Waiver of a breach or non-satisfaction in respect of one Condition Precedent does not constitute:
 - (1) a waiver of breach or non-satisfaction of any other Condition Precedent resulting from the same event; or
 - (2) a waiver of breach or non-satisfaction of that Condition Precedent resulting from any other event.

3.4 Termination on failure of Condition Precedent

- (a) If there is an event or occurrence that would or does prevent any of the Conditions Precedent being satisfied (including, for the avoidance of doubt, if

Spark Securityholders do not agree to the Trust Scheme Resolutions at the Trust Scheme Meeting or to the Creditors' Scheme Resolutions at the Creditors' Scheme Meeting by the requisite majorities), or if any of the Conditions Precedent will not otherwise be satisfied, by the earlier of:

- (1) the time and date specified in this deed for the satisfaction of that Condition Precedent; and
- (2) the End Date,

or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable), then either party may give the other party written notice (**Consultation Notice**) within 5 Business Days after a relevant notice being given under clause 3.5(b) and the parties then must consult in good faith to:

- (1) consider and, if agreed, determine whether the Transaction may proceed by way of alternative means or methods or whether, in the case of a breach of a Condition Precedent in clauses 3.1(i) or 3.1(j), the breach or the effects of the breach is or are able to be remedied; or
- (2) consider changing and, if agreed, change, the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Creditors' Scheme or to seek the Second Judicial Advice (or both) or adjourning either or both applications (as applicable) to another date agreed to in writing by the Consortium Sub and Spark RE (being a date no later than 5 Business Days before the End Date), unless there is no reasonable prospect that the Condition Precedent will be satisfied before the End Date; or
- (3) consider extending and, if agreed, extend, the relevant date or End Date,

respectively.

- (b) Subject to clause 3.4(c), if the parties are unable to reach agreement under clause 3.4(a) within 5 Business Days after the date on which the Consultation Notice is given, then, unless:
 - (1) the relevant Condition Precedent has been waived in accordance with clause 3.3; or
 - (2) each party (or parties) entitled to waive the relevant Condition Precedent in accordance with clause 3.3 confirms in writing to the other party that it will not rely on the event or occurrence that would or does prevent the relevant Condition Precedent from being satisfied, or would mean the relevant Condition Precedent would or will not otherwise be satisfied,

either party may terminate this deed without any liability to the other party because of that termination (except as provided under clause 14.4). For the avoidance of doubt, nothing in this clause 3.4(b) affects the obligation of Spark RE to pay the Reimbursement Fee if it is required to do so under clause 12, or the obligation of the Consortium Sub to pay the Reverse Reimbursement Fee if it is required to do so under clause 13.

- (c) A party may not terminate this deed pursuant to clause 3.4(b) if:
 - (1) the relevant occurrence or event, the failure of the Condition Precedent to be satisfied, or the failure of the Schemes to become Effective, arises out of a breach of clauses 3.2 or 3.5 by that party,

although in such circumstances the other party may still terminate this deed; or

- (2) the relevant Condition Precedent is stated in clause 3.3 to be for the sole benefit of the other party.

3.5 Notices relating to Conditions Precedent

If a party becomes aware of:

- (a) the satisfaction of a Condition Precedent or of any material progress towards such satisfaction; or
- (b) the happening of an event or occurrence that would, does, will, or would reasonably be likely to:
 - (1) prevent a Condition Precedent being satisfied; or
 - (2) mean that any Condition Precedent will not otherwise be satisfied, before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date (including, for the avoidance of doubt, if Spark Securityholders do not agree to the Trust Scheme Resolutions at the Trust Scheme Meeting or to the Creditors' Scheme Resolutions at the Creditors' Scheme Meeting by the requisite majorities),

it must advise the other party by notice in writing, as soon as possible.

 - (1) the Spark Board accelerating the vesting of, or waiving any vesting conditions or vesting periods applying to, any or all Spark Performance Rights (subject to the proper exercise of the Spark Board's discretion); and
 - (2) Spark RE (at its election):
 - (A) issuing or procuring the issue or transfer of such number of Spark Securities as required by the terms of the Spark Performance Rights before the Scheme Record Date so that the holders of Spark Performance Rights can participate as Scheme Securityholders in the Schemes and receive the Scheme Consideration; or
 - (B) making cash payments for an amount equal to the Scheme Consideration (less any amounts required to be withheld under any applicable Law) to holders of Spark Performance Rights in lieu of the issue or transfer of Spark Securities, pursuant to the terms of the Spark Performance Rights.
- (b) As soon as reasonably practicable after the date of this deed, Spark RE must use its reasonable endeavours to procure that the ASX grants a waiver from rule 6.23 of the Listing Rules (to the extent required) in connection with any actions to be taken by Spark RE under this clause 4.5. If the waiver is not obtained before the First Court Date, then Spark RE agrees to seek any approvals that are required from Spark Securityholders under rule 6.23 of the Listing Rules in connection with any actions to be taken by Spark RE under this clause 4.5.

