ASX Announcement / Media Release

Euroz Securities - Head of Corporate Finance

Euroz Limited ('Euroz') is pleased to announce the promotion of Mr Brian Beresford to Head of Corporate Finance of the wholly-owned stockbroking subsidiary, Euroz Securities Limited.

He replaces Mr Doug Young who remains on the boards of both Euroz Limited and Euroz Securities Limited and will be assisting Mr Beresford in the transition as part of the company's succession planning. The change comes after an improved half in the corporate business with new corporate product featuring strongly, including capital raisings for Mareterram Limited, Australis Oil and Gas and Updater Inc.

Mr Beresford joined Euroz Securities Limited as an Executive Director almost 5 years ago from PricewaterhouseCoopers where he was a corporate finance partner. He is a qualified lawyer and accountant who has also worked for Arthur Anderson, Clayton Utz and GEM Consulting.

Commenting on the appointment, the Managing Director of Euroz Securities Limited, Mr Rob Black said "Brian has proven himself to be a highly effective corporate finance professional and we are delighted he has accepted the challenge of running our corporate finance department. We are confident, under his leadership, the business will continue to grow and further leverage our position in capital markets and Western Australia."
