Euroz lodges Bidder's Statement

Euroz Limited (**Euroz**) (ASX: EZL) is pleased to announce it has today lodged with ASIC and sent to Hartleys Limited (**Hartleys**) a Bidder's Statement in relation to its off-market takeover offers for all of the issued shares in Hartleys (**Offers**). A copy of the Bidder's Statement is attached.

Hartleys has today also lodged with ASIC and sent to Euroz a Target's Statement in response to the Bidder's Statement, a copy of which is attached. The Directors of Hartleys have unanimously recommended Hartleys shareholders accept the Offers subject to there being no superior proposal.

Today represents an important step in the implementation of the merger of Euroz Securities and Hartleys, which will create a leading Western Australian based diversified financial services company with a strong balance sheet, critical scale, solid and sustainable revenue with significant cost savings and operational synergies.

The Offers will open on Wednesday, 9 September 2020 and are scheduled to close on Friday, 9 October 2020, unless extended in accordance with the Corporations Act. The Offers are subject to a number of conditions as set out in the Bidder's Statement. These include a 90% minimum acceptance condition which can't be waived by Euroz, so as to ensure the merger will only proceed if Euroz becomes entitled to acquire all of Hartleys' issued shares.

Following completion of the Offers, Hartleys will be renamed "Euroz Hartleys Limited" with the existing Euroz Securities business to subsequently merge with this rebranded entity in the months following completion.

Hartleys employees who are shareholders have all signed new employment agreements which incorporate their new employment restraints.

A broad restructure of the Euroz board will coincide with the completion of the transaction, with four of the existing board members of Euroz to resign and two existing Hartleys directors, Richard Simpson and Ian Parker, to join the Euroz board.

On behalf of shareholders and staff, the Euroz board would like to sincerely thank these four board members, Anthony Brittain, Greg Chessell, Russell Kane and Simon Yeo for their significant contributions to the prior and ongoing success of Euroz. These important executives will all continue in their executive roles within Euroz Hartleys Limited.

LETTER FROM THE EUROZ CHAIRMAN

Dear Hartleys Shareholders,

As you will be aware, on 17 July 2020 Euroz Limited announced that it had entered into a Bid Implementation Agreement with Hartleys Limited under which Euroz has agreed to make an off-market takeover offer for Hartleys.

On behalf of the Directors of Euroz, I am pleased to enclose our offers for all of your shares in Hartleys.

By accepting the Offers you will, subject to the terms and conditions set out in this Bidder's Statement, receive:

- (a) 3.3033304 new Euroz Shares for every 1 of your Hartleys A Class Shares; and
- (b) 3.3033304 new Euroz Shares for every 1 of your Hartleys E Class Shares.

This values each Hartleys Share at \$3.77 per share based on the closing price of Euroz Shares on ASX on the trading day prior to the date of this Bidder's Statement.

Should Euroz acquire 100% of the Hartleys A Class Shares and Hartleys E Class Shares, Hartleys Shareholders will together hold approximately 17% of Euroz upon Completion. This will enable you to continue to have exposure to the future upside associated with Euroz's established and diversified financial services business, as well as provide you with Euroz Shares which are listed and tradeable on ASX.

Euroz believes that a combination with Hartleys will generate value for shareholders of both companies. The key benefits of the transactions contemplated by this Bidder's Statement include (subject to the Offers becoming unconditional):

- Hartleys' and Euroz's businesses are highly complementary and their combination will create a leading Western Australian based financial services company with a strong balance sheet, critical scale, solid and recurring revenue, with significant cost savings and operational synergies.
- You will receive 3.3033304 Euroz Shares for every 1 Hartleys Share you hold representing a premium of 45% to the 30 June 2020 NAV of Hartleys Shares (based on the 5 day VWAP of Euroz Shares up to and including 30 June 2020).
- Hartleys will be able to distribute its surplus assets such that Hartleys Shareholders should receive a significant cash distribution via the Hartleys cash dividend and capital return (subject to Hartleys shareholder approval being obtained) in addition to the consideration received under the Offers.
- Hartleys Shareholders will own approximately 17% of Euroz upon Completion providing material exposure to the performance of the Merged Group.
- Hartleys Shareholders will have two representative Directors on the Board of Euroz and four existing Directors of Euroz will resign. The Merged Group will have an experienced and motivated Board and senior executive team with a demonstrated track record.
- Hartleys Shareholders will benefit from any appreciation in the value of Euroz Shares, which are listed on ASX and therefore more liquid than shares in Hartleys.

- You may be eligible for capital gains tax rollover relief. Euroz has undertaken in favour of Hartleys to do all things reasonably necessary or desirable to ensure that capital gains tax roll-over relief is available to Hartleys Shareholders who accept the Offers made to them.

The Hartleys Board has unanimously recommended that Hartleys Shareholders accept the Offers made to them and have agreed to accept the Offers in respect of their own holdings, in the absence of a Superior Proposal.

As at the date of this Bidder's Statement, Euroz is not aware of any Superior Proposal having been received by Hartleys and Hartleys has not made Euroz aware of any party having an intention to make such a proposal.

I encourage you to read this important document carefully. The Offers are open for your acceptance until 5:00 pm (Perth Time) on **Friday, 9 October 2020**, unless extended.

To accept the Offers, please follow the instructions on the accompanying Acceptance Form.

If you have any questions about the Offers, please contact Euroz' Company Secretary on +61 (8) 9488 1400, or your professional financial adviser.

Euroz's Directors look forward to having Hartleys Shareholders join Euroz following the successful completion of this transaction.

Yours sincerely

Andrew McKenzie

2. WHY YOU SHOULD ACCEPT THE OFFERS

2.1 Reasons for accepting the Offers

Euroz believes you should **ACCEPT** the Offers for the following reasons:

- Hartleys' and Euroz's businesses are highly complementary and their combination will create a leading Western Australian based financial services company with a strong balance sheet, critical scale, solid and recurring revenue with significant cost savings and operational synergies.
- You will receive 3.3033304 Euroz Shares for every 1 Hartleys Share you hold representing a premium of 45% to the 30 June 2020 NAV of Hartleys Shares (based on the 5 day VWAP of Euroz Shares up to and including 30 June 2020).
- Hartleys will be able to distribute its surplus assets such that Hartleys Shareholders should receive a significant cash distribution via the Hartleys cash dividend and capital return (subject to Hartleys Shareholder approval being obtained) in addition to the consideration received under the Offers.
- Hartleys Shareholders will own approximately 17% of Euroz upon Completion providing material exposure to the performance of the Merged Group.
- Hartleys Shareholders will have two (2) representative Directors on the Euroz Board and four (4) existing Directors of Euroz will resign. The Merged Group will have an experienced and motivated Board and senior executive team with a demonstrated track record.
- Hartleys Shareholders will benefit from any appreciation in the value of Euroz Shares, with Euroz Shares being a much more liquid security than Hartleys Shares.
- You may be eligible for capital gains tax rollover relief. In this regard, Euroz has undertaken in favour of Hartleys to do all things reasonably necessary or desirable to ensure that capital gains tax roll-over relief is available to Hartleys Shareholders who accept the Offers made to them.

The above is only a headline summary of some of the reasons why you should accept the Offers. Each of these reasons is explained in more detail below.

If you wish to accept the A Class Share Offer and the E Class Share Offer¹, you must return the signed Acceptance Form (together with original share certificates in respect of your Hartleys Shares) by 5.00pm (WST) on 9 October 2020.

- (a) **Hartleys' and Euroz's businesses are highly complementary and their combination will create a leading Western Australian based financial services company with a strong balance sheet, critical scale, solid and recurring revenue with significant cost savings and operational synergies**

Both Hartleys and Euroz provide similar services with respect to stockbroking, corporate finance, investment and wealth management services.

¹ Any Hartleys Shareholder who holds only Hartleys A Class Shares need only accept the A Class Share Offer.

By combining the two businesses, the Merged Group is expected to be able to execute larger transactions, reduce costs by removing overlapping operations, provide a larger distribution channel for existing and new clients, implement strategic initiatives and create synergies by improving operational efficiencies, than if Euroz and Hartleys remained as separate stand-alone businesses.

- (b) **You will receive 3.3033304 Euroz Shares for every 1 Hartleys Share you hold representing a premium of 45% to the 30 June 2020 NAV of Hartleys Shares (based on the 5 day VWAP of Euroz Shares up to and including 30 June 2020)**

The implied value of the Offers as at the date of this Bidder's Statement is \$3.77 per Hartleys A Share and \$3.77 per Hartleys E Class Share, based on the closing price of Euroz Shares on ASX of \$1.14 (being the last practicable date before finalising this Bidder's Statement).

In the 12 months prior to the date of this Bidder's Statement, Euroz's Shares have traded in the range of \$0.615 to \$1.23, and using those parameters, the implied value under the Offers (based on the Offer ratio) ranges from between:

- (i) \$2.03 and \$3.73 per Hartleys A Class Share; and
- (ii) \$2.03 and \$3.73 per Hartleys E Class Share.

The value of the Offers may change as a consequence of changes in the market price of Euroz Shares.

Hartleys Shareholders should note that the Offer consideration is in addition to any amounts that a Hartleys Shareholder receives from Hartleys by way of the Hartleys cash dividend and capital return as described below (subject to Hartleys Shareholder approval being obtained).

- (c) **Hartleys will be able to distribute its surplus assets such that Hartleys Shareholders should receive a significant cash distribution via the Hartleys cash dividend and capital return in addition to any consideration received under the Offers**

Hartleys proposes to seek the approval of Hartleys Shareholders to distribute surplus assets to Hartleys Shareholders prior to the transfer of Hartleys Shares to Euroz pursuant to the Offers (being the Permitted Distribution) by way of a fully franked dividend (where there are sufficient franking credits and retained earnings available to do so), with any residual amount being distributed by way of a return of capital.

The Hartleys Board will assess the status of the Offers before proceeding with any distribution with the aim of proceeding to pay all of the distribution before there is a transfer of Hartleys Shares to Euroz occurs under the Offers. If for any reason the Offers do not proceed, the Hartleys Board will re-assess whether a distribution can be made having regard to Hartleys' likely ongoing working capital requirements, and in such circumstances, there is a risk that a distribution may not be made.

Further information in relation to this distribution is set out in the Target's Statement and Notice of Meeting which you will receive soon after this Bidder's Statement.

(d) **Hartleys Shareholders will own 17% of Euroz upon Completion**

Hartleys Shareholders will be issued a total of 33,000,076 Euroz Shares on Completion which represents approximately 17% of Euroz's issued share capital. This represents a significant ownership interest in Euroz and provides Hartleys Shareholders with a significant interest in the upside potential of the Merged Group.

(e) **Experienced and motivated Board and senior executive team of the Merged Group with a demonstrated track record**

As soon as practicable after Euroz has a Relevant Interest in more than 90% of the Hartleys Shares and the Offers become unconditional or are declared by Euroz to be free of all Conditions, two (2) directors from Hartleys will be invited to join the Euroz Board and four (4) existing Directors of Euroz will resign.

It is proposed that Anthony Brittain, Greg Chessell, Russell Kane and Simon Yeo will step down from the Euroz Board and that Ian Parker and Richard Simpson will be appointed as executive directors of Euroz.

Accordingly, by accepting the Offers, Hartleys Shareholders will benefit from combined senior management and Board professionals with years of industry experience and a demonstrated track record.