 - (2) take all necessary steps and exercise all rights necessary to implement the Transaction,in accordance with the Timetable.
- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 5.1(a) to the extent that such failure is due to circumstances and matters outside the party's control, acting reasonably, (including, for the avoidance of doubt, any delays caused by a Government Agency) or due to Spark RE taking or omitting to take any action in response to a Competing Proposal as permitted by this deed.
- (c) Each party must keep the other informed about their progress against the Timetable and notify each other if it believes that any of the dates in the Timetable are not achievable.
- (d) To the extent that any of the dates or timeframes set out in the Timetable become not achievable due to matters outside of a party's control, the parties will consult in good faith to agree to any necessary extension to ensure such matters are completed within the shortest possible timeframe.

 - (4) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 11.3(b).

Clause 11.3(b) does not prohibit any action or inaction by Spark RE, any of its Related Entities or any of their respective Related Persons, in relation to an actual, proposed or potential bona fide Competing Proposal received by Spark RE in writing if the Spark Board determines that:

- (a) after consultation with its advisers, such Competing Proposal is a Superior Proposal or could reasonably be expected to become a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, compliance with that clause would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the directors of Spark RE,

provided that such Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 11.3(a) and Spark RE has complied with its obligations under clause 11.5 in relation to the Competing Proposal.

11.5 Notification of approaches

- (a) During the Exclusivity Period, Spark RE must as soon as possible (and in any event within 24 hours) notify the Consortium Sub in writing if it:

 - (2) becomes aware of any request made by a Third Party (whether to Spark RE or to any other Spark Group Member, or any of their respective Related Persons) for any Non-Public Spark Information, other than where the Spark Board reasonably believes that such request is not in connection with such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of, any actual, proposed or potential Competing Proposal;
 - (3) or a Spark Group Member, decides to disclose Non-Public Spark Information to any person in connection with an actual, proposed or potential Competing Proposal; or

- (b) A notification given under clause 11.5(a) must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Proposal and material details of the actual, proposed or potential Competing Proposal (to the extent known by Spark RE) including all material terms and conditions (including consideration).

11.6 Matching right

- (a) Without limiting clause 11.3, during the Exclusivity Period, Spark RE must not, and must procure that Spark Group Members do not, enter into any agreement, arrangement or understanding (whether or not in writing, but not including an agreement or arrangement falling within clause 11.6(b)) in relation to an actual, proposed or potential Competing Proposal unless:
 - (1) the Spark Board acting in good faith and in order to satisfy what the Spark Board Members consider to be their statutory or fiduciary duties (having received written legal advice from its external legal advisers) determines that the Competing Proposal is, or would be or would be reasonably likely to be, an actual, proposed or potential Superior Proposal;
 - (2) Spark RE has provided the Consortium Sub with the material terms and conditions of the actual, proposed or potential Competing Proposal (including price) (in each case, to the extent known) and the identity of the Third Party making the actual, proposed or potential Competing Proposal;
 - (3) Spark RE has given the Consortium Sub at least five Business Days after the date of the provision of the information referred to in clause

