### Highlights

- SCEE to perform E&I works on Nammuldi Project
- Subcontracting to Civec Limited
- Award value in excess of \$10m

SCEE advises that it has entered into a subcontract with Civec Limited to perform the Electrical and Instrumentation component of Civec's stockyard and train load out works at Rio Tinto's Nammuldi Below Water Table project.

The work, with an award value in excess of \$10m, includes the electrical, instrumentation and control system installation and pre-commissioning of two stockyard conveyors, one reclaim conveyor, train load out facility and associated sub-station infrastructure work.

SCEE expects to commence work on site in February 2014 with completion scheduled for October 2014.