(f) **Hartleys Shareholders will benefit from any appreciation in the value of Euroz Shares, with Euroz Shares being a much more liquid security than Hartleys Shares**

If the Offers are successful, Hartleys Shareholders will become shareholders in a larger company, with Euroz Shares being a more liquid security than Hartleys Shares as a result of Euroz Shares being tradeable on ASX.

Hartleys Shareholders who are also Hartleys employees will however need to comply with Euroz's share trading policies and with any trading restrictions which they agree to in connection with satisfying the Employment Condition.

Refer to Section 9.15 of this Bidder's Statement for further information regarding the trading restrictions which may be applicable in connection with the satisfaction of the Employment Condition.

(g) **You may be eligible for capital gains tax rollover relief**

Hartleys Shareholders may have access to scrip for scrip rollover relief, in which case you will not incur capital gains tax as a result of accepting the Offers.

Should the Offers be successful and result in Euroz becoming the holder of 90% or more of the voting shares in Hartleys as at the close of the Offer Period, Hartleys Shareholders who would otherwise make a capital gain from the disposal of their Hartleys Shares pursuant to the Offers may be able to choose to obtain full scrip for scrip rollover relief.

In this regard, Euroz has undertaken in favour of Hartleys to do all things reasonably necessary or desirable to ensure that capital gains tax roll-over relief is available to Hartleys Shareholders who accept the Offers made to them.

If scrip for scrip rollover relief is available and is chosen by Hartleys Shareholders who would otherwise have made a capital gain on the disposal of their Hartleys Shares under the Offers, all of the capital gain from the disposal may be disregarded.

However, Hartleys Shareholders may be subject to capital gains tax as a result of a later taxable event (such as a disposal) happening to the Euroz Shares received as consideration under the Offers.

Refer to Section 7 of this Bidder's Statement for further information.

2.2 Recommendation of Hartleys Directors

The Hartleys' Board of Directors, representing approximately 35.0% of Hartleys Shares, have unanimously recommended that Hartleys Shareholders accept the Offers, in the absence of a Superior Proposal. Each Hartleys' Director who holds Hartleys Shares intends to accept, or procure the acceptance of, the Offers in respect of any Hartleys Shares that they own or control, in the absence of a Superior Proposal.

As at the date of this Bidder's Statement, Euroz is not aware of any Superior Proposal having been received by Hartleys and Hartleys has not made Euroz aware of any party having an intention to make such a proposal.

The Euroz Shares offered to Hartleys Shareholders under the Offers are fully paid ordinary shares in the capital of Euroz, and from the date of their issue will rank equally with all then existing Euroz Shares and will have the same rights and liabilities attaching to them.

The rights and liabilities attaching to Euroz Shares are governed by the Constitution of Euroz, the Corporations Act, ASX Listing Rules, ASX Settlement Operating Rules and the general law of Australia.

The following is a summary of the more significant rights and liabilities attaching to Shares being offered pursuant to this Bidder's Statement. This summary is not exhaustive and does not constitute a definitive statement of the rights and liabilities of Shareholders. To obtain such a statement, persons should seek independent legal advice.

Further details of the rights and liabilities attaching to Shares are set out in the Constitution, a copy of which is available for inspection at Euroz's registered office during normal business hours.

(a) General meetings

Each Shareholder is entitled to receive notice of, and to attend and vote at, general meetings of Euroz and to receive all notices, accounts and other documents required to be sent to members under the Constitution, the Corporations Act or the Listing Rules.

The Directors may convene a general meeting whenever they think fit. The Constitution does not permit Shareholders to call a general meeting, although Shareholders may call a general meeting in accordance with the provisions of the Corporations Act.

A notice of general meeting must be given in accordance with the Corporations Act and must specify the place, date and time of the meeting, the general nature of the business to be transacted at the meeting, information regarding a Shareholder's right to appoint a proxy, and if a special resolution is to be proposed at the meeting, set out an intention to propose the special resolution and the text of the special resolution.

The quorum for a meeting of the Shareholders is two Shareholders and the quorum must be present at all times during the meeting.

(b) **Voting**

Subject to any rights or restrictions for the time being attached to any class of Shares whether by the terms of their issue, the Constitution, the Corporations Act or the Listing Rules, at a general meeting every Shareholder present in person or by a representative has one vote on a show of hands and every Shareholder present in person or by a representative, proxy or attorney has one vote per Share on a poll. Where there are two or more joint Shareholders and more than one of them is present at a meeting and tenders a vote in respect of the Share (whether in person or by proxy or attorney), Euroz will count only the vote cast by the Shareholder whose name appears before the other(s) in Euroz's register.

(c) **Alteration of Capital**

Subject to the Constitution, Corporations Act and the Listing Rules, Euroz in general meeting may increase, divide, consolidate or reduce its share capital if it complies with the Constitution, Corporations Act and the Listing Rules.

(d) **Variation of rights**

Subject to the Constitution, Corporations Act and Listing Rules, if at any time the share capital is divided into different classes of shares, the rights attached to the shares in any class may be altered only by special resolution passed at a separate meeting of the holders of the issued shares of the affected class, or with the written consent of the holders of at least three quarters of the issued shares of the affected class.

(e) **Transfer of Shares**

Subject to the Constitution, the Corporations Act and the Listing Rules, Shares are freely transferable.

The Shares may be transferred by a proper transfer effected in accordance with ASX Settlement Operating Rules, by any other method of transferring or dealing introduced by ASX and as otherwise permitted by the Corporations Act or by a written instrument of transfer in any usual form or in any other form approved by the Directors or the ASX.

Euroz must not prevent, delay or in any way interfere with the registration of a proper ASX Settlement transfer. However, Euroz may decline to register a transfer of Shares in the circumstances described in the Constitution and where permitted to do so under the Listing Rules. If Euroz declines to register a transfer, Euroz must, within 5 Business Days' after the transfer is lodged with Euroz, give the lodging party written notice of the refusal and

the reasons for refusal. The Directors must decline to register a transfer of Shares when required by law, the Constitution, the Listing Rules or the ASX Settlement Operating Rules.

Hartleys Shareholders who are also Hartleys employees will however need to comply with Euroz's share trading policies and with any trading restrictions which they agree to in connection with satisfying the Employment Condition. Refer to Section 9.15 of this Bidder's Statement for further information regarding the trading restrictions which may be applicable in connection with the satisfaction of the Employment Condition.

(f) **Dividends**

The Directors, subject to the Constitution, the Corporations Act and the Listing Rules, may determine that a dividend is payable and fix the amount, the time for payment, and the method of payment. The Directors may, before declaring any dividend, set aside out of the profits of Euroz, such sums as they think proper as reserves, which may be used in the business of Euroz or be invested in such investments as the Directors think fit.

3.11 Dividend History

Euroz Limited has paid \$235 million in fully franked dividends to shareholders since commencing its stockbroking business approximately 20 years ago. A dividend has been paid in every half year period since 2001.

The last distribution to Euroz Shareholders occurred on 7 August 2020. It related to the period of 6 months between 1 January 2020 and 30 June 2020 and was a fully franked dividend of \$0.06 per Euroz Share (**2020 Dividend**).

Hartleys Shareholders should note that if they accept the Offers, they will not be entitled to the 2020 Dividend, unless they held Euroz Shares prior to 21 July 2020.

As described in Section 2.1 and detailed in the Target's Statement, Euroz has consented to Hartleys making the Permitted Distribution prior to the transfer of any Hartleys Shares under the Offers. The aggregate amount of the Permitted Distribution is yet to be determined but is expected to be in the order of \$2.00 per Hartleys Share. If it proceeds, this Permitted Distribution will reduce the cash and cash equivalent assets held by Hartleys by an amount equivalent to the amount distributed to Hartleys Shareholders. Hartleys Shareholders should refer to the Notice of Meeting for further details regarding the proposed Permitted Distribution.

5.10 Outlook for the Merged Group

This Bidder's Statement does not include any financial forecasts or projections for revenue or profit in relation to Euroz, Hartleys or the Merged Group.

Euroz has given careful consideration as to whether there is a reasonable basis to produce reliable and meaningful forecast financial information for the Merged Group. However, the Euroz Directors have concluded that as at the date of this Bidder's Statement, it would be misleading to provide forecast financial information for the Merged Group.

6. INTENTIONS OF EUROZ

6.1 Disclosure Regarding Forward-Looking Statements

This Bidder's Statement includes forward-looking statements that have been based on Euroz's current expectations and predictions about future events including Euroz's intentions (which include those set out in this Section 6). These forward-looking statements are, however, subject to inherent risks, uncertainties and assumptions that could cause actual results, performance or achievements of Euroz, Hartleys and the Merged Group to differ materially from the expectations and predictions, express or implied, in such forward-looking statements. These factors include, among other things, those risks identified in this Bidder's Statement (including those set out in Section 8).

None of Euroz, its officers, the persons named in this Bidder's Statement with their consent or the persons involved in the preparation of this Bidder's Statement makes any representation or warranty (express or implied) as to the accuracy or likelihood of any forward-looking statements. You are cautioned not to place reliance on these statements in the event that the outcome is not achieved. These statements reflect views and opinions as at the date of this Bidder's Statement.

6.2 Euroz's Intentions Regarding Hartleys

(a) Overview

Subject to the below, it is the present intention of Euroz, on the basis of the information concerning Hartleys which is known to Euroz and the existing circumstances affecting the business of Hartleys, that:

- (i) the business of Hartleys will otherwise be continued in substantially the same manner as it is presently being conducted;
- (ii) no other major changes will be made to the business of Hartleys;
- (iii) there will not be any redeployment of the fixed assets of Hartleys; and
- (iv) the present employees of Hartleys (with the exception of 4 employees who will be made redundant or retire) will otherwise continue to be employed by Hartleys pending a review of the circumstances of the Euroz operations post Completion.

The current intentions of Euroz may change in light of material facts and circumstances at the relevant time.

(b) Intentions Upon Acquisition of 90% or More of Hartleys

Under the Bid Implementation Agreement, it was agreed the Minimum Acceptance Condition may not be waived by Euroz without Hartleys' prior written consent.

Accordingly, if the Minimum Acceptance Condition is not satisfied or waived with Hartleys' consent, the Offers will lapse and Euroz will not proceed to acquire Hartleys.

If the Minimum Acceptance Condition and the Amendment to Constitution Condition are satisfied (and given that the Employment Condition has been satisfied at the date of this Bidder's Statement), then subject to no other Conditions being breached or otherwise becoming incapable of being satisfied, Euroz must immediately waive all outstanding Conditions and must exercise its rights of compulsory acquisition in accordance with the Corporations Act.

If, as a result of the Offers, Euroz becomes entitled to compulsorily acquire outstanding Hartleys Shares in accordance with Part 6A.1 of the Corporations Act, it will proceed with the compulsory acquisition of those Hartleys Shares.

Euroz then intends to undertake the steps outlined in 6.2(a) above.

7. AUSTRALIAN TAX CONSIDERATIONS

7.1 Overview

The following is a general summary of the Australian income tax, GST and duty considerations for Hartleys Shareholders who accept the Offers.

This summary does not provide an exhaustive consideration of all possible Australian income tax, GST and duty implications that could apply to Hartleys Shareholders who accept the Offers. Furthermore, this summary does not consider any tax implications in jurisdictions outside of Australia.