- (b) Without limiting clause 11.3, entry by Spark RE into a confidentiality agreement with (or providing due diligence access to) a Third Party will not of itself trigger the matching right process set out in clause 11.6(a).
- (c) If the Consortium Sub announces or otherwise proposes or provides amendments to the Schemes or a new proposal (**Consortium Sub Counterproposal**) by the expiry of the 5 Business Day period in clause 11.6(a)(3), then Spark RE must procure that the Spark Board considers the Consortium Sub Counterproposal and, acting reasonably and in good faith, determines whether the Consortium Sub Counterproposal would provide an equivalent or superior outcome for Spark Securityholders as a whole (other than Excluded Securityholders) compared with the Competing Proposal, taking into account all of the terms and conditions of the Consortium Sub Counterproposal and other aspects of:
- (1) the Consortium Sub Counterproposal (including the value and type of consideration, funding, any timing considerations, any conditions precedent, the identity, reputation and financial condition of the proponent, the views of Spark Securityholders in relation to the Consortium Sub Counterproposal compared to the Competing Proposal, the ability of the proponent to complete the transactions contemplated by the Consortium Sub Counterproposal, the probability of the Consortium Sub Counterproposal being completed compared to the Competing Proposal and other relevant legal, financial, regulatory and other matters); and
- (2) the Competing Proposal (including the matters set out in paragraphs (3) and (4) of the definition of "Superior Proposal").
- (d) Following that determination, Spark RE must:
- (1) procure that the Spark Board promptly, and in any event within 1 Business Day, notifies the Consortium Sub of the determination in writing, stating reasons for that determination; and
- (2) if the determination is that the Consortium Sub Counterproposal would provide an equivalent or superior outcome for Spark Securityholders as a whole (other than Excluded Securityholders) compared with the Competing Proposal, then Spark RE and Consortium Sub must use their best endeavours to agree the amendments to this deed, the Schemes, the Deed Poll and the Spark Infrastructure Trust Supplemental Deed (as applicable) that are reasonably necessary to reflect the Consortium Sub Counterproposal and to implement the Consortium Sub Counterproposal, in each case as soon as reasonably practicable, and Spark RE must use its best endeavours to procure that each Spark Board Member continues to recommend the Transaction (as modified by the Consortium Sub Counterproposal) to Spark Securityholders (other than Excluded Securityholders).
- (e) For the avoidance of doubt, each successive material change to the value of consideration offered for Spark Securities under, or the conditions to

implementation of, a Competing Proposal will constitute a new Competing Proposal.

- (f) Spark RE or the Spark Board will not be in breach of this deed by virtue only of making a statement to the effect that a Competing Proposal has been received and that the matching right process in this clause 11.6 has been commenced.
- (g) Despite any other provision in this deed, a statement by Spark RE or the Spark Board to the effect that:
 - (1) the Spark Board has determined that a Competing Proposal is, or would be or would be reasonably likely to be, an actual, proposed or potential Superior Proposal, and has commenced the matching right process set out in this clause 11.6; or

 - (1) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the Spark Board;
 - (2) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
 - (3) was, or is, or would be, unlawful for any other reason,then, to that extent (and only to that extent) Spark RE will not be obliged to comply with that provision of clause 11.
- (b) The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination referred to in this clause 11.7.

11.8 Spark RE obligations

- (a) Spark RE must procure that, before any Non-Public Spark Information is provided to any Third Party in connection with a Competing Proposal in reliance on clause 11.4, the Third Party enters into a confidentiality agreement with Spark RE.
- (b) If the confidentiality agreement with the Third Party provides for the Third Party to be bound by obligations that are more favourable to that person in any material respect (disregarding any differences relating to the structure or particular features of the Third Party) than those in the Confidentiality Agreement (including in clauses 6 and 7 the Confidentiality Agreement) as they

relate to OTPP, KKR Asia and PSP (including by waiving such obligations), then Spark RE must:

- (1) waive or agree to modify the relevant obligations in the Confidentiality Agreement to the extent necessary so that the terms applying to OTPP, KKR Asia and PSP and the Consortium Sub are no less favourable to OTPP, KKR Asia and PSP and the Consortium Sub in any material respect than the terms applying to the Third Party; and
 - (2) notify OTPP, KKR Asia and PSP and the Consortium Sub of the terms which are waived or which it agrees to modify.
- (c) If any Non-Public Spark Information is provided or made available to any Third Party in connection with an actual, proposed or potential Competing Proposal which has not previously been provided or made available to the Consortium Sub, then Spark RE must promptly, and in any event within 2 Business Days, provide to the Consortium Sub:
- (1) in the case of written materials, a copy of; and
 - (2) in any other case, a written statement of,
- that Non-Public Spark Information, except that Spark RE will not have any obligation to provide:
- (3) any Non-Public Spark Information to the Consortium Sub where it reasonably considers disclosure of such information to the Consortium Sub would be reasonably likely to breach any applicable Law; or
 - (4) any questions asked by the Third Party and responses to such questions provided by or on behalf of Spark RE (other than documents that are provided in connection with such responses).
- (d) The Consortium Sub receives and holds the benefit of this clause 11.8 to the extent it relates to OTPP, KKR Asia and PSP as trustee for each of them.

