For the period 1 July 2018 to 30 June 2019, the members of the Nomination and Remuneration Committee were Anthony Kiernan (Chair) and Darren Stralow. For the period 1 July 2018 to 30 June 2019, the Nomination and Remuneration Committee was not structured in accordance with Recommendation 2.1 due to the small size of the board.

The Nomination and Remuneration Committee did not hold a meeting during the Reporting Period. Details of Director attendance at Nomination and Remuneration Committee meetings during the Reporting Period are set out in a table in the Director's Report of the 2019 Annual Report.

The Board considers the independence of Directors having regard to Corporate Governance Principles & Recommendations and the Company's materiality thresholds. The Board has agreed on the following guidelines, as set out in the Company's Board Charter for assessing the materiality of matters:

## Corporate Governance Statement

---

- ◀ Balance sheet items are material if they have a value of more than 5% of pro-forma net asset.
- ◀ Profit and loss items are material if they will have an impact on the current year operating result of 5% or more.
- ◀ Items are also material if they impact on the reputation of the Company, involve a breach of legislation, are outside the ordinary course of business, could affect the Company's rights to its assets, if accumulated would trigger the quantitative tests, involve a contingent liability that would have a probable effect of 5% or more on the balance sheet or profit and loss items, or will have an effect on operations which is likely to result in an increase or decrease in net income or dividend distribution of more than 5%.
- ◀ Contracts will be considered material if they are outside the ordinary course of business, contain exceptionally onerous provisions in the opinion of the Board, impact on income or distribution in excess of the quantitative tests, there is a likelihood that either party will default, and the default may trigger any of the quantitative or qualitative tests, are essential to the activities of the Company and cannot be replaced, or cannot be replaced without an increase in cost which triggers any of the quantitative tests, contain or trigger change of control provisions, are between or for the benefit of related parties, or otherwise trigger the quantitative tests.

The Independent Directors of the Company are independent as they are non-executive Directors who are not members of management and who are free of any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of their judgment.

The recommendations of best practice are that a majority of the Directors and in particular the chairperson should be independent.

Of the current Board members Mr Anthony Kiernan (Chairman) meet these criteria. The Managing Director is Mr Ajanth Saverimutto who is not Chair of the Board.

### **Recommendation 2.4 Majority of Directors Independence**

A majority of the Board of the Company should be independent directors. For the period 1 July 2018 through to 30 June 2019 the Company did not comply with the Majority of Directors being independent due to the size of the Board as a result of the current stage of development of Venturex's operations.

As noted above, the Board believes its current composition represents the mix of skills and diversity. The Board does not have any current plans to increase the size of the Board at the moment, but will take into account independence as a factor in considering any new appointments to the Board in accordance with its Policy and Procedure for the Selection and (Re) Appointment of Directors.

Director's independence and length of service of each Director is reported within the Annual Report and detailed within the Corporate Governance section of the Company website.

The Board meet regularly without Senior Management present to maximise the likelihood that the decision of the Board will reflect the best interests of the Company and its security holders generally and not be biased towards the interest of Management.

### **Recommendation 2.5 Chairman & Chief Executive Officer**

The Company has at all times maintained a separation between the Chairman (Mr Anthony Kiernan) and Chief Executive Officer (Managing Director) roles. The day-to-day management of the Company is currently overseen by the Managing Director, Mr Ajanth Saverimutto.

Regular reviews are undertaken by the Nomination & Remuneration Committee or the Chairman whether the Directors as a group have the skills, knowledge and familiarity with the Company and its operating environment required to fulfil their role on the Board and on Board Committees effectively.

### **Independent Advice**

To assist Directors with independent judgment, it is the Board's policy that if a Director considers it necessary to obtain independent professional advice to properly discharge the responsibility of their office as a Director then, provided the Director first obtains approval from the Chair for incurring such expense, the Company will pay the reasonable expenses associated with obtaining such advice.

The members of the Audit Committee for the financial year were Mr Anthony Reilly (Chair) and Mr Anthony Kiernan, the Audit Committee is now not structured in compliance with Recommendation 4.1, where all Committee Members are not non-executive independent directors. This is as a result of the size of the Board and taking into account the current stage of development of Venturex's operations.

As noted above, the Board believes its current composition of the Audit Committee represents the current stage of development of Venturex's operations. The Board does not have any current plans to increase the size of the Board at the moment, but will take into account independence as a factor in considering any new appointments to the Board in accordance with its Policy and Procedure for the Selection and (Re) Appointment of Directors.