Only Hartleys Shareholders who are individuals, complying superannuation funds and corporate shareholders that hold their Hartleys Shares on capital account have been considered in this summary. In particular, this summary is not intended to cover Hartleys Shareholders who:

- (a) are exempt from Australian income tax;
- (b) hold their Hartleys Shares on revenue account or as trading stock;
- (c) are partnerships or persons that are partners of such partnerships;
- (d) acquired their Hartleys Shares under an employee share scheme or similar employee incentive plan; or
- (e) are subject to the taxation of financial arrangements rules in Division 230 of the Income Tax Assessment Act 1997 in relation to gains and losses on their Hartleys Shares.

This summary does not constitute tax advice and is intended only as a general guide to the Australian tax implications of accepting the Offers based upon Australian taxation law and administrative practice in effect as at the date of this Bidder's Statement. It does not consider any specific facts or circumstances that may apply to Hartleys Shareholders. As the tax consequences of accepting the Offer depend on each Hartleys Shareholder's individual circumstances, all Hartleys Shareholders are advised to seek independent professional advice regarding the Australian and foreign tax consequences of accepting the Offer according to their own particular circumstances.

7.2 Australian Tax Resident Shareholders

This Section 7 applies to Hartleys Shareholders who accept the Offer and are residents of Australia for Australian income tax purposes that hold their Hartleys Shares on capital account.

(a) **Capital Gains Tax Event**

By accepting the Offer, Hartleys Shareholders will dispose of their Hartleys Shares to Euroz in exchange for the Consideration Shares, comprising Euroz Shares. The disposal of the Hartleys Shares to Euroz will give rise to a CGT event. The time of the CGT event should be the date the Hartleys Shares are disposed of, which will be the date that Hartleys Shareholders enter into a contract with Euroz.

If a Hartleys Shareholder does not accept the Offer and their Hartleys Shares are compulsorily acquired in accordance with Part 7A.1 of the Corporations Act, the date of disposal for CGT purposes will be the date when Euroz becomes the owner of the Hartleys Shares.

In the absence of CGT roll-over relief, the following tax consequences are expected to arise for Hartleys Shareholders:

- (i) a capital gain will be realised to the extent the capital proceeds received by Hartleys Shareholders from the disposal of their Hartleys Shares exceed the cost base of those Hartleys Shares; or
- (ii) a capital loss will be realised to the extent the capital proceeds received by Hartleys Shareholders from the disposal of their Hartleys Shares are less than the reduced cost base of those shares.

Capital losses can be offset against capital gains derived in the same income year or in later income years. Specific loss recoupment rules apply to companies to limit their availability in future years in certain circumstances. Hartleys Shareholders should seek their own tax advice in relation to the operation of these rules.

(b) **CGT Scrip for Scrip Roll-over Relief**

Euroz undertakes to do all things reasonably necessary or desirable to ensure that capital gains tax roll-over relief under Subdivision 124-M of the Income Tax Assessment Act 1997 is available to Hartleys Shareholders who accept the Offers made to them (including acquiring the required percentage of Hartleys Shares and not making any election under section 124-795(4) for the rollover not to apply).

Hartleys Shareholders who make a capital gain from the disposal of their Hartleys Shares may be eligible to choose CGT scrip for scrip roll-over relief (provided certain conditions are met). CGT scrip for scrip roll-over relief enables Hartleys Shareholders to disregard the capital gain they make from the disposal of their Hartleys Shares under the Offers.

Broadly, for roll-over relief to be available, Euroz must become the owner of 80% or more of the Hartleys Shares under the Offers and Hartleys Shareholders must make a capital gain on the disposal of their Hartleys Shares. If a capital loss arises, no CGT scrip for scrip roll-over relief is available.

Hartleys Shareholders do not need to inform the ATO, or document their choice to claim CGT scrip for scrip roll-over relief in any particular way, other than to complete their income tax return in a manner consistent with their choice.

(c) **Consequences of Choosing CGT Scrip for Scrip Roll-over Relief**

If a Hartleys Shareholder chooses to obtain CGT scrip for scrip roll-over relief, the capital gain arising on the disposal of their Hartleys Shares under the Offers should be disregarded.

Further, the first element of the cost base for the Euroz Shares received is determined by attributing to them, on a reasonable basis, the existing cost base of the Hartleys Shares exchanged under the Offers. The first element of the reduced cost base is determined similarly.

Finally, for the purposes of determining future eligibility for the CGT Discount, the acquisition date of the Euroz Shares is taken to be the date when the Hartleys Shareholder originally acquired their Hartleys Shares.

(d) **Consequences if CGT Scrip for Scrip Roll-over Relief is not available or is not chosen**

If a Hartleys Shareholder does not qualify for CGT scrip for scrip roll-over relief or does not choose to obtain CGT scrip for scrip roll-over relief, the general CGT treatment outlined above at Section 7.2(a) will apply.

If a Hartleys Shareholder makes a capital loss from the disposal of their Hartleys Shares, this loss may be used to offset capital gains in the same or subsequent years of income (subject to satisfying certain conditions). The capital loss cannot be offset against ordinary income or carried back to offset against capital gains arising in earlier income years.

(e) **Capital Proceeds**

The capital proceeds on the disposal of the Hartleys Shares should be equal to the Consideration Shares received by Hartleys Shareholders.

The capital proceeds will be equal to the market value of the Euroz Shares received by Hartleys Shareholders at the time they are issued to the relevant Hartleys Shareholder.

(f) **Cost Base and Reduced Cost Base of a Hartleys Share**

The cost base of a Hartleys Share will generally be equal to the cost of acquiring the Hartleys Share, plus any incidental costs of acquisition and disposal (such as brokerage fees and legal costs). The reduced cost base of a Hartleys Share is determined in a manner similar to the cost base although some differences in the calculation of the reduced cost base may exist depending on the Hartleys Shareholder's particular individual circumstances. The cost base and reduced cost base of each Hartleys Share will depend on the individual circumstances of each Hartleys Shareholder.

(g) **CGT Discount**

The CGT Discount may apply to Hartleys Shareholders that are individuals, complying superannuation funds or trusts, who have held, or are taken to have held, their Hartleys Shares for at least 12 months (not including the date of acquisition or the date of disposal) at the time of the disposal of their Hartleys Shares.

The CGT Discount is:

- (i) one-half if the Hartleys Shareholder is an individual or trustee; meaning only 50% of the capital gain will be included in assessable income; and

- (ii) one-third if the Hartleys Shareholder is a trustee of a complying superannuation entity; meaning only two-thirds of the capital gain will be included in assessable income.

The CGT Discount is not available to Hartleys Shareholders that are companies.

If a Hartleys Shareholder makes a discount capital gain, any carried forward capital losses will be applied to reduce the undiscounted capital gain before either the one-half or one-third discount is applied. The resulting amount is then included in the Hartleys Shareholder's net capital gain for the income year and included in assessable income.

The CGT Discount rules relating to trusts are complex. Accordingly, we recommend trustees seek their own independent advice on how the CGT Discount applies to them and the trust's beneficiaries.

7.3 GST

No GST will be payable by Hartleys Shareholders on the acquisition of their Hartleys Shares by Euroz under the Offers, or on the receipt of Euroz Shares as consideration for acceptance of the Offers. Hartleys Shareholders who are registered for GST may not be entitled to input taxed credits (or only entitled to reduced input taxed credits) for any GST incurred on costs associated with the disposal of their Hartleys Shares.

7.4 Duty

No Australian duty should be payable by Hartleys Shareholders on the acquisition of their Hartleys Shares by Euroz under the Offers, or on the receipt of Euroz Shares as consideration for acceptance of the Offers.

8. RISK FACTORS

8.1 Overview

The business activities of Euroz and the Merged Group are subject to various risks that may impact on the future performance of Euroz and the Merged Group. Some of these risks can be mitigated by the use of safeguards and appropriate systems and controls, but some are outside the control of Euroz and the Merged Group and cannot be mitigated.

If the Offers become unconditional, Hartleys Shareholders who accept the Offers will become Euroz Shareholders. In those circumstances, Hartleys Shareholders will:

- (a) continue to be exposed to the risks associated to the investment in Hartleys as a result of their indirect interest in Hartleys through Euroz;
- (b) be exposed to the risks which are specific to an investment in Euroz; and
- (c) be exposed to additional risks relating to the Offer and the Merged Group.

The principal risk factors are explained below. These risks are not intended to be an exhaustive list of the risk factors to which Euroz and the Merged Group are exposed.

Hartleys Shareholders should read the Bidder's Statement carefully and consult their professional advisers before deciding whether to accept the Offers. This Section 8 has been prepared without taking into account the individual financial objectives, financial situation and particular needs of Hartleys Shareholders.

An investment in the Merged Group carries no guarantee with respect to the payment of dividends, return of capital or price at which shares will trade and should be considered speculative.

By accepting the Offers, Hartleys Shareholders will be investing in Euroz.

8.2 Risks Relating to the Offers

(a) Contractual and Completion risk

Pursuant to the Bid Implementation Agreement Euroz has agreed to acquire the Hartleys Shares subject to the fulfilment of certain Conditions. The ability of Euroz to achieve its stated objectives will depend on the performance by the parties of their obligations under the Bid Implementation Agreement. If any party defaults in the performance of their obligations, it may be necessary for Euroz to approach a court to seek a legal remedy, which can be costly, or mean that Euroz cannot complete or be able to complete the Offers.

(b) Transaction Completion risk

Euroz seeks to acquire 100% of the issued capital of Hartleys by way of the Offers. The Offers are subject to Conditions including a 90% minimum acceptance condition which may not be waived without the prior written consent of Hartleys. If any of the Conditions are not satisfied or waived, or any of the counterparties do not comply with their obligations, Completion may be deferred or not occur. Failure to complete the Offers may adversely impact Euroz's financial condition and level of operations.

(c) **Transaction Due Diligence Risk**

Euroz and its advisers have performed certain pre-acquisition due diligence on Hartleys. While Euroz has obtained certain warranties from Hartleys under the Bid Implementation Agreement with respect to information provided by Hartleys, there is a risk that the due diligence conducted has not identified issues that would have been material to the decision by Euroz to acquire Hartleys. A material adverse issue which was not identified prior to Euroz's acquisition of Hartleys could have an adverse impact on the financial performance or operations of the relevant businesses and may have a material adverse effect on Euroz.

(d) **Issue of Euroz Shares as consideration**

Hartleys Shareholders are being offered specific quantities of Euroz Shares as consideration under the Offers. As a result, the value of the consideration will fluctuate depending upon the market value of Euroz Shares at any given time. Accordingly, the market value of the Euroz Shares at the time you receive them may vary significantly from their market value on the date of your acceptance of the Offers.

(e) **Rollover Relief**

A condition of the Offers is that the level of acceptance must result in Euroz obtaining a Relevant Interest in more than 90% of all Hartleys Shares, so as to entitle Euroz to proceed to compulsory acquisition of any minority holdings of Hartleys Shares.

If Euroz acquires a Relevant Interest in at least 90% of Hartleys Shares, then it is expected that Hartleys Shareholders will be eligible for capital gains tax rollover relief. In this regard, Euroz has undertaken in favour of Hartleys to do all things reasonably necessary or desirable to ensure that capital gains tax roll-over relief is available to Hartleys Shareholders who accept the Offers made to them

If Euroz does not acquire a Relevant Interest in at least 90% of Hartleys Shares and this Minimum Acceptance Condition is not waived with Hartleys' prior written consent, then the Offers will not be successful and Hartleys Shareholders will not dispose of their Hartleys Shares under the Offers.

However, in circumstances if this Minimum Acceptance Condition is not satisfied and Euroz and Hartleys still want the Offers to proceed, then it is not certain whether scrip-for-scrip CGT rollover relief will be available to Hartleys Shareholders as it will depend upon the ultimate Relevant Interest that Euroz acquires in Hartleys.