12 Reimbursement Fee

- (b) In these circumstances, the Consortium Sub has requested that provision be made for the payments outlined in clause 12.2, without which the Consortium Sub would not have entered into this deed or otherwise agreed to implement the Schemes.
- (c) The Spark Board believes, having taken advice from its external legal advisers and Financial Adviser, that the implementation of the Schemes will provide benefits to Spark RE and the Spark Securityholders (other than Excluded Securityholders) and that it is appropriate for Spark RE to agree to the payments referred to in clause 12.2 in order to secure the Consortium Sub's participation in the Transaction.

12.2 Reimbursement Fee triggers

Subject to this clause 12, Spark RE must pay the Reimbursement Fee to the Consortium Sub if:

 - (1) the Independent Expert concludes in the Independent Expert's Report (or in any update of, or revision, amendment or supplement to, that report) that the Schemes are not in the best interests of Spark Securityholders (except where that conclusion is due wholly or partly to the existence, announcement or publication of a Competing Proposal);
 - (2) the failure to recommend, or the change to or withdrawal of a recommendation to vote in favour of the Schemes occur because of a requirement by a court or Government Agency of competent jurisdiction that one or more Spark Board Members abstain or withdraw from making a recommendation that Spark Securityholders vote in favour of the Schemes after the date of this deed; or
 - (3) Spark RE has terminated this deed pursuant to clause 14.1 or clause 14.2,provided that, for the avoidance of doubt, a statement made by Spark RE or the Spark Board to the effect that no action should be taken by Spark Securityholders pending the assessment of a Competing Proposal by the Spark Board or the completion of the matching right process set out in clause 11.6 will not of itself require Spark RE to pay the Reimbursement Fee to the Consortium Sub;
- (b) during the Exclusivity Period, one or more Spark Board Members recommends that Spark Securityholders accept or vote in favour of, or otherwise supports or endorses (including support by way of accepting or voting, or by way of stating

- (c) a Competing Proposal of any kind is received by the Spark RE or announced prior to the earlier of:
 - (1) the End Date; or

12.5 Compliance with law

- (a) This clause 12 does not impose an obligation on Spark RE to pay the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee:
 - (1) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (2) is determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of the Spark Board Members) by a court,

and the Consortium Sub will refund to Spark RE within five Business Days any amount in excess of its obligation under this clause that Spark RE has already paid to the Consortium Sub when that declaration or determination is made (unless otherwise required by the Takeovers Panel or a court). 13 Reverse Reimbursement Fee

- (a) The Consortium Sub and Spark RE acknowledge that, if they enter into this deed and the Schemes are subsequently not implemented, then Spark RE will incur significant costs, including those set out in clause 13.4.

- (c) costs of management and directors' time in planning and implementing the Transaction; and
- (d) out of pocket expenses incurred by Spark RE and its employees, advisers and agents in planning and implementing the Transaction,

and the parties agree that:

- (e) the costs actually incurred by Spark RE will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Reverse Reimbursement Fee is a genuine and reasonable pre-estimate of those costs,

and the Consortium Sub represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 13.

13.5 Compliance with law

- (a) This clause 13 does not impose an obligation on the Consortium Sub to pay the Reverse Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reverse Reimbursement Fee:
 - (1) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (2) is determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of any directors of the Consortium Sub) by a court,and Spark RE will refund to the Consortium Sub within five Business Days any amount in excess of its obligation under this clause that the Consortium Sub has already paid to Spark RE when that declaration or determination is made (unless otherwise required by the Takeovers Panel or a court). For the avoidance of doubt, any part of the Reverse Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by the Consortium Sub.

Despite anything to the contrary in this deed, the Reverse Reimbursement Fee will not be payable to Spark RE if the Schemes become Effective, notwithstanding the occurrence of any event in clause 13.2 and, if the Reverse Reimbursement Fee has already been paid it must be refunded by Spark RE within five Business Days after the Schemes become Effective.

15.3 Limitation of liability provisions do not apply

- (a) The limitation of liability provisions in this clause 15 will not apply to any obligation or liability of Spark RE to the extent that it is not satisfied because, under this deed or any other document in connection with it, or by operation of law, there is a reduction in the extent of Spark RE's indemnification out of the property of the Spark Infrastructure Trust as a result of Spark RE's fraud, negligence or breach of trust.
- (b) It is also acknowledged that a breach of an obligation imposed on, or a representation or warranty given by, Spark RE under or in connection with this deed or any other document in connection with it will not be considered a breach of trust by Spark RE unless Spark RE has acted with negligence, or without good faith, in relation to the breach.
- (c) No act or omission of Spark RE (including any related failure to satisfy its obligations under this document) shall be considered fraud, negligence or breach of trust of Spark RE for the purpose of clause 15.3(a) to the extent that

