

SCEE awarded Amrun works

24 May 2017

ASX & media announcement

ASX code: SXE

Southern Cross Electrical Engineering Limited ("SCEE") is pleased to announce that it has secured approximately \$30m of new construction projects in the resources sector.

SCEE has been awarded a subcontract by Civmec Electrical & Instrumentation Pty Ltd for the provision of over \$20m of electrical and instrumentation works on the Process Facility at Rio Tinto's Amrun project near Weipa in North Queensland.

The Company has also been awarded a subcontract for over \$5m by Decmil Australia to design, supply and construct the electrical, communications, instrumentation and controls for the Amrun project's mine infrastructure area.

These awards were foreshadowed in SCEE's half-year results announcement as being included in the order book as "projects in the final stages of approval".
