EXPLANATORY MEMORANDUM 6
11 Resolution 8 – Approval of 10% Placement Facility 6

Tungsten Mining NL

Notice of Annual General Meeting

The Notice is amended by insertion of the following Additional Resolution and Voting Exclusion.

8 Resolution 8 – Approval of 10% Placement Facility

To consider and, if thought fit, to pass with or without amendment, as a special resolution the following:

"*That, pursuant to and in accordance with Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities of up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 and on the terms and conditions in the Explanatory Memorandum.*"

Voting exclusion

The Company will disregard any votes cast in favour of Resolution 8 by or on behalf of, if at the time the approval is sought the entity is proposing to make an issue of Equity Securities under rule 7.1A.2, a person who is expected to participate in the proposed issue or who will obtain a material benefit as a result of the proposed issue (except a benefit solely in the capacity of a holder of ordinary securities in the Company) or an Associate of that person or those persons.

However, this does not apply to a vote cast in favour of a resolution by:

(a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution that way;

(b) the Chairperson of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairperson to vote on the resolution as the Chairperson decides; or

(c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

(i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the resolution; and

(ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Important note: The proposed allottees of any Equity Securities under the 10% Placement Facility are not yet known or identified. For a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

Explanatory Memorandum

New Section 11 is added to the Explanatory Memorandum as follows.

11 Resolution 8 – Approval of 10% Placement Facility

11.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Facility**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of $300 million or less. The Company is an eligible entity for these purposes.

Resolution 8 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 8 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 8 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval under Listing Rule 7.1.

11.2 Listing Rule 7.1A

(a) **Shareholder approval**

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one quoted class of Equity Securities, being Shares.

(c) **Formula for calculating 10% Placement Facility**

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

where:

A is the number of Shares on issue at the commencement of the relevant period:

(A) plus the number of Shares issued in the relevant period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;

(B) plus the number of Shares issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:

(1) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or

(2) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;

(C) plus the number of Shares issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:

(1) the agreement was entered into before the commencement of the relevant period; or

(2) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4;

(D) plus the number of any other Shares issued in the relevant period with approval under Listing Rule 7.1 or 7.4;

(E) plus the number of partly paid ordinary shares that became fully paid in the relevant period;

(F) less the number of Shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with Shareholder approval under Listing Rule 7.1 or 7.4.

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of the Notice, the Company has on issue 1,556,240,206 Shares and therefore has a capacity to issue:

(i) 233,436,030 Equity Securities under Listing Rule 7.1; and

(ii) subject to Shareholder approval being sought under Resolution 8, 155,624,020 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 11.2(c)).

(e) **Minimum Issue Price**

Any Equity Securities issued under Listing Rule 7.1A must be issued for cash consideration. The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

(i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;

(ii) the time and date of the entity's next annual general meeting; or

(iii) the time and date of Shareholder approval of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking),

(the **10% Placement Period**).

11.3 Specific information required by Listing Rule 7.3A

In accordance with Listing Rule 7.3A, information is provided as follows:

(a) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 8 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

(b) The Equity Securities will be issued at a minimum issue price detailed in Section 11.2(e).

(c) The Company may seek to issue the Equity Securities for cash consideration, which may include the issue of Shares to be represented by American Depositary Shares in connection with the Company's proposed secondary listing on the Nasdaq Stock Market. The Company intends to use the funds raised towards the continued development, exploration and evaluation of its projects, costs associated with the secondary listing on the Nasdaq Stock Market, business development and/or general working capital.

(d) If Resolution 8 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:

(i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and

(ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice. The table also shows:

(i) two examples where variable 'A' has increased by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

(ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2			**Dilution**	
		$0.093 50% decrease in Issue Price	**$0.185 Issue Price**	**$0.278 50% increase in Issue Price**
Current Variable A 1,556,240,206 Shares	10% Voting Dilution	155,624,020 Shares	155,624,020 Shares	155,624,020 Shares
	Funds raised	$14,395,221.85	$28,790,443.70	$43,185,665.55
50% increase in current Variable A 2,334,360,309 Shares	10% Voting Dilution	233,436,030 Shares	233,436,030 Shares	233,436,030 Shares
	Funds raised	$21,592,832.78	$43,185,665.55	$64,778,498.33
100% increase in current Variable A 3,112,480,412 Shares	10% Voting Dilution	311,248,041 Shares	311,248,041 Shares	311,248,041 Shares
	Funds raised	$28,790,443.79	$57,580,887.59	$86,371,331.38

The table has been prepared on the following assumptions:

(iii) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.

(iv) No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.

(v) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(vi) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

(vii) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(viii) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.

(ix) The issue price is $0.185, being the closing price of the Shares on ASX on 18 November 2026.

(e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the subscribers of Equity Securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

(i) the methods of raising funds that are available to the Company, including, but not limited to, a rights issue or other issue in which existing security holders can participate;

(ii) the effect of the issue of the Equity Securities on the control of the Company;

(iii) the financial situation and solvency of the Company; and

(iv) advice from corporate, financial and broking advisers (if applicable).

(f) The Company:

(i) has issued 139,634,020 Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting which represents approximately 13.42% of the total number of Equity Securities on issue at the commencement of that 12 month period; and

(ii) provides the following information for each such issue:

(A) part of the Placement Shares were issued pursuant to Listing Rule 7.1A.2 (the subject of Resolution 5) which were issued to the Placement Participants. None of the Placement Participants were or are a related party or associate of a related party or any members of the Company's Key Management Personnel, substantial holders or advisors of the Company, with no Placement Shares issued to any party greater than 1% of the Company's issued capital at the time of issue;

(B) the Company issued 139,634,020 Placement Shares pursuant to Listing Rule 7.1A.2, being fully paid ordinary Shares;

(C) the Placement Shares were issued at an issue price of $0.32 per Placement Share which represented a ~9.8% discount to the 15-day VWAP on 25 September 2026; and

(D) the Company received total cash consideration of $44,682,886 from the Placement Shares issued pursuant to Listing Rule 7.1A.2, all of which was raised for the purposes detailed in Resolution 5. The Company has spent $15,516,421 to the end of October 2026 of such consideration raised. The Company intends to use the balance of $29,166,465 to the development of the Watershed project and general corporate purposes.

(g) The Company will comply with the disclosure obligations under Listing Rule 7.1A.4 upon issue of any Equity Securities.

(h) The subscribers under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.

(i) A voting exclusion statement is included in the Notice for Resolution 8.

(j) At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

11.4 Director Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 8.