Schedule

Schedule 2 – Trust Scheme

1 Background

1.1 Schemes and related transactions

The Schemes and related transactions are intended to implement the following transactions (the **Transaction**):

- (a) Scheme Shares are created through the following steps:
 - (1) the rights attaching to one ordinary share in each of Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 are varied so that such ordinary share becomes an 'A class share'; and
 - (2) that A class share in each of Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 is subdivided into a number of A class shares in Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 (as applicable) as is in each case equal to the aggregate number of Spark Securities on issue as at the Scheme Record Date;
- (b) the RE distributes the Scheme Shares to Scheme Securityholders as a distribution of capital in accordance with clauses 10.9 and 10.17 to form the New Scheme Securities and, simultaneously with such distribution, the Scheme Shares are Stapled to the Spark Securities; and
- (c) the Consortium Sub acquires the New Scheme Securities in consideration for the Scheme Consideration in accordance with the Schemes.

The actions identified in this clause 1.1 of this Schedule 2 will be implemented by the RE pursuant to and in accordance with the provisions of this Schedule 2 and the provisions of the Implementation Deed.

The actions required to implement the Transaction will take place on the Implementation Date in the order set out above, with each action occurring immediately after the preceding action (except that, for the avoidance of doubt, the distribution and Stapling contemplated in clause 1.1(b) occur simultaneously).

1.2 Deed Poll

The Trust Scheme attributes actions to the Consortium Sub but does not itself impose an obligation on it to perform those actions. The Consortium Sub has agreed, by executing the Deed Poll, to perform the actions attributed to it under and in accordance with the Trust Scheme, including the provision or procuring the provision of the Scheme Consideration to the Scheme Securityholders.

2 Scheme Securityholders

2.1 Determination of Scheme Securityholders

To establish the identity and addresses of the Scheme Securityholders, dealings in Spark Securities and other alterations to the Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Register as the holder of the relevant Spark Security on or before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of those alterations, are received on or before the Scheme Record Date at the place where the Register is kept,

and the RE must not accept for registration, nor recognise for any purpose (except a transfer to the Consortium Sub pursuant to the Schemes and any subsequent transfer by the Consortium Sub or its successors in title), any transfer or transmission application or other request received after such times, or received before such times but not in registrable or actionable form, as appropriate.

2.2 Register

- (a) The RE must register, or cause to be registered, registrable transmission applications or transfers of the Scheme Securities in accordance with clause 2.1(b) of this Schedule 2 by, or as soon as practicable after, the Scheme Record Date; provided that, for the avoidance of doubt, nothing in this clause 2.2(a) of this Schedule 2 requires the registration of a transfer that would result in a Scheme Securityholder holding a parcel of Spark Securities that is less than a 'marketable parcel' (for the purposes of this clause 2.2(a) of this Schedule 2 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If the Trust Scheme becomes Effective, a holder of Scheme Securities (and any person claiming through that holder) must not dispose of or purport or agree to dispose of, any Scheme Securities or any interest in them after the Scheme Record Date (except a transfer to the Consortium Sub pursuant to the Schemes or any subsequent transfer by the Consortium Sub or its successors in title).
- (c) For the purpose of determining entitlements to the Scheme Consideration, the RE must maintain the Register in accordance with the provisions of this clause 2.2 of this Schedule 2 until the Scheme Consideration has been paid to the Scheme Securityholders. The Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Spark Securities will cease to have effect after the Scheme Record Date as documents of title in respect of those Spark Securities and, as from that date and time, each entry current at that date on the Register (other than any entries on the Register in respect of the Consortium Sub) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Spark Securities relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Scheme Record Date, the RE will ensure that details of the names, Registered Addresses and holdings of Spark Securities for each Scheme Securityholder as shown in the Register are available to the Consortium Sub in the form the Consortium Sub reasonably requires.

3 New Scheme Securities

3.1 Approval of creation of Scheme Shares

Unless it has already done so before the Implementation Date, the RE as sole member of Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 will vote in favour of all resolutions required to be passed, including under sections 246B and 254H of the Corporations Act, by members of Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 in order to create, respectively:

- (a) the number of Spark Holdco 1 Shares equal to the number of Scheme Units as at the Scheme Record Date;
- (b) the number of Spark Holdco 2 Shares equal to the number of Scheme Units as at the Scheme Record Date; and
- (c) the number of Spark Holdco 3 Shares equal to the number of Scheme Units as at the Scheme Record Date.