Hartleys Shareholders should refer to Section 7 for further details regarding the availability of scrip-for-scrip CGT rollover relief.

(f) **Sale of Euroz Shares**

Under the Offers, Euroz will issue a significant number of new Euroz Shares. Some holders of Euroz Shares may not intend to continue to hold their Euroz Shares and may wish to sell them. There is a risk that this may adversely impact on the price of and demand for Euroz Shares.

8.3 Specific Risks Relating to Euroz (and the Merged Group)

(a) **Concentrated Equity Exposure**

Euroz has a relatively concentrated investment portfolio, focussed on small- to mid-cap companies connected to Western Australia.

To the extent that Euroz has an interest in an individual entity, it will be exposed to the risk factors particular to that entity. In turn, it is necessary to consider the specific risk factors, including operational, financial and regulatory risks, that may cause an individual investment of Euroz to fall in value. This is particularly important for those entities in which Euroz has a significant ownership stake.

(b) **Licensing Requirements**

The ability of Euroz to continue to manage its portfolio is dependent upon the maintenance of an Australian financial services licence. The maintenance of this licence will depend upon compliance with the Corporations Act and licence conditions imposed by ASIC.

(c) **Gearing and Derivatives**

An investment may be geared through the use of derivatives or otherwise. It is important to consider the extent to which the portfolio is geared. A higher rate of gearing has the capacity to expose the portfolio to greater fluctuations in its returns. It is relevant to note that the portfolio manager may incorporate derivatives into the portfolio.

(d) **Reliance on Key Personnel**

The loss of key personnel within Euroz may have an adverse impact on Euroz. It is important to note that Euroz has sought to put in place systems to mitigate the risk of losing key personnel.

(e) **Absolute Performance versus Relative Performance**

It is the objective of Euroz to show positive returns on its investment regardless of the underlying movement in value of the Australian share market. With such an objective, the portfolio value may not change in line with the overall movements in the market and its performance may differ significantly from funds that seek to measure performance against the broader share market.

The past performance of funds managed by Euroz is not necessarily a guide to the future performance of Euroz.

(f) **Financial Market Regulation**

Changes in market regulations may limit Euroz's capacity to trade and adjust its portfolio. Additionally, increased disclosure and compliance costs may decrease returns.

(g) **Economic Risks**

General economic conditions, movements in commodity prices, interest and inflation rates may have an adverse effect on Euroz's activities, as well as on its ability to fund those activities.

Further, share market conditions may affect the value of Euroz's securities regardless of Euroz's operating performance. Share market conditions are affected by many factors such as:

- (i) general economic outlook;
- (ii) interest rates and inflation rates;
- (iii) currency fluctuations;
- (iv) changes in investor sentiment toward particular market sectors;
- (v) the demand for, and supply of, capital; and
- (vi) terrorism or other hostilities.

(h) **AFCA Complaints**

On 24 July 2020, Euroz received correspondence from the Australian Financial Complaints Authority (**AFCA**). The AFCA correspondence stated that 3 complaints had been made against Euroz (**AFCA Complaints**) by a group of related parties. Euroz believes that the AFCA Complaints relate to a potential monetary value of approximately \$1.4 million. Euroz has engaged independent legal advice on the matter, and is defending the AFCA Complaints.

Whilst Euroz does not believe that the AFCA Complaints have merit and will not result in judgement against them by AFCA, there is no guarantee that the complaint will result in a favourable judgement for Euroz.

Euroz may be involved in disputes with these or other parties in the future which may result in litigation. Any such claim or dispute if proven, may impact adversely on Euroz's operations, financial performance and financial position.

(i) **Disputes**

The activities of Euroz may result in disputes with third parties, including, without limitation, Euroz's investors, counterparties, competitors, regulators, partners, distributors, directors, officers and employees, suppliers, licensors and service providers. Euroz may incur substantial costs in connection with such disputes.

(j) **Information Technology (IT) risks, privacy and cyber-crime**

Euroz relies on significant IT infrastructure and systems and the efficient and uninterrupted operation of that infrastructure. Euroz's core systems and operations could be exposed to damage or interruption from system failures, computer viruses, cyber-attacks, power or telecommunication providers' failure or human error. These events may cause one or more of Euroz's IT infrastructure to become unavailable.

Any interruptions to these operations would impact the ability to operate and could result in business interruption, the loss of revenue, damaged reputation and weakening of competitive position and could therefore adversely affect operating and financial performance.

Through the ordinary course of its business, Euroz may be exposed to cyber-attacks. Cyber-attacks may lead to a compromise or even breach of the technology platforms used to protect confidential information and to operate its core functions. It is possible that the measures taken (including firewalls, encryption of client data, a privacy policy and policies to restrict access to data to authorised employees) will not be sufficient to detect or prevent unauthorised access to, or disclosure of, confidential information, whether malicious or inadvertent.

There is a risk that, if a cyber-attack is successful, any data security breaches or an inadvertent failure to protect confidential information could result in a loss of information integrity, breaches of obligations under applicable laws or client agreements, system outages and the hacking of digital assets and/or systems. Each of these may potentially have a material adverse impact on functionality, reputation and financial performance.

Failure to appropriately address security risks around external threats to the digital network, IT systems and data (including personal information) could result in the interruption of core activities, the potential loss of intellectual property or a personal information data breach.

In the period leading up to lodgement of this Bidder's Statement, Hartleys notified Euroz of a cyber-attack in relation to its IT and data storage systems, which included a demand for a ransom payment. Hartleys has successfully restored its systems (including all business-critical data) from a backup, other than data contained within its SharePoint system, and some data from July and August 2020 which was not backed up or encrypted. The SharePoint system contained Hartleys client information (including possible personal data). While the inaccessible data may not affect Hartleys current functionality, such data may be required to ensure that Hartleys is compliant with its legal and regulatory obligations.

Hartleys has notified ASIC and the ASX in relation to this matter. There is a risk of potential action by ASIC or another Government Authority against Hartleys for potential breaches of legislation including the *Privacy Act 1988 (Cth)*. Hartleys has contacted its insurers and is seeking independent legal advice as appropriate. There remains a risk that insurance may be denied against claims arising from regulatory breaches or ransom payments depending on the outcome of a forensic analysis of the cyber-attack. Euroz confirms that the occurrence of this cyber-attack has not resulted in a breach of any of the Conditions (as at the date of this Bidder's Statement).

8.4 General Risks Relating to the Merged Group

(a) Risk of High Volume of Sale of Securities in Euroz

If the Offers are successfully completed, Euroz will have issued a significant number of new Euroz Shares to various parties. Some of the Hartleys Shareholders as a result of the Offers may not intend to continue to hold those Euroz Shares and may wish to sell them on ASX (subject to any applicable trading restrictions and Euroz's share trading policies). There is a risk that an increase in the amount of people wanting to sell Euroz Shares may adversely impact on the market price of Euroz's securities.

There can be no assurance that there will be, or continue to be, an active market for Shares or that the price of Shares will increase. As a result, Hartleys Shareholders may, upon selling their Shares, receive a market price for their securities that is less than the price at the date of this Bidder's Statement.

(b) **Trading Price of Euroz Shares**

The Merged Group's credit quality, operating results, economic and financial prospects and other factors may affect the trading price of the Euroz Shares. In addition, the price of Euroz Shares is subject to varied and often unpredictable influences on the market for equities, including, but not limited to general economic conditions including commodity price fluctuations, inflation rates, foreign exchange rates and interest rates, variations in the general market for listed stocks in general, changes to government policy, legislation or regulation, industrial disputes, general operational and business risks and hedging or arbitrage trading activity that may develop involving the Euroz Shares. No assurances can be made that Euroz's market performance will not be adversely affected by any such market fluctuations or factors.

(c) **Additional Requirements for Capital**

The capital requirements of the Merged Group depend on numerous factors. Future equity financing will dilute shareholdings, and debt financing, if available, may involve restrictions on financing and operating activities. If the Merged Group is unable to obtain additional financing as needed, it may be required to reduce the scope of its operations.

9. ADDITIONAL INFORMATION

9.1 Hartleys Board Recommendation

The directors of Hartleys have indicated that they will accept the Offers in respect of all Hartleys Shares they own or control, subject to there being no Superior Proposal.

9.2 Bid Implementation Agreement

On 17 July 2020, Euroz and Hartleys entered into the Bid Implementation Agreement pursuant to which Euroz made a conditional off-market offer for all the Hartleys Shares on issue. The conditions of the Offers are set out in Section 8 of Annexure A.

A full copy of the Bid Implementation Agreement was lodged with the ASX on 17 July 2020 and can be obtained from Euroz's website (www.euroz.com) or on Euroz's profile on the ASX's website at (www.asx.com.au).

9.3 Exclusivity

Under the Bid Implementation Agreement, Euroz and Hartleys have agreed to an exclusivity period commencing 17 July 2020 until the earlier of Completion, termination of the Bid Implementation Agreement or the date that is 5 months after the date of the Bid Implementation Agreement (unless otherwise agreed in writing), during which neither party may solicit other proposals without the other party's consent and must notify each other if a competing proposal is received. In the event that a competing proposal is received by Hartleys which is superior to the Offers, Euroz will have an opportunity to vary the terms of the Offers to match or better such a Superior Proposal.

9.4 Reconstitution of the Euroz Board

Under the Bid Implementation Agreement, Euroz and Hartleys agreed that two (2) Hartleys nominees would be appointed to the Euroz Board, and four (4) existing Euroz Directors would resign, upon successful completion of the Offers. Consequently, it is proposed that Anthony Brittain, Greg Chessell, Russell Kane and Simon Yeo will step down from the Euroz Board and the following Proposed Directors will join the Euroz Board upon successful completion of the Offers:

- (a) Richard Simpson – Executive Director; and
- (b) Ian Parker – Executive Director.

9.5 Status of Conditions

The conditions of the Offers are set out in Section 8 of Annexure A (**Conditions**). Euroz will use all reasonable endeavours to ensure the Conditions are satisfied as soon as possible after the date of this Bidder's Statement.

As at the date of this Bidder's Statement, Euroz is not aware of any events which have occurred which would result in a breach or inability to satisfy the Conditions.

Euroz will give a notice of the status of the Conditions in accordance with the Corporations Act on 2 October 2020 (subject to extension if the Offer Period is extended).

9.6 Official Quotation

Euroz will lodge an application for admission to Official Quotation of all Euroz Shares issued as the Consideration.

As Euroz is listed on ASX, Euroz's actions and activities are subject to the ASX Listing Rules.

Euroz estimates it will incur fees for services provided in connection with the Offers and associated transactions and documentation, including for legal, taxation, financial advisers, share register and ASX and other professional fees, in the amount of approximately \$269,264 (excluding GST).

Estimated expenses of the Offers	(\$)
ASIC lodgement fee	5,264

Letter to Shareholders

4 September 2020

Dear Shareholder

Merger with Euroz Limited

On 17 July 2020, Euroz Limited (ASX:EZL) (**Euroz**) announced it had entered into a bid implementation agreement with Hartleys Limited (**Hartleys**) under which Euroz agreed to make off-market takeover offers in accordance with Chapter 6 of the Corporations Act to acquire all of the Hartleys A Class Shares and all of the Hartleys E Class Shares (**Offers**), being 100% of the issued share capital in Hartleys. Euroz is an ASX listed financial services company which provides corporate finance, funds management and wealth management services.

