- The Westoz investment portfolio posted a gross portfolio return of -1.3% in September. The ASX All Ordinaries Acc. Index decreased -1.5% on a comparable basis. The Westoz gross portfolio return YTD is now at +4.7%.
- The largest contributors to performance in September came from special situation stock, Kingsgate (KCN.ASX, +104%), after an ASX release highlighted the potential for a restart of gold mining operations. This was mainly offset by broad weakness across the commodity complex.
- Westoz realised significant profits over the monthly, majority of the profits were reinvested into the energy sector.

About Westoz Investment Company

Westoz Investment Company Limited is a listed investment company established in 2005 with an objective to generate a positive return from an actively managed portfolio of small to mid cap ASX listed companies, and provide shareholders with a consistent stream of dividends.

Since inception, WIC has returned \$191 million of dividends and franking credits to shareholders. The portfolio is managed by Westoz Funds Management Pty Ltd based in Perth, a 100% owned subsidiary of Euroz Limited.

Given the location of the Manager, it is anticipated that the majority of investment opportunities identified will have a connection to Western Australia.