Unless it has already done so before the Implementation Date, the RE as sole member of Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 will vote in favour of all resolutions required to amend the constitutions Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 to include provisions substantially the same as the Stapling Provisions in each such constitution.

3.3 Distribution of Scheme Shares

- (a) The RE will distribute, as an in specie capital distribution in accordance with clauses 10.9 and 10.17, all of the Scheme Shares to Scheme Securityholders to which they are entitled such that, for each Scheme Unit that a Scheme Securityholder holds, the Scheme Securityholder will receive one Spark Holdco 1 Share, one Spark Holdco 2 Share and one Spark Holdco 3 Share.
- (b) In accordance with clause 10.17, the RE (as agent for each Scheme Securityholder) agrees on behalf of each Scheme Securityholder to become a member of each of Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 with effect from receipt of the Scheme Shares.

3.4 Stapling

Simultaneously with the distribution of the Scheme Shares to Scheme Securityholders, the RE will be taken to have determined for all purposes (including for purposes of clause 6(b)(iii) of Schedule 1) that one Spark Holdco 1 Share, one Spark Holdco 2 Share and one Spark Holdco 3 Share will be Stapled to each Scheme Security to form a New Scheme Security. From the time of the distribution, a reference to 'Stapled Securities' in the Stapling Provisions will be deemed to be a reference to the New Scheme Securities.

3.5 Scheme Securityholders' appointment of RE as attorney

Each Scheme Securityholder, without the need for any further act by any Scheme Securityholder, irrevocably appoints the RE and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of receiving, holding and delivering to any person any share certificates or other documents of title and executing any document necessary or expedient to give effect to the

transactions described in this clause 3 of this Schedule 2 or doing any other act or thing necessary or desirable to give effect to this clause 3 of this Schedule 2.

4 Acquisition

4.1 Agreement to transfer

Each Scheme Securityholder:

- (a) agrees to the transfer (at the same time as their other Spark Securities are transferred pursuant to the Creditors' Scheme) of all of their Scheme Units and Scheme Shares to the Consortium Sub, together with all rights and entitlements attaching to those Scheme Units and Scheme Shares, in consideration for the payment of the Scheme Consideration; and
- (b) without the need for any further act by any Scheme Securityholder, irrevocably appoints the RE and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of executing any document necessary or expedient to give effect to the transactions described in this clause 4 of this Schedule 2 or doing any other act or thing necessary or desirable to give effect to this clause 4 of this Schedule 2.

4.2 Provision of Scheme Consideration

- (a) Each Scheme Securityholder is entitled to receive the Scheme Consideration in respect of each Scheme Unit and Scheme Share held by that Scheme Securityholder, subject to the terms of the Schemes.
- (b) Subject to clause 4.2(e), the Consortium Sub must, by no later than the Business Day before the Implementation Date, deposit, or procure the deposit, in cleared funds of an amount equal to the aggregate amount of the Scheme Consideration payable to all Scheme Securityholders into an Australian dollar denominated trust account, which will be an account held with an Australian authorised deposit-taking institution, operated by the RE as trustee for the Scheme Securityholders (**Trust Account**) (except that any interest on the amounts deposited (less bank fees and other charges) will be to the Consortium Sub's account).
- (c) On the Implementation Date after the New Scheme Securities have been created in accordance with clause 3.4 of this Schedule 2, subject to funds having been deposited in accordance with clause 4.2(b) of this Schedule 2, the RE must pay or procure the payment of the Scheme Consideration from the Trust Account to each Scheme Securityholder to which they are entitled to under this clause 4.2.
- (d) The obligations of the RE under clause 4.2(c) of this Schedule 2 will be satisfied by the RE (in its absolute discretion, and despite any election referred to in paragraph (1) below or authority referred to in paragraph (2) below made or given by the Scheme Securityholder):
 - (1) if a Scheme Securityholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Registry to receive distribution payments from the RE by electronic funds transfer to a bank account nominated by the Scheme Securityholder, paying, or procuring the payment of, the relevant

