

## Contract Awards

15 March 2016

ASX & media  
announcement

ASX code: SXE

Southern Cross Electrical Engineering Limited ('SCEE') is pleased to advise that it has secured approximately \$10m of new work.

SCEE Infrastructure has been awarded approximately \$4m of transmission overhead line maintenance work by Western Power, which is the first award received since being admitted to Western Power's Major Works Panel.

The Company has also received a further \$6m of new orders on an existing project.

Commenting on the awards, SCEE's CEO Graeme Dunn said "I am pleased to be able to announce these contract awards which take the total value of work won so far in 2016 to over \$30m.

We look forward to successfully delivering the maintenance work for Western Power and building a long-term working relationship".
