

## KSJV Awarded GLNG Plant Project Works

ASX & media  
announcement

24 December 2014

ASX code: SXE

### Highlights

- **KSJV to provide labour support on GLNG Plant Project**
- **Work to be performed on a cost reimbursable basis**

SCEE is pleased to advise that its LNG focussed joint venture KSJV has been engaged by Bechtel as a subcontractor for the provision of labour support on the GLNG Plant Project on Curtis Island.

The work will be performed on a cost reimbursable basis.

Commenting on the award SCEE's Managing Director Simon High said "We are delighted to have commenced work on the GLNG Plant Project. Adding this to our ongoing work on the Australia Pacific LNG Project is another important step in establishing KSJV as an LNG contractor of scale".

#### About KSJV

KSJV is a 50:50 joint venture between SCEE and international E&I contractor Kentech. The joint venture has been created to provide electrical and instrumentation construction services to large scale LNG projects in Australia.

#### About SCEE

SCEE is a leading provider of specialised electrical and instrumentation services to Australia's resources sector.

Delivering life-of-project electrical infrastructure, construction and support services to its blue-chip customers for more than 30 years, SCEE also has a strong reputation for safety and excellence.

Our expertise and capacity enables us to undertake complex large-scale projects in harsh and remote environments.

Committed to our people with a strong focus on training and development, our track-record and collaborative, flexible approach has seen us continually expand our operations.

SCEE was established in 1978 and was listed on the Australian Securities Exchange in 2007 under the code SXE.