- amount in Australian currency by electronic means in accordance with that election;
- (2) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Securityholder by an appropriate authority from the Scheme Securityholder to the RE; or
 - (3) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Securityholder by prepaid post to their Registered Address (as at the Scheme Record Date), such cheque being drawn in the name of the Scheme Securityholder (or in the case of joint holders, in accordance with the procedures set out in clause 6.3 of this Schedule 2).
- (e) If the Consortium Sub is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) to pay amounts to the Australian Taxation Office (**ATO**) in respect of the acquisition of New Scheme Securities from certain Scheme Securityholders, the Consortium Sub is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Securityholders and remit such amounts to the relevant taxation authorities. The aggregate sum payable to Scheme Securityholders shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Securityholders shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Securityholders. The Consortium Sub must pay any amount so withheld to the relevant taxation authorities within the time permitted by law, and, if requested in writing by the relevant Scheme Securityholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Securityholder.
- (f) To the extent that, following satisfaction of the RE's obligations under clause 4.2(d) of this Schedule 2, there is a surplus in the amount held by the RE as trustee for the Scheme Securityholders in the Trust Account, that surplus must be paid by the RE to the Consortium Sub.
- (g) If, following satisfaction of Consortium Sub's obligations under clause 4.2(b) of this Schedule 2 but prior to the occurrence of all of the events described in clause 4.3 of this Schedule 2, this Scheme lapses because the Implementation Deed or the Deed Poll is terminated in accordance with its terms:
- (1) the RE must immediately repay (or cause to be repaid) to or at the direction of Consortium Sub the funds that were deposited in the Trust Account plus any interest on the amounts deposited (less bank fees and other charges); and
 - (2) the obligation to transfer New Scheme Securities, together with all rights and entitlements attaching to the New Scheme Securities as at the Implementation Date, to Consortium Sub under 4.3(a) will immediately cease.
- (h) Where the calculation of the Scheme Consideration to be provided to a particular Scheme Securityholder would result in the Scheme Securityholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest cent.

4.3 Transfer to Consortium Sub

On the Implementation Date:

- (a) after the Consortium Sub has given the RE written confirmation of the provision of the Scheme Consideration, all of the Scheme Units held by Scheme Securityholders, together with all rights and entitlements attaching to those Scheme Units as at the Implementation Date, and together with the Spark Holdco 1 Shares, Spark Holdco 2 Shares and Spark Holdco 3 Shares Stapled to those Scheme Units, will be transferred to the Consortium Sub without the need for any further act by any Scheme Securityholder (other than acts performed by the RE (or its directors or officers) as attorney and agent for the Scheme Securityholders under clause 6.2 of this Schedule 2) by:

2.2 Schemes and related transactions

The Schemes and related transactions are intended to implement the following transactions (the **Transaction**):

- (a) Scheme Shares are created through the following steps:
 - (1) the rights attaching to one ordinary share in each of Spark Holdco 1, Spark Holdco 2 and Spark Holdco 3 are varied so that such ordinary share becomes an 'A class share'; and

2.3 Implementation Deed

Spark RE and the Consortium Sub have agreed, by executing the Implementation Deed, to implement the Transaction, including this Creditors' Scheme and the Trust Scheme.

2.4 Deed Poll

This Creditors' Scheme attributes actions to the Consortium Sub but does not itself impose an obligation on it to perform those actions. The Consortium Sub has agreed, by executing the Deed Poll, to perform the actions attributed to it under this Creditors' Scheme, including the provision or procuring the provision of the Scheme Consideration to the Scheme Securityholders.

3 Conditions

3.1 Conditions precedent

- (b) neither the Implementation Deed nor the Deed Poll having been terminated in accordance with their terms before 8.00am on the Second Court Date;

3.2 Certificate

- (a) Spark RE and the Consortium Sub will provide to the Court on the Second Court Date a certificate, or such other evidence as the Court requests, confirming (in respect of matters within their knowledge) whether or not all of the conditions precedent in clauses 3.1(a) and 3.1(b) have been satisfied or waived.
- (b) The certificate referred to in clause 3.2(a) constitutes conclusive evidence that such conditions precedent were satisfied, waived or taken to be waived.

3.3 End Date

This Creditors' Scheme will lapse and be of no further force or effect if:

- (a) the Effective Date does not occur on or before the End Date; or

- (b) the Implementation Deed or the Deed Poll is terminated in accordance with its terms,

unless Spark RE and the Consortium Sub otherwise agree in writing.

4 Implementation of Creditors' Scheme

Spark RE must lodge with ASIC, in accordance with subsection 411(10) of the Corporations Act, an office copy of the Court order approving this Creditors' Scheme as soon as possible after the Court approves this Creditors' Scheme and in any event by 5.00pm on the first Business Day after the day on which the Court approves this Creditors' Scheme.