Hartleys' and Euroz's businesses are highly complementary and their combination will create a leading Western Australian based financial services company with a strong balance sheet, critical scale, solid and sustainable revenue with significant cost savings and operational synergies.

Under the Offers, you are entitled to receive:

- (a) 3.3033304 new Euroz Shares for every Hartleys A Class Share that you own and accept into the Offers; and
- (b) 3.3033304 new Euroz Shares for every Hartleys E Class Share that you own and accept into the Offers.

This amount is in addition to any amounts which you may receive by way of permitted distributions made to Hartleys Shareholders (in the form of dividends and a capital return) before the transfer of any Hartleys Shares to Euroz occurs pursuant to the Offers.

The Offers imply a value of \$3.77 per Hartleys Share based on the closing price of Euroz Shares on ASX of \$1.14 on Thursday, 3 September 2020 (being the last practicable date before finalising this Target's Statement). However, this implied value will change as a consequence of changes in the market price of Euroz Shares on ASX.

The Offer Consideration also represents a premium of approximately 45% to the unaudited 30 June 2020 net asset value of a Hartleys Share (based on the 5 day volume weighted average price of Euroz Shares up to and including 30 June 2020).

If the Offers are successful, Euroz will issue approximately 33 million Euroz Shares as consideration for acquiring all of the issued share capital in Hartleys, with Hartleys Shareholders expected to own up to 17% of the combined group meaning that, as a Hartleys Shareholder, you will retain significant exposure to the upside potential of the Merged Group. Hartleys will be renamed "Euroz Hartleys Limited" with the existing Euroz business to merge with this rebranded entity. Further, the Euroz Board will be restructured such that four of the existing board members of Euroz will resign and two existing Hartleys Directors, Richard Simpson and Ian Parker, will join the Euroz Board.

Importantly, each Offer is subject to (amongst other things) a non-waivable 90% minimum acceptance condition so as to ensure that the merger will only proceed if Euroz is entitled to

acquire 100% of Hartleys. Further details of the defeating conditions are set out in section 8 of Annexure A of the Euroz Bidder's Statement.

Enclosed is Hartleys' Target's Statement, which sets out the responses and recommendations of the Hartleys Directors to Shareholders in relation to the Offers.

After careful consideration, the Hartleys Directors unanimously recommend that you ACCEPT the Offers made for your Hartleys A Class Shares and Hartleys E Class Shares, subject to there being no Superior Proposal. Each Director intends to accept the Offers in respect of all Hartleys Shares they own or control, subject to there being no Superior Proposal. The reasons for this recommendation are set out in **section 1** of this Target's Statement.

Your Directors recommend that you read this Target's Statement in its entirety and in conjunction with the Bidder's Statement which is also enclosed.

If you wish to accept the Offers, you should follow the instructions in the Bidder's Statement and on the Acceptance Forms. The Offers are scheduled to close at 5.00pm (Perth time) on Friday, 9 October 2020, unless extended by Euroz.

If you have any questions in relation to the Offers, I encourage you to seek independent advice from your investment, financial, tax or other professional adviser, or to contact Hartleys' CEO and Company Secretary, Mr Charlie Ransom, on +61 8 9268 2868.

Yours sincerely

Ian Parker
Chairman

1 Reasons you should ACCEPT the Offers

The Directors have considered the advantages and disadvantages of the Offers and unanimously recommend that you **ACCEPT** the Offers in respect of all Hartleys Shares that you hold, subject to there being no Superior Proposal. The reasons for this recommendation are set out below.

As at the date of this Target's Statement, each Director (who in aggregate hold approximately 35.7% of the Hartleys A Class Shares on issue and approximately 32.3 % of the Hartleys E Class Shares on issue) intends to accept the Offers in respect of all Hartleys Shares they own or control, subject to there being no Superior Proposal.

The Directors also acknowledge there are risks associated with accepting the Offers which are highlighted in **section 7.3** of this Target's Statement.

1.1 The merger will create a leading Western Australian based financial services company

Hartleys' and Euroz's businesses are highly complementary and their combination will create a leading Western Australian based financial services company with a strong balance sheet, critical scale, solid and sustainable revenue with significant cost savings and operational synergies.

Both Hartleys and Euroz provide similar services with respect to stockbroking, corporate finance, investment and wealth management services. The combination of the two businesses is expected to enable the Merged Group to execute larger transactions, enhance the research offering, provide a larger distribution channel for existing and new clients and create synergies by improving operational efficiencies, than if Hartleys and Euroz remained as separate stand-alone businesses.

Hartleys Shareholders will hold approximately 17% of the Merged Group, meaning that you will retain significant exposure to the upside potential of the Merged Group. Further, following successful completion of the transaction, the Board of Euroz is to be restructured such that four of the existing board members of Euroz will resign and two existing Hartleys Directors, Richard Simpson and Ian Parker, will join the Euroz Board.

1.2 The Offers provide a significant premium over the price at which Hartleys Shares are permitted to be transferred under the existing Hartleys Constitution

The Offers imply a value of \$3.77 for each Hartleys Share, based on the closing price of Euroz Shares on ASX of \$1.14 on Thursday, 3 September 2020 (being the last practicable date before finalising this Target's Statement). This implies an equity value for Hartleys of approximately \$37.6 million. However, this implied value will change as a consequence of changes in the market price of Euroz Shares on ASX.

The Offer Consideration also represents a premium of approximately 45% to the unaudited 30 June 2020 net asset value of a Hartleys Share (based on the 5 day volume weighted average price of Euroz Shares up to and including 30 June 2020).

Importantly, the value offered for your Hartleys Shares pursuant to the Offers is in addition to any amounts that you may receive by way of a distribution of surplus assets to Hartleys Shareholders prior to the transfer of any Hartleys Shares to Euroz under the Offers. Further details of the proposed distributions to be made to Hartleys Shareholders are set out in **section 4.3** of this Target's Statement and in the Hartleys Meeting Documentation which is expected to be dispatched to Hartleys Shareholders shortly.

Hartleys Shareholders are separately being asked to approve changes to the Hartleys Constitution to facilitate the Offers being made to you. Details of those proposed

changes to the Hartleys Constitution will be set out in the Hartleys Meeting Documentation to be dispatched to you shortly.

In the absence of Hartleys Constitution being amended to facilitate the Offers being made, the Hartleys Constitution specifies the formula for determining the price at which each Hartleys Share may be transferred as being:

$$(NAV \times GF) / N$$

Where:

NAV is the net asset value of Hartleys as determined by the Hartleys' nominated accountant as at the most recent calendar month end occurring before the initiation of the sale process, adjusted to reflect any distributions, equity raisings or other alterations to the capital structure which the Board determines impacts on Hartleys' net asset value that occur between the month end date and the date that the sale process is initiated, and is further adjusted to exclude the net value of securities held by Hartleys as determined by the Hartleys Board.

GF is the goodwill factor being not less than 1.0 and not greater than 1.2 as determined by the Hartleys Board.

N is the aggregate number of Hartleys A Class Shares and Hartleys E Class Shares on issue.

The last price at which Hartleys A Class Shares and Hartleys E Class Shares were bought and sold, applying this formula, was \$2.1572 per Hartleys Share.

1.3 You will hold an interest in an ASX-listed company

Your ability to transfer Hartleys Shares is currently subject to the restrictions set out in the Hartleys Constitution. These restrictions limit who you may sell your Hartleys Shares to, and the price that you are able to receive in relation to the sale of your Hartleys Shares. The Hartleys Constitution also requires you to divest your Hartleys Shares (at the price determined by the formula set out in **section 1.2** above) in certain circumstances where you or your associate cease to be employed by Hartleys.

By accepting the Offers, you will move from holding an interest in an unlisted company to a holding in an ASX-listed company. As an ASX-listed company, Euroz Shares can be traded more freely than unlisted Hartleys Shares, enabling Hartleys Shareholders to readily monetise some or all of their investment.

Hartleys Shareholders should, however, have regard to the trading restrictions that may apply as a result of entering into new employment agreements with Euroz. Further, there may be a requirement to divest a portion of the Euroz Shares you receive under the Offer should you or your associate cease to be employed by the Merged Group. For further information, see section 9.15 of the Bidder's Statement and **section 8.5(b)(i)** of this Target's Statement.

1.4 Potential availability of capital gains tax roll-over relief

Hartleys Shareholders are expected to be able to avail themselves of scrip for scrip roll-over relief in relation to the Euroz Shares they receive if they accept into the Offers.

In this regard, Euroz has undertaken in the Bid Implementation Agreement to do all things reasonably necessary or desirable to ensure that CGT roll-over relief under Subdivision 124-M of the Income Tax Assessment Act 1997 is available to Hartleys Shareholders who accept the Offers.

If scrip for scrip roll-over relief is available and is chosen by Hartleys Shareholders who would otherwise have made a capital gain on the disposal of their Hartleys Shares under the Offers, all of the capital gain from the disposal may be disregarded. The CGT provisions would then only apply on a later taxable event (such as a disposal) happening on the Euroz Shares received as consideration under the Offers.

Further details are set out in section 7 of the Bidder's Statement.

You should note that the taxation consequences of accepting the Offers depend on a number of factors and will vary depending on your particular circumstances.

1.5 Remote likelihood of a Superior Proposal

As at the date of this Target's Statement, there has not been any other takeover offer or any other binding proposal to seek to acquire control of Hartleys since the Offers were announced.

The Directors believe that the prospect of a Superior Proposal emerging is remote.

1.6 There are risks in not accepting the Offers

If the Offers are unsuccessful and no other offers emerge for Hartleys, Hartleys Shareholders will be exposed to the ongoing risks associated with an investment in Hartleys, including:

- the risks relating to the value at which you may be able to exit your investment;
- the risks associated with the scale of Hartleys' offering and distribution networks compared to some of its competitors; and
- the risks associated with managing the destabilising effect on the business as a result of the proposed merger with Euroz not proceeding.

Further, if the Offers are unsuccessful and no other offers emerge for Hartleys, the distribution of all of the surplus assets (that is proposed to be considered by Hartleys Shareholders pursuant to the Hartleys Meeting Documentation) will not proceed. Hartleys has commenced liquidating the securities held by Zenix to facilitate such a distribution, which may result in Hartleys realising less for these securities than what may have otherwise been realised if it had retained these securities within Zenix.

Further details in relation to the risks of being a Hartleys Shareholder are set out in **section 7.2** of this Target's Statement.

