Highlights

- SCEE selected for works exceeding \$15m

Award

SCEE has been selected by BHP Iron Ore Pty Ltd as one of the Construction Contractors for the execution of its Village Security Project. SCEE's scope, exceeding \$15m in value, includes upgrades to access, lighting, and monitoring systems across BHP's Villages in the Pilbara. The works have commenced and will be drawing on capabilities from businesses across the SCEE group, including electrical, security and communications services from SCEE Electrical, SEME and Datatel respectively, to deliver a multi-technology solution. The project is anticipated to be completed by June 2022.

Comment

Commenting on the award, SCEE Group Managing Director Graeme Dunn said "This project is a great example of the breadth of offering the group now presents to clients following our diversification strategy of recent years."