5 Scheme Securityholders

5.1 Determination of Scheme Securityholders

To establish the identity and addresses of the Scheme Securityholders, dealings in Spark Securities and other alterations to the Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Register as the holder of the relevant Spark Security on or before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of those alterations, are received on or before the Scheme Record Date at the place where the Register is kept,

and Spark RE must not accept for registration, nor recognise for any purpose (except a transfer to the Consortium Sub pursuant to the Schemes and any subsequent transfer by the Consortium Sub or its successors in title), any transfer or transmission application or other request received after such times, or received before such times but not in registrable or actionable form, as appropriate.

5.2 Register

- (a) Spark RE must register, or cause to be registered, registrable transmission applications or transfers of the Scheme Securities in accordance with clause 5.1(b) by, or as soon as practicable after, the Scheme Record Date; provided that, for the avoidance of doubt, nothing in this clause 5.2(a) requires the registration of a transfer that would result in a Scheme Securityholder holding a parcel of Spark Securities that is less than a 'marketable parcel' (for the purposes of this clause 5.2(a) 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If this Creditors' Scheme becomes Effective, a holder of Scheme Securities (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Securities or any interest in them after the Scheme Record Date (except a transfer to the Consortium Sub pursuant to the Schemes or any subsequent transfer by the Consortium Sub or its successors in title).
- (c) For the purpose of determining entitlements to the Scheme Consideration, Spark RE must maintain the Register in accordance with the provisions of this

clause 5.2 until the Scheme Consideration has been paid to the Scheme Securityholders. The Register in this form will solely determine entitlements to the Scheme Consideration.

- (d) All statements of holding for Spark Securities will cease to have effect after the Scheme Record Date as documents of title in respect of those Spark Securities and, as from that date and time, each entry current at that date on the Register (other than any entries on the Register in respect of the Consortium Sub) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Spark Securities relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Scheme Record Date, Spark RE will ensure that details of the names, Registered Addresses and holdings of Spark Securities for each Scheme Securityholder as shown in the Register are available to the Consortium Sub in the form the Consortium Sub reasonably requires.

6 New Scheme Securities

6.1 Stapling

The determination by Spark RE that 1 Spark Holdco 1 Share, 1 Spark Holdco 2 Share and 1 Spark Holdco 3 Share will be Stapled to each Scheme Security pursuant to the Trust Scheme will take effect in relation to the Notes with effect from the date and time at which those Scheme Shares are distributed to Scheme Securityholders so that the distribution and Stapling occur simultaneously. From the time of the distribution, a reference to 'Stapled Securities' in the Stapling Provisions will mean a reference to the New Scheme Securities.

This determination will be effective notwithstanding the requirements set out in clause 6(b)(i), (ii) and (v) of Schedule 2 of the Note Trust Deed have not been met.

This Determination is taken to be a 'Stapling Matter' for the purposes of the Stapling Provisions.

For the avoidance of doubt, no Scheme Securityholder may at any time transfer or otherwise deal in Scheme Shares except as part of the Attached Securities.

6.2 Scheme Securityholders' appointment of Spark RE as attorney

Each Scheme Securityholder, without the need for any further act by any Scheme Securityholder, irrevocably appoints Spark RE and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of executing any document necessary or expedient to give effect to the transactions described in this clause 6 or doing any other act or thing necessary or desirable to give effect to this clause 6.

7.1 Agreement to transfer

- (b) without the need for any further act by any Scheme Securityholder, irrevocably appoints Spark RE and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of executing any document necessary or expedient to give effect to the transactions described in this clause 7 or doing any other act or thing necessary or desirable to give effect to this clause 7.

7.2 Provision of Scheme Consideration

- (a) Each Scheme Securityholder is entitled to receive the Scheme Consideration in respect of each Scheme Note and Scheme Share held by that Scheme Securityholder, subject to the terms of the Schemes.
- (b) Subject to clause 7.2(e), the Consortium Sub must, by no later than the Business Day before the Implementation Date, deposit, or procure the deposit, in cleared funds of an amount equal to the aggregate amount of the Scheme Consideration payable to all Scheme Securityholders into an Australian dollar denominated trust account, which will be an account held with an Australian authorised deposit-taking institution, operated by Spark RE as trustee for the Scheme Securityholders (**Trust Account**) (except that any interest on the amounts deposited (less bank fees and other charges) will be to the Consortium Sub's account).
- (c) On the Implementation Date after the New Scheme Securities have been created in accordance with clause 6 and the Trust Scheme, subject to funds having been deposited in accordance with clause 7.2(a), Spark RE must pay or procure the payment of the Scheme Consideration from the Trust Account to each Scheme Securityholder to which they are entitled to under this clause 7.2.