Question	Answer
8 Why might I not accept the Offers?	<p>Possible reasons why you may choose not to accept the Offers include:</p> <ul style="list-style-type: none"> • You may disagree with the recommendation of the Directors and/or believe the Offer Consideration is inadequate • By accepting the Offers you will have reduced exposure to Hartleys' assets and operations • You may wish to remain a Shareholder and participate in the future financial performance of Hartleys as a stand-alone, unlisted entity • You may not wish to become a shareholder of Euroz, an ASX-listed Australian public company • You may believe that the Offers will not be successful, including due to the 90% minimum acceptance non-waivable condition not being satisfied • You may wish to sell your Hartleys Shares to a third party and receive the proceeds of that sale sooner than the consideration under the Offers • The potential tax consequences of the Offers may not suit your current financial position or tax circumstances • You may consider there is the potential for a Superior Proposal to be made prior to the end of the Offer Period <p>There are also risks associated with accepting the Offers. 10 Can I be forced to sell my Hartleys Shares?	<p>You cannot be forced to sell your Hartleys Shares unless Euroz proceeds to compulsory acquisition.</p> <p>Euroz will need to acquire at least 90% of the relevant class of Hartleys Shares in order to exercise its compulsory acquisition rights in respect to that class of share. In the event this occurs in relation to your Hartleys Shareholding, you will then receive the same consideration that is payable under the Offers at that time.</p> <p>Further information on compulsory acquisition is set out in section 4.13 of this Target's Statement.</p>
11 Has an Independent Expert's Report been prepared?	<p>No. An Independent Expert's Report is only required to be included in a Target's Statement where the bidder's voting power in the target is 30% or more, or if a director of the target company is a bidder or a director of the bidder company. This requirement does not apply to the Offers.</p> <p>The Hartleys Board reserves the right to obtain an Independent Expert's Report should circumstances change.</p>

15 What are the consequences of accepting the Offers now?	<p>If you accept the Offers now, you will be unable to accept a superior offer from another bidder if such an offer is made, unless any withdrawal rights apply at the applicable time and you withdraw your acceptance of the Offers, or the Offers lapses.</p>
16 If I accept the Offers now, can I withdraw my acceptance?	<p>You may only withdraw your acceptance in certain prescribed circumstances, such as where Euroz varies the Offers in a way that postpones the time when Euroz is required to satisfy its obligations by more than one month.</p> <p>See section 4.10 of this Target's Statement for further details.</p>

You would then be free to deal with your Hartleys Shares even if you had accepted the Offers.</p>
22 When will Euroz announce the status of the Conditions?	<p>Euroz is required under the Corporations Act to give a Notice of Status of Conditions not more than 14 days and not less than 7 days before the end of the Offer Period (which is subject to change in accordance with the Corporations Act).</p> <p>See section 4.5 of this Target's Statement for further details.</p>

The escrow restrictions will, however, immediately be lifted in the event that the relevant employee is made redundant or has their employment terminated by Euroz (other than for cause).</p> <p>See section 8.5(b)(i) of this Target's Statement and section 9.15 of the Bidder's Statement for further details on the Employment Condition.</p>

3 Directors' recommendation and intentions

3.1 Directors of Hartleys

As at the date of this Target's Statement, the Directors of Hartleys are:

- Mr Ian Parker – Chairman
- Mr John Featherby – Director
- Mr Richard Simpson – Director
- Mr Carrick Ryan – Director
- Mr Dale Bryan – Director
- Mr David Smyth – Director

Mr Charlie Ransom is the CEO & Company Secretary of Hartleys.

3.2 Directors' recommendation to **ACCEPT** the Offers

Having considered the advantages and disadvantages of the Offers, each of the Directors consider that the Offers are in the best interests of Shareholders and accordingly recommend that you **ACCEPT** the Offers, subject to there being no Superior Proposal.

3.3 Directors' reasons for their recommendation

The Directors have considered in detail the advantages, disadvantages and merits of the Offers.

In making their recommendation, the Directors have resolved that the advantages of the Offers outweigh the disadvantages. The reasons for the Directors' recommendation are set out in **section 1** of this Target's Statement, being:

- Hartleys' and Euroz's businesses are highly complementary and their combination will create a leading Western Australian based financial services company with a strong balance sheet, critical scale, solid and sustainable revenue with significant cost savings and operational synergies;
- The Offers provide a significant premium over the price at which Hartleys Shares are currently permitted to be transferred under the Hartleys Constitution;
- You will hold an interest in an ASX-listed company, which is a much more liquid investment than Hartleys Shares;
- There is the potential to take advantage of capital gains tax roll-over relief;
- There is a remote likelihood of a Superior Proposal; and
- There are risks in not accepting the Offers.

3.4 Intentions of the Directors in respect of their own Hartleys Shares

Details of the Relevant Interests of the Directors are set out in **section 8.3** of this Target's Statement.

As at the date of this Target's Statement, each Director intends to accept the Offers in respect of all Hartleys Shares they own or control, subject to there being no Superior Proposal.

3.5 Your choices as a Shareholder

As a Hartleys Shareholder you have three choices currently available to you. These options are set out below.

Before making any decision in relation to your Hartleys Shares, you should note that:

- your Directors unanimously recommend that you **ACCEPT** the Offers, subject to there being no Superior Proposal;
- each Director intends to **ACCEPT** the Offers in respect of all Hartleys Shares they own or control, subject to there being no Superior Proposal; and
- the Directors encourage you to read the whole of this Target's Statement and the Bidder's Statement and consider your personal risk profile, investment strategy, tax position and financial circumstances. If you are in any doubt as to what to do, you should obtain financial advice from your broker or financial adviser on the Offers and taxation advice on the effect of accepting the Offers.

(a) **ACCEPT the Offers**

Section 4 of Annexure A of the Bidder's Statement contains details of how to accept the Offers.

If you decide to accept the Offers, your acceptance must be received before the close of the Offer Period which is currently scheduled to occur at 5.00pm (Perth time) on Friday, 9 October 2020 unless the Offer Period is extended in accordance with the Corporations Act.

This is what the Directors recommend you do, subject to there being no Superior Proposal.

(b) **Sell your Shares**

During the Offer Period, you may sell your Hartleys Shares (unless you have previously accepted the Offers and you have not validly withdrawn your acceptance). Shareholders should however note that the Hartleys Constitution contains provisions which prohibit or otherwise restrict the sale of Hartleys Shares, and the price which you are able to receive for your Hartleys Shares.

If you sell your Hartleys Shares and that transaction is effected, you may receive the consideration for your Hartleys Shares sooner than if you accept the Offers while they are subject to Conditions. If you sell your Hartleys Shares, you:

- will lose the ability to accept the Offers;
- may be liable for CGT or income tax on the sale of those Hartleys Shares; and
- will lose the opportunity to receive future returns from Hartleys or the Merged Group should the merger proceed.

(c) **Reject the Offers and do nothing**

If you do not wish to accept the Offers or sell your Hartleys Shares, you can choose to do nothing. By doing nothing you will continue to remain a Hartleys Shareholder.

The Offers are subject to a non-waivable Minimum Acceptance Condition so as to ensure that Euroz acquires 100% of Hartleys. Shareholders should note that, if the Minimum Acceptance Condition and the Amendment to Constitution Condition are satisfied, then subject to no other Condition being breached or otherwise becoming incapable of being satisfied, Euroz has agreed in the Bid Implementation Agreement to

immediately waive all outstanding Conditions and exercise its rights of compulsory acquisition.

See **section 4.13** of this Target's Statement for more details.

4 Key features of the Offers

4.1 The Offers

Euroz is offering to acquire all of your Hartleys Shares. The consideration being offered by Euroz is:

- 3.3033304 Euroz Shares for every Hartleys A Class Share held as at the Register Date; and
- 3.3033304 Euroz Shares for every Hartleys E Class Share held as at the Register Date.

4.2 Conditions to the Offers

The Offers are subject to a number of Conditions which are set out in full in section 8 of Annexure A of the Bidder's Statement and schedule 2 of the Bid Implementation Agreement.

By way of summary, the outstanding conditions to the Offers include:

- at or before the end of the Offer Period, Euroz having a Relevant Interest in at least 90% of each of the Hartleys A Class Shares and the Hartleys E Class Shares (**Minimum Acceptance Condition**). Euroz is not permitted to waive this Minimum Acceptance Condition without the prior written consent of Hartleys;
- Hartleys Shareholders approving an amendment to the Hartleys Constitution to permit a transfer of Hartleys Shares to Euroz under the Offers (**Amendment to Constitution Condition**). Further details regarding the proposed amendments to the Hartleys Constitution to facilitate the Offers being made will be set out in the Hartleys Meeting Documentation to be dispatched to Hartleys Shareholders shortly. Euroz is not permitted to waive this Amendment to Constitution Condition without the prior written consent of Hartleys (as Euroz would not be able to lawfully acquire Hartleys Shares unless the proposed amendments to the Hartleys Constitution are approved by Hartleys Shareholders, it is not expected that this defeating condition to the Offers will be waived);
- no regulatory actions, of various kinds, occurring between the Announcement Date and the end of the Offer Period;
- no Prescribed Occurrences occurring between the Announcement Date and the date that is three business days after the end of the Offer Period, other than those matters that are expressly permitted by the terms of the Bid Implementation Agreement;
- no person exercising a right under an agreement between the Announcement Date and the end of the Offer Period which results in, amongst other things, moneys borrowed by any member of the Hartleys Group becoming repayable, certain material contracts being terminated, modified or not renewed, or the transfer of any assets of any member of the Hartleys Group (unless that person gives a binding, irrevocable and unconditional release or waiver of that right);

- no member of the Hartleys Group undertaking certain prohibited actions with respect to the conduct of Hartleys' business between the Announcement Date and the end of the Offer Period;
- Euroz does not become aware, between the Announcement Date and the end of the Offer Period, that certain public documents or statements made by or on behalf of Hartleys are inaccurate or misleading in any material way;
- no Hartleys Material Adverse Change occurs between the Announcement Date and the end of the Offer Period; and
- the representations and warranties given by Hartleys in the Bid Implementation Agreement remain true and correct in all material respects between the Announcement Date and the end of the Offer Period.

Hartleys is in the process of convening a meeting of Hartleys Shareholders (which meeting is expected to be held during September 2020) to seek the approval of Hartleys Shareholders for the purposes of satisfying the Amendment to Constitution Condition.

The Offers were also subject to the execution of employment agreements (containing restraints consistent with existing Euroz employee restraints) with each of the continuing Hartleys employees who are existing Hartleys Shareholders (excluding any of those Hartleys Shareholders that are the subject of the Agreed Redundancies), and those relevant Hartleys Shareholders entering into separate restraints and also restriction arrangements in respect to a portion of the Euroz Shares to be received as consideration under the Offers (**Employment Condition**). For further details regarding these arrangements, see **section 8.5(b)(i)** of this Target's Statement. Euroz has notified Hartleys that this Employment Condition has been satisfied.

As at the date of this Target's Statement, Hartleys is not aware of any act, omission, event or fact that would result in any of the Conditions to the Offers being triggered (or not being satisfied, as appropriate).

4.3 Permitted Distribution

Euroz has consented to Hartleys making a distribution to Hartleys Shareholders, prior to the transfer of any Hartleys Shares under the Offers, of an aggregate amount equal to:

- (a) the cash and cash equivalent assets held by Hartleys as at 30 June 2020, less an amount equal to the aggregate of the provisions in Hartleys' 30 June 2020 financial statements for long service leave, annual leave and tax liabilities and less an amount equal to the cash costs of proceeding with any redundancies that have been agreed between Hartleys and Euroz in connection with the Offers (to avoid doubt, remuneration accruals as at 30 June 2020 are excluded from this aggregate amount); plus
- (b) if any Hartleys employee who is employed by Hartleys as at 30 June 2020 resigns, is made redundant or otherwise ceases to be employed by Hartleys at any time after 30 June 2020 but prior to the close of the Offers, the amount by which the provision for long service leave liabilities in the Hartleys 30 June 2020 financial statements would have been reduced if the relevant employee(s) had resigned, been made redundant or otherwise ceased to be employed by Hartleys as at 30 June 2020; plus
- (c) the cash proceeds of sale of the securities held by Zenix as at 30 June 2020 (after allowing for the costs of sale and any related commissions or expenses) less the amount of tax payable in connection with the liquidation of those securities,

(being the **Permitted Distribution**) by way of a fully franked dividend, with any residual amount being distributed by way of a return of capital (subject to all necessary approvals, including the approval of Hartleys Shareholders, being obtained).

