

## SCEE awarded NorthLink WA sub-contract

23 January 2018

ASX & media  
announcement

ASX code: SXE

### Highlights

- SCEE awarded approximately \$20m of work on road project NorthLink WA Central Section (Reid Highway to Ellenbrook)
- Increases presence of SCEE in transport infrastructure sector

Southern Cross Electrical Engineering Limited (SCEE) is pleased to announce that it has been awarded approximately \$20m of work on Main Roads Western Australia's NorthLink WA Central Section (Reid Highway to Ellenbrook) by Great Northern Connect, a joint venture between Laing O'Rourke and BGC Contracting.

NorthLink WA will provide a non-stop route between Morley and Muchea in Western Australia, with the central section involving design and construction of a 17.5km stretch of highway from Reid Highway to Ellenbrook. SCEE's scope of work includes supply, installation, testing and commissioning of all Electrical and Intelligent Transport Systems (EITS) for NorthLink WA Central Section.

#### Comment

SCEE Managing Director Graeme Dunn said, "I am pleased to announce this award, which increases the presence of SCEE in the transport infrastructure sector. This is a significant target for growth for us as part of our strategy of diversification for the group.

We look forward to working with Great Northern Connect and Main Roads Western Australia on the successful completion of NorthLink WA Central Section."