To the extent the Permitted Distribution is to proceed by way of a return of capital, Hartleys Shareholders will be asked to consider, and if thought fit to authorise, that return of capital at the same meeting of Hartleys Shareholders at which the proposed changes to the Hartleys Constitution to facilitate the Offers will be considered.

Hartleys has commenced liquidating the securities held by Zenix to facilitate the Permitted Distribution. The Hartleys Board will determine the amount of capital to be returned to each of the Hartleys A Class Shareholders and the Hartleys E Class Shareholders in accordance with the Corporations Act requirements after Zenix has completed the liquidation of its portfolio and having first determined the extent to which a fully franked dividend can be paid out of the surplus assets held by Hartleys.

The Hartleys Board will also assess the status of the Offers before proceeding with the Permitted Distribution with the aim of proceeding to pay all of the Permitted Distribution before any transfer of Hartleys Shares to Euroz occurs pursuant to the Offers. If for any reason the Offers do not proceed, the Hartleys Board will re-assess the amount of Permitted Distribution (if any) proposed to be made having regard to Hartleys' likely ongoing working capital requirements.

Importantly, the Offers are not conditional on the Permitted Distribution occurring, and the consideration to be provided by Euroz for Hartleys Shares will not be adjusted if the Permitted Distribution does not occur.

Hartleys Shareholders should refer to the Hartleys Meeting Documentation (which is to be dispatched shortly) for further details regarding the proposed Permitted Distribution.

4.4 Implications of Conditions not being satisfied

Euroz can waive the satisfaction of any Condition in its sole discretion, other than the Minimum Acceptance Condition and the Amendment to Constitution Condition, which cannot be waived by Euroz without the prior written consent of Hartleys.

If the Minimum Acceptance Condition and the Amendment to Constitution Condition are satisfied, then subject to no other Condition being breached or otherwise becoming incapable of being satisfied, Euroz has agreed in the Bid Implementation Agreement to immediately waive all outstanding Conditions and exercise its rights of compulsory acquisition.

If, at the close of the Offer Period, any Condition has not been satisfied (or has been triggered) and has not been waived², the Offers will lapse.

If the Offers lapse, all contracts resulting from acceptance of the Offers and all acceptances that have not resulted in binding contracts are void. In that situation, you will retain your Hartleys Shares and be free to deal with them in accordance with the Hartleys Constitution.

4.5 Notice of Status of Conditions

Section 10 of Annexure A of the Bidder's Statement indicates when Euroz will give a Notice of Status of Conditions.

Euroz is required to set out in its Notice of Status of Conditions:

² In the case of the Condition relating to Prescribed Occurrences, by the end of the third Business Day after the end of the Offer Period, but only to the extent the Prescribed Occurrence is the same as the conditions set out in section 652C(1) or (2) of the Corporations Act.

- whether the Offers are free of any or all of the Conditions;
- whether, so far as Euroz knows, any of the Conditions have been fulfilled; and
- Euroz's voting power in Hartleys.

If the Offer Period is extended by a period before the time by which the Notice of Status of Conditions is to be given, the date for giving the Notice of Status of Conditions will be taken to be postponed for the same period. In the event of such an extension, Euroz is required, as soon as practicable after the extension, to give a notice to the ASX and Hartleys that states the new date for the giving of the Notice of Status of Conditions.

If a Condition is fulfilled (so that the Offers become free of that Condition) during the Offer Period but before the date on which the Notice of Status of Conditions is required to be given, Euroz must, as soon as practicable, give the ASX and Hartleys a notice that states that the particular Condition has been fulfilled.

As at the date of this Target's Statement, the Employment Condition has been satisfied. As at the date of this Target's Statement, Euroz has not given notice that any other Condition has been fulfilled.

4.6 Offer Period

Unless the Offers are extended or withdrawn, it is open for acceptance from Wednesday, 9 September 2020 until 5.00pm (Perth time) on Friday, 9 October 2020.

Pursuant to the terms of the Bid Implementation Agreement, Hartleys and Euroz have agreed that Euroz may in its discretion extend the Offer Period by not more than a total of 2 months (unless the prior written consent of Hartleys has been obtained) or automatically, in accordance with the Corporations Act.

The circumstances in which Euroz may extend or withdraw the Offers are set out in **section 4.7** and **section 4.8** respectively of this Target's Statement.

4.7 Extension of the Offer Period

Subject to the constraints on extending the Offer Period set out in **section 4.6** of this Target's Statement, Euroz may extend the Offer Period at any time before giving the Notice of Status of Conditions (referred to in **section 4.5** of this Target's Statement) while the Offers are subject to conditions. However, if the Offers are unconditional (that is, all the Conditions are fulfilled or freed), Euroz may extend the Offer Period at any time before the end of the Offer Period.

In addition, there will be an automatic extension of the Offer Period if, within the last 7 days of the Offer Period, either of the following events occur:

- Euroz improves the consideration offered under the Offers; or
- Euroz's voting power in Hartleys increases to more than 50%.

If either of the above two events occur, the Offer Period will be automatically extended so that it ends 14 days after the event occurs.

4.8 Withdrawal of Offers

Euroz may not withdraw the Offers if you have already accepted it. Before you accept the Offers, Euroz may withdraw the Offers with the written consent of ASIC and subject to the conditions (if any) specified in such consent.

4.9 Effect of acceptance

The effect of acceptance of the Offers is set out in section 6 of Annexure A of the Bidder's Statement.

Shareholders should read these provisions in full to understand the effect that acceptance will have on their ability to exercise the rights attaching to their Hartleys Shares and the representations and warranties they give by accepting the Offers.

4.10 Your ability to withdraw your acceptance

Once you accept an Offer, you will have limited rights to withdraw your acceptance of that Offer.

You may withdraw your acceptance of the Offers only if Euroz varies the Offers in a way that postpones, for more than one month, the time when Euroz needs to meet its obligations to pay for Hartleys Shares under the Offers. This will occur if Euroz extends the Offer Period by more than one month and the Offers are still subject to the Conditions at the time of your purported withdrawal.

4.11 When you will receive your consideration if you accept the Offers

The Euroz Shares to be issued to Hartleys Shareholders who accept the Offers are to be issued on or before the earlier of:

- 7 days after the Offers become or are declared unconditional; and
- 7 days after the end of the Offer Period.

Full details of when you will be provided your consideration are set out in section 7 of Annexure A of the Bidder's Statement.

4.12 Effect of an improvement in Offer Consideration on Shareholders who have already accepted the Offers

If Euroz improves the Offer Consideration, all Shareholders, whether or not they have accepted the Offers before that improvement in consideration, will be entitled to the benefit of that improved consideration.

Shareholders should be aware that if they sell their Shares (pursuant to the process set out in the Hartleys Constitution) and Euroz increases the Offer Consideration, they will not receive any additional payment arising from such an increase in the Offer Consideration.

If you have already accepted the Offers and a competing offer emerges, you will be unable to accept into the competing offer. As at the date of this Target's Statement, the Directors are not aware of any competing offer that is available to be accepted by Shareholders.

4.13 Compulsory acquisition following takeover

If the Minimum Acceptance Condition and the Amendment to Constitution Condition are satisfied, then subject to no other Condition being breached or otherwise becoming incapable of being satisfied, Euroz has agreed in the Bid Implementation Agreement to immediately waive all outstanding Conditions and exercise its rights of compulsory acquisition.

Shareholders have statutory rights to challenge the compulsory acquisition, but a successful challenge will require the relevant Shareholder to establish to the satisfaction of a court that the terms of the Offers do not represent 'fair value' for their Shares.

Details of Euroz's intentions to exercise its rights of compulsory acquisition is set out in section 6.2(b) of the Bidder's Statement.

4.14 Other alternatives to the Offers

As at the date of this Target's Statement, the Directors are not aware of any competing offer that is available to be accepted by Shareholders. Your Directors will keep you informed in a timely manner should any material developments occur in this regard.

The aggregate amount of the Permitted Distribution is yet to be determined but is expected to be in the order of \$2.00 per Hartleys Share. If it proceeds, this Permitted Distribution will reduce the cash and cash equivalent assets held by Hartleys by an amount equivalent to the amount distributed to Hartleys Shareholders. Hartleys Shareholders should refer to the Hartleys Meeting Documentation (which is to be dispatched shortly) for further details regarding the proposed Permitted Distribution.

6 Information about Euroz

6.1 Disclaimer

The information set out in this section of the Target's Statement in relation to Euroz has been prepared by Hartleys using publicly available information (principally the Bidder's Statement) and has not been independently verified. Accordingly, Hartleys does not, subject to the Corporations Act, make any representation or warranty, express or implied, as to the accuracy or completeness of such information.

Further information on Euroz can be found at section 3 of the Bidder's Statement.

6.2 Overview of Euroz

Euroz is an Australian incorporated, ASX-listed (ASX:EZL) financial services company which provides funds management, stockbroking investment and wealth management services.

Euroz is a 'disclosing entity' for the purposes of the Corporations Act and is therefore subject to regular reporting obligations under the Corporations Act and the ASX Listing Rules.

Further information on Euroz can be found in section 3 of the Bidder's Statement.

6.3 Euroz's intentions in respect of Hartleys

Section 6.2 of the Bidder's Statement sets out Euroz's intentions in respect of the future business and operations of Hartleys.

Shareholders should carefully consider these intentions when deciding whether to accept the Offers (noting that these are statements of current intention only and may change).

In summary, it is the present intention of Euroz, on the basis of the information concerning Hartleys which is known to Euroz and the existing circumstances affecting the business of Hartleys, that:

- the business of Hartleys will otherwise be continued in substantially the same manner as it is presently being conducted;
- no other major changes will be made to the business of Hartleys;
- there will not be any redeployment of the fixed assets of Hartleys; and
- the present employees of Hartleys (with the exception of four employees who will be made redundant or retire) will otherwise continue to be employed by Hartleys pending a review of the circumstances of the Euroz operations post Completion.

7 Risk factors

7.1 Disclaimer

This **section 7** does not take into account the investment objectives, financial circumstances, taxation position or particular needs of individual Shareholders and is not exhaustive. Prior to deciding whether or not to accept the Offers, Shareholders should carefully consider the risk factors in this **section 7** and the Bidder's Statement and seek independent professional advice.

7.2 Risks associated with rejecting the Offers and continuing as a Hartleys Shareholder

(a) Disclaimer

In considering whether to accept the Offers, Shareholders should be aware of the risks relating to Hartleys, its business and assets. These risks include those specific to the industry in which Hartleys operates and general economic conditions which may affect the future operating and financial performance of Hartleys. Set out below is a summary of some, but not all, of the more material risks Hartleys believes may impact it and its prospects.

A number of the risks outlined in section 8 of the Bidder's Statement associated with being a Euroz shareholder also apply to being a Hartleys Shareholder.

(b) Reduction in corporate activity

Hartleys provides transactional services in the financial markets. Any reduction in the number or scale of transactions in the financial markets may adversely affect Hartleys' business.

(c) Demand for services

Demand for Hartleys' services will be affected by changes in investment markets, investor sentiment, economic conditions, demographics, legislation and regulatory obligations, competition and Hartleys' past performance.

(d) Competition risks

Increased competition from new and existing competitors may have an adverse effect on the financial performance and/or financial position of Hartleys. Public acceptance and confidence in the integrity of Hartleys is an important factor in the success of the business. If public acceptance is lost for any reason, this could negatively impact Hartleys' ability to retain existing clients or attract new clients, which could have a material adverse impact on Hartleys' growth and profitability.

(e) Reliance on key personnel

Hartleys' performance is dependent to a large extent on the efforts and abilities of several key personnel who have strong relationships with key parties. Any loss of these individuals may result in a loss of revenue and consequential impact on the business.

(f) Business disruption risk

As a result of the proposed merger with Euroz, a number of organisational changes have occurred within Hartleys including redundancies and certain employee departures

with associated transaction costs. Hartleys' business may be further disrupted and destabilised in the event the proposed merger with Euroz does not proceed.

(g) Regulatory risk

Hartleys and its products and services are subject to various laws and regulations including but not limited to the financial services laws, accounting standards, privacy laws, tax laws, anti-money laundering and counter terrorism laws. Changes in these laws and regulations could adversely affect Hartleys' financial performance. Additionally, if Hartleys fails to comply with these laws and regulations, there is a risk that Hartleys' financial performance could be adversely affected.

(h) Insurance

Insurance will be maintained within a range of coverage consistent with industry practices, however, no assurance can be given that such insurance will be available on commercial terms or that cover will be adequate to cover any claims. There is a risk that Hartleys may incur uninsured losses, which may adversely affect its operational and financial performance.

(i) Litigation

Hartleys is subject to litigation risks. All industries, including the financial services industry, are subject to legal claims, with and without merit. Defence and settlement costs of legal claims can be substantial, even with respect to claims that have no merit. Due to the inherent uncertainty of the litigation process, the resolution of any particular legal proceeding to which Hartleys is or may become subject could have a material adverse effect on its financial position, results or operations.

(j) Change in accounting policies

Accounting policies in Australia may change which may affect Hartleys' reported earnings and its financial performance from time to time.

(k) Prospective information

No assurance as to future profitability or dividends can be given as they are dependent on successful service development, future earnings and the working capital of Hartleys.

7.3 Risks associated with accepting the Offers

(a) Reduced exposure to Hartleys' assets and operations

If you accept the Offers and the Offers become unconditional, your interest in Hartleys' assets and operations will be diluted. This will mean that you will not participate in any potential upside that may result from Hartleys remaining a stand-alone entity, including any increase in the value of Hartleys Shares or any benefits that may ultimately be realised by Hartleys.

Further, if you accept the Offers and the Offers become unconditional, you will no longer be a Hartleys Shareholder. You will however indirectly retain an exposure to Hartleys' ongoing performance by virtue of your shareholding in the Merged Group, and you will be able to exercise your rights as a shareholder of that entity.

(b) Issue of Euroz Shares as Offer Consideration

You are being offered Euroz Shares for your Hartleys Shares at a fixed ratio regardless of the price that you would receive were you to dispose of your Hartleys Shares in accordance with the Hartleys Constitution.

The value of the Offer Consideration will fluctuate depending upon the market value of Euroz Shares. The market price of a publicly traded security is affected by many variables, not all of which are directly related to the success of Euroz. In recent years, the securities markets have experienced a high level of price and volume volatility, and the market prices of securities of many companies, has experienced wide fluctuations which have not necessarily been related to the operating performance or underlying asset values of such companies. There can be no assurance that such fluctuations will not affect the price of Euroz Shares.

The Takeover Bid, if successful, will result in Euroz issuing a number of new Euroz Shares. The increase in the number of Euroz Shares may lead to sales of such shares or the perception that such sales may occur, either of which may adversely affect the market for, and the market price of, Euroz Shares.

(c) Risks associated with becoming a Euroz shareholder

There are certain risks associated with holding Euroz Shares. Those risks are outlined in section 8 of the Bidder's Statement.

The Hartleys Directors encourage you to consider section 8 of the Bidder's Statement before deciding on your course of action in relation to the Offers.

(d) You will be unable to accept any competing offer that emerges

Once you have accepted the Offers, you will not be able to accept into any competing offer that may emerge, except in certain limited circumstances. As at the date of this Target's Statement, the Directors are not aware of any competing offer that is available to be accepted by Shareholders.

Accepting the Offers would preclude a Hartleys Shareholder from selling their Hartleys Shares. Accepting the Offers will not, however, deny a Hartleys Shareholder the benefit of any superior consideration offered by Euroz which, under the Corporations Act, is required to be extended to all Hartleys Shareholders, including those who have already accepted the Offers. As at the date of this Target's Statement, Euroz has given no indication that it intends to increase the Offer Consideration.

(e) You may give up your right to otherwise deal with your Shares

You may only withdraw your acceptance in certain prescribed circumstances, such as where Euroz varies the Offers in a way that postpones the time when Euroz is required to satisfy its obligations by more than one month.

Otherwise, if you accept the Offers, you will be unable to revoke your acceptance and the contract resulting from your acceptance will be binding on you such that you will be unable to withdraw your Shares from the Offers or otherwise deal with your Shares.

8 Additional information

8.1 Bid Implementation Agreement

On 17 July 2020, Hartleys and Euroz entered into the Bid Implementation Agreement in relation to the Offers.

A complete copy of the Bid Implementation Agreement was lodged with ASX on 17 July 2020 and can be obtained from Euroz's website (<https://www.euroz.com/>) or under Euroz's profile on www.asx.com.au.

Under the Bid Implementation Agreement, Hartleys agreed to certain deal protection and break fee arrangements with Euroz. The exclusivity arrangements are summarised in section 9.4 of the Bidder's Statement, with the complete deal protection and break fee arrangements being set out in full in the Bid Implementation Agreement.

8.2 Hartleys Share trading

Hartleys Shares are not publicly traded. The ability to transfer Hartleys Shares is limited to the mechanisms permitted in the Hartleys Constitution. Further, the Hartleys Board has a discretion to refuse the transfer of Hartleys Shares without giving any reason for that refusal.

As set out in **section 1.2** of this Target's Statement, the Hartleys Constitution specifies the formula for determining the price at which each Hartleys Share may be transferred which is based on the net asset value of Hartleys as at the most recent calendar month end occurring before the initiation of the sale process (subject to certain adjustments).

For example, if a Hartleys Shareholder wishes to initiate the sale process in Hartleys Constitution during the month of August 2020, then the price which they would receive in relation to their Hartleys Shares would be determined by reference to the net asset value per Hartleys Share as at 31 July 2020 (being \$2.1572 per Hartleys Share). Using this net asset value, the maximum value at which a Hartleys Share can be sold pursuant to the provisions set out in Hartleys Constitution (assuming the Hartleys Board applied the maximum goodwill factor permitted under the Hartleys Constitution) is \$2.5886.

The actual price at which Hartleys Shares can trade pursuant to the provisions in the Hartleys Constitution will fluctuate with the net asset value of Hartleys and the Hartleys' Board's assessment of the goodwill factor that is to be applied in relation to the proposed sale. Hartleys Shareholders should also be aware that if the Permitted Distribution proceeds, it will reduce the net assets held by Hartleys by an amount equivalent to the amount distributed to Hartleys Shareholders which in turn will impact upon the price which may be received for the sale of Hartleys Shares under the existing provisions of the Hartleys Constitution.

Except as otherwise set out in this Target's Statement, no person has been or will be given any benefit (other than a benefit which can be given without member approval under the Corporations Act) in connection with the retirement of that person, or

someone else, from a board or managerial office of Hartleys or Related Body Corporate of Hartleys.

(b) Agreements connected with or conditional on the Offers

(i) Employment Agreements

In connection with the satisfaction of the Employment Condition, each of the Hartleys employees who are Hartleys Shareholders (excluding any of those Hartleys Shareholders that are the subject of the Agreed Redundancies) must enter into a new employment agreement on terms approved by Euroz, and the following conditions precedent to the employment of those persons pursuant to those employment agreements must be satisfied:

- the execution of a voluntary restriction deed prohibiting the transfer of a portion of the Euroz Shares issued as consideration under the Offers (**Escrow Restrictions**); and
- the execution of a restraint deed in favour of Euroz, Euroz Securities Limited and Hartleys (**Restraint Deed**).

Euroz has undertaken to use its best endeavours (on its part) to negotiate and agree the terms of those employment agreements.

The Escrow Restrictions require:

- 12% of the Euroz Shares issued as Offer Consideration to each of those Hartleys Shareholders who are associated with the relevant Hartleys employee to be subject to a voluntary escrow period of 42 months from the Offers being declared unconditional; and
- a further 12% of those Euroz Shares issued as Offer Consideration to each of those Hartleys Shareholders who are associated with the relevant Hartleys employee to be subject to a voluntary escrow period of 56 months from the Offers being declared unconditional,

based on the number of Hartleys Shares held by the relevant Hartleys Shareholder as at the Last Practicable Date. Any Hartleys Shares acquired by a Hartleys Shareholder after the Last Practicable Date will not be subject to these escrow restrictions.

These escrowed shares may be forfeited where the relevant Hartleys employee ceases to be an employee of the Merged Group within the relevant escrow period depending upon the circumstances surrounding the termination of employment. The escrow restrictions will, however, immediately be lifted in the event that the relevant employee is made redundant or has their employment terminated by Euroz (other than for cause).

The Restraint Deed requires Hartleys Shareholders who are associated with the relevant Hartleys employee to provide effectively the same covenants not to compete with the Merged Group that the Hartleys employee is required to provide under their new employment contract.

Euroz has notified Hartleys that the Employment Condition has been satisfied.

(ii) **Board changes**

As soon as practicable after Euroz has a Relevant Interest in more than 90% of Hartleys Shares and the Offers becomes unconditional, the Hartleys Board and Euroz Board will be restructured such that:

- a majority of the Hartleys Board will be persons nominated by Euroz, subject to:
 - a minimum of two of the existing Hartleys Board remaining as Directors of Hartleys;
 - a proper board being constituted at all times; and
 - Euroz procuring that its appointees to the Hartleys Board do not participate in decisions of Hartleys in relation to the Takeover Bid until after the End Date and a quorum remains for that purpose; and
- two nominees of Hartleys are appointed to the Euroz Board and certain existing Euroz Directors resign, such that three of the existing Euroz Board remain as directors of Euroz after the completion of the Takeover Bid, subject to:
 - a proper Euroz Board being constituted at all times with a majority of Euroz Directors; and
 - Hartleys procuring that its appointees to the Euroz Board do not participate in decisions of Euroz in relation to the Takeover Bid until after the End Date and a quorum remains for that purpose.

(iii) **Directors and Officers Insurance**

Hartleys must, and Euroz must procure Hartleys to, ensure that each present or former Director or officer of Hartleys in respect of whom the existing Hartleys directors' and officers' insurance policy applies (**Insurance Policy**) is at all times covered under run off directors' and officers' liability insurance cover (**Run Off Cover**) on terms not less favourable than the terms of the Insurance Policy. The Run Off Cover will cover claims for the period expiring on the date seven years after the date on which the last of the existing Hartleys Directors ceases to be a director of Hartleys. The costs of the Run Off Cover are to be borne by Euroz.

(iv) **Other**

The Hartleys Board have approved that Mr Ian Parker (Chairman) and Mr Richard Simpson (Director) will receive an aggregate payment of \$500,000 in connection with the successful completion of the Offers as a result of services provided by each of them in relation to the Offers.

(c) **Benefits from Euroz**

Except as otherwise set out in this Target's Statement, none of the Directors have agreed to receive, or is entitled to receive, any benefit from Euroz which is conditional on, or is related to, the Offers, other than in their capacity as a holder of Shares.

(d) Interests of Directors in contracts with Euroz

Except as otherwise set out in this Target's Statement, none of the Directors have any interest in any contract entered into by the Bidder.
